

Securing Our Future—L'Dor V'Dor From Generation to Generation

Temple B'nai Israel members have many reasons to be proud. As a vibrant center of Jewish worship, learning and *tikkun olam* in Clearwater, Temple B'nai Israel is devoted to honoring the traditions of our heritage, while creating a Jewish experience relevant to today. Our Legacy Program is made up of forward-thinking people who recognize and wish to continue this Temple program in the hearts of its members and in the Jewish community, by providing for it in their estate planning. Anyone can create a legacy gift with various approaches that might serve their needs, and participation in the Program does not require a minimum amount. Create a legacy by adding a building block to the foundation that sustains Temple B'nai Israel for future generations. Thank you for your commitment to Temple.

Legacy Program

Take the first step.

I'm interested.
