

A Soul of Purity

אֱלֹהֵי	My Creator!
נִשְׁמָה	The soul you
שָׁנַתָּ בִּי	have placed
טְהוֹרָה	within me
הִיא	Is entirely
	pure

Sometimes, the hardest thing to remember is that no matter what, we have a pure soul that is perpetually connected to the creative source of the universe.

As a chant, this prayer can orient us to our essential purity, either as part of a larger service or on its own. [Music for chanting is available here.](#)

With gratitude to Shir Yaakov Feit and the ADAMAH Fellowship for setting this traditional prayer to R. Shefa Gold's music.
