

Passover Salads

In our Seder I always make the Avocado Salad with Egg, which is traditional in my house in Mexico, and the Beet Salad, traditional from Alex's house.

AVOCADO SALAD WITH EGG

(Parve)

4 Ripe avocados, halved	few drops of lime
1/2 chopped onion	salt
6 hard boiled eggs	pepper

Mash the avocados, add the eggs and the onion, salt and pepper, and few drops of lime. Mix everything. You can leave one seed of the avocado in the middle of the salad to avoid that the avocado will be black before you serve.

BEET SALAD

(Parve)

3 big beets	1/2 cup mince walnuts
2 green apples	mayonnaise
1/2 cup dried cranberries	pepper

Boil beets. When they are cold grate them, the same as the apples, add the cranberries, walnuts, mayonnaise and pepper.
