

High Holy Days at KAM Isaiah Israel

Book of Remembrance

The Book of Remembrance is a traditional way of honoring departed relatives, friends, and members of our congregation. It is issued each year on Yom Kippur, the Day of Atonement, when we remember our loved ones who have died recently or in past years. Each year, the Book of Remembrance also lists those whose names are memorialized on plaques in the Sanctuary or in whose memory rooms have been dedicated. The Book of Remembrance will be available at Yom Kippur services in our Sanctuary on Wednesday, October 9.

To include the names of your loved ones in this year's Book of Remembrance, please complete the information below. **Please mail or email this form to us before Rosh haShanah** to be included in our final printing:
