WOMEN'S LEARNING GROUP

JOURNÉE INTERNATIONALE DES FEMMES INTERNATIONAL WOMEN'S DAY

Here are three local stories of strength perseverance and impact;
- May our daughters be empowered to write new ones, each and every day!

Gladys Peress Mooallem

Born in Baghdad, Gladys came to Quebec in 1969 after 18 years in Israel. She made a career in senior management in imports and exports, bolstered by degrees in four languages, Arabic, French, English and Hebrew. At an early age, she managed the American Express Travel Department in Israel. She is long retired and now serves as the volunteer coordinator of the Spanish and Portuguese Synagogue's Women's Learning Group. For 12 years, she has been bringing women together to share and discover on religion, politics, culture and history. *"I'm happy to do it; I'll keep volunteering as long as I can."*
