

Chanukah Gift Drive Oct. 11- Nov. 11, 2021

With so many in our community experiencing financial strains, dealing with illness or other extenuating circumstances, we are getting ready for the holiday season earlier than usual!

This year's Chanukah Gift Drive will benefit clients (families with children) supported by Raleigh-Cary Jewish Family Services along with families supported by The Green Chair Project. Join us this holiday season in purchasing board games, art supplies, sports equipment and other gifts, and shine a light to children and families.
