

REMEMBERING OUR LOVED ONES - ZECHER TZADDIK LIVRACHA

“The Memory of the Righteous is for an Eternal Blessing”

Jewish tradition tells us to remember our loved ones at all times, and especially during special and significant times throughout the year. The High Holy Days provide that opportunity to recall their presence in our midst through the participation in a number of possible donor opportunities at Temple. The dedication of a **permanent Memorial Yahrzeit Plaque** in the Sanctuary is an appropriate way to perpetuate their memory within our community. Participation in the **Book of Remembrance**, which is distributed at Yizkor Services on Yom Kippur, is a hallowed tradition within our Congregation. The forms on these pages can be filled out and returned to the Temple Office for inclusion in whichever fund you choose.
