

1. Who by Fire

<https://www.youtube.com/watch?v=EgMaBreDuF4>

And who by fire, who by water
Who in the sunshine, who in the night time
Who by high ordeal, who by common trial
Who in your merry merry month of May
Who by very slow decay
And who shall I say is calling?

And who in her lonely slip, who by barbiturate
Who in these realms of love, who by something blunt
And who by avalanche, who by powder
Who for his greed, who for his hunger
And who shall I say is calling?
And who by brave assent, who by accident
Who in solitude, who in this mirror
Who by his lady's command, who by his own hand
Who in mortal chains, who in power
And who shall I say is calling?

2. You Want it Darker

<https://www.youtube.com/watch?v=XQOpeJ8YHrE>

[Verse 1: Leonard Cohen]
If you are the dealer
I'm out of the game
If you are the healer
It means I'm broken and lame
If thine is the glory then
Mine must be the shame
You want it darker
We kill the flame

[Verse 2: Leonard Cohen]
Magnified, sanctified
Be thy holy name
Vilified, crucified
In the human frame
A million candles burning
For the help that never came
You want it darker

Hineni, hineni
I'm ready, my Lord

[Verse 3: Leonard Cohen]
There's a lover in the story
But the story's still the same
There's a lullaby for suffering
And a paradox to blame
But it's written in the scriptures
And it's not some idle claim
You want it darker
We kill the flame

[Verse 4: Leonard Cohen]
They're lining up the prisoners
And the guards are taking aim
I struggled with some demons
They were middle-class and tame
I didn't know I had permission
To murder and to maim
You want it darker

[Chorus: Leonard Cohen]
Hineni, hineni
I'm ready, my Lord

3. If it be your will

<https://www.youtube.com/watch?v=XQOpeJ8YHrE>

If it be your will
That I speak no more
And my voice be still
As it was before
I will speak no more
I shall abide until
I am spoken for
If it be your will
If it be your will
That a voice be true

From this broken hill
I will sing to you
From this broken hill
All your praises they shall ring
If it be your will
To let me sing

From this broken hill
All your praises they shall ring
If it be your will
To let me sing

If it be your will
If there is a choice
Let the rivers fill
Let the hills rejoice
Let your mercy spill
On all these burning hearts in hell
If it be your will
To make us well

And draw us near
And bind us tight
All your children here
In their rags of light
In our rags of light
All dressed to kill
And end this night
If it be your will

If it be your will

4. Anthem

https://www.youtube.com/watch?v=c8-BT6y_wYg

The birds they sang
At the break of day
Start again
I heard them say
Don't dwell on what

Has passed away
Or what is yet to be
Yeah the wars they will
Be fought again
The holy dove
She will be caught again
Bought and sold
And bought again
The dove is never free

Ring the bells (ring the bells) that still can ring
Forget your perfect offering
There is a crack in everything (there is a crack in everything)
That's how the light gets in

We asked for signs
The signs were sent
The birth betrayed
The marriage spent
Yeah the widowhood
Of every government
Signs for all to see

I can't run no more
With that lawless crowd
While the killers in high places
Say their prayers out loud
But they've summoned, they've summoned up
A thundercloud
And they're going to hear from me

(Ring, ring, ring, ring)
Ring the bells that still can ring

Forget your perfect offering
There is a crack, a crack in everything (there is a crack in everything)
That's how the light gets in

You can add up the parts
You won't have the sum
You can strike up the march
There is no drum
Every heart, every heart to love will come
But like a refugee

(Ring, ring, ring, ring)
Ring the bells that still can ring
Forget your perfect offering
There is a crack, a crack in everything (there is a crack in everything)
That's how the light gets in
Ring the bells that still can ring (ring the bells that still can ring)
Forget your perfect offering
There is a crack, a crack in everything (there is a crack in everything)
That's how the light gets in
That's how the light gets in
That's how the light gets in

5. Halleluyah

<https://www.youtube.com/watch?v=YrLk4vdY28Q>

Now, I've heard there was a secret chord
That David played, and it pleased the Lord
But you don't really care for music, do you?
It goes like this, the fourth, the fifth
The minor fall, the major lift
The baffled king composing hallelujah

Hallelujah
Hallelujah
Hallelujah
Hallelujah

Your faith was strong but you needed proof
You saw her bathing on the roof
Her beauty and the moonlight overthrew ya
She tied you to a kitchen chair
She broke your throne, and she cut your hair
And from your lips she drew the hallelujah

Hallelujah
Hallelujah
Hallelujah
Hallelujah

You say I took the name in vain
I don't even know the name
But if I did, well really, what's it to you?
There's a blaze of light in every word
It doesn't matter which you heard
The holy or the broken hallelujah

Hallelujah
Hallelujah
Hallelujah
Hallelujah

I did my best, it wasn't much
I couldn't feel, so I tried to touch
I've told the truth, I didn't come to fool you
