

Giving Levels

* Commitments Made

For the Mishpacha: Our Family. Our Future campaign to succeed, we are asking for 100% participation.

We look to every household and family in our community to step forward and pledge financial support for this ambitious effort. Please join KAM Isaiah Israel's leadership and your fellow congregants in giving generously at a level that is personally meaningful to you and your family.

Every gift is important to make our vision of a transformative Reform Jewish community a reality.
