

What is new for in-person services ?

- Screening at front door prior to entry (Shabbat)
- Self-screening at home prior to attending minyan (Wednesday & Sunday)
- Hand sanitizer upon entering the building
- No touching of mezuzahs
- Masks required for all persons over age 2 entering the building (exception for those unable to remove their own mask)
- Physical distancing in parking lot and in building
- No hand shaking, hugs, high fives, fist bumps, or elbow bumps.

What is new for in-person services? (cont'd)

- One-way traffic patterns in and out of building and in and out of sanctuary (please follow signage)
- Removing high touch items - i.e. no coffee machine, no kippah stand, etc.
- Quarantine of ritual items (tallit, prayer books, kippot) after use
- Bathrooms – one person at a time, sanitizing wipes
- Singing at full voice is not permitted. Service leaders and Torah readers will be able to chant behind a clear barrier. Congregants may “hum/sing” their prayers at a low volume to themselves with masks on.
- No processional with Torah
- No food service at this time
- School wing, coat closet, gift shop and social hall are closed

Masks

Masks are required at all times for everyone over age 2 (exception for those who are unable to remove their own masks) upon exiting your car and while in the building. Masks must cover the nose AND mouth.

How to wear mask properly

Process for Screening (Shabbat)

- Screening station will be set up outside the front doors
- Maintain physical distancing of 6 ft between congregants/guests while waiting for screening.
- Masks (covering nose AND mouth must be worn from the time you exit your car.
- Each person will be screened with questionnaire and temperature check.

Process for Screening (Shabbat) (cont'd)

- People to stand 6 feet in front of table and follow directions of the screener.
- Each person will be asked all questions on the screening form
- If ANY question is answered “YES”, the person will be denied entry and told to return immediately to their vehicle and return home.
- If ALL answers are “NO”, then person may proceed with temperature screening.

Screening Questionnaire

• ***NOTE: screening questions are verbal only, no written record needed.***

| | Yes | No |
|---|--------------------------|--------------------------|
| • Cough | <input type="checkbox"/> | <input type="checkbox"/> |
| • Sore throat | <input type="checkbox"/> | <input type="checkbox"/> |
| • Fever or chills | <input type="checkbox"/> | <input type="checkbox"/> |
| • Muscle aches or fatigue | <input type="checkbox"/> | <input type="checkbox"/> |
| • Shortness of breath | <input type="checkbox"/> | <input type="checkbox"/> |
| • Chest pain | <input type="checkbox"/> | <input type="checkbox"/> |
| • GI symptoms (diarrhea, nausea, vomiting) | <input type="checkbox"/> | <input type="checkbox"/> |
| • Headache | <input type="checkbox"/> | <input type="checkbox"/> |
| • Loss of smell/taste | <input type="checkbox"/> | <input type="checkbox"/> |

Screening Questionnaire (cont'd)

Have you had contact with anyone in the previous 14 days with confirmed or suspected Covid-19, or someone with fever or respiratory illness?

- Yes
 No

Have you travelled internationally, been on a cruise ship or river boat, or been to an area of the USA where Covid-19 is widespread in the past 14 days?

- Yes
 No

If all of the above are NO, you may enter the building with a mask on.

If any of the above answers are YES, you are not allowed to enter the building at this time. Please return home, if sick symptoms seek medical attention and feel free to join us virtually.
