Welcome to a new Sisterhood year!

I hope everyone had a nice start to 5782!

Whether you are a returning sister or a first-time sister, welcome! We are so happy you are joining us.

We are looking forward to the day we get back to pre-pandemic types of activities, but until then, remember that if you plan to attend any of our in-person programs, you will need to register your COVID vaccine card with the office. And don't forget to mask up!

Sisterhood membership is open to all CBS members; we all share a desire to support Beth Shalom and our community while making great friends in the process.

Beth Shalom Sisterhood is an affiliate of Women of Reform Judaism (WRJ), an organization of more than 500 Sisterhoods with over 75,000 members in the United States, Canada, Israel, South Africa, South America, Australia, and Spain. Founded in 1913, WRJ was created in order to affirm and celebrate the ideas, insights, and perspectives of Jewish women.

Our Sisterhood continues to follow those founding ideals. Our programs, activities, and donations benefit our Congregation and both our Jewish and the broader communities. We meet for social and spiritual activities; for study; and above all for the growth of the individual so that each woman may find an opportunity to fulfill her potential as a woman. Sisterhood provides the arena for us to expand and grow in a Jewish atmosphere. Finally, we join with Women of Reform Judaism supporting issues affecting women and families around the world.

Our programs and activities are scheduled at various times including evenings and weekends so that everyone has a chance to participate. Even if you are unable to attend or volunteer, your dues help us support Beth Shalom and our committees.

Please join us as we look forward to another event-filled year!

Sincerely,

Yael Sasley
