**Dear Friend of ISRAEL,**

**Shalom!**

In the face of profound turmoil and heartache, our fellow Brethren in Israel endure unimaginable hardship!

Our brave IDF soldiers and reserves are working tirelessly to secure our homeland, free hostages, and are confronting danger with unwavering dedication!

The rising death toll and countless lives lost cast a shadow of pain and worry on the thousands of families with loved ones who are awaiting their soldiers' homecoming, and whose loved ones are still held captive by terrorists.

Amidst these dark times, JAR is committed to supporting our soldiers and their families. We strive to go above and beyond, distributing Food Cards and **ensuring that our soldiers and their families**

**have more than just sustenance – they have a place at the table.** JAR goes into bases to bring some Simcha with delightful BBQs, music and love, ensuring an atmosphere where our soldiers feel genuinely appreciated!

JAR extends its reach to the practical needs of our soldiers. By providing life-saving equipment for the field, they enhance the capabilities of our forces, reinforcing their ability to face the challenges that lie ahead.

**I encourage you to take a moment to think about just how many times you assumed that enough people are helping our brethren in Israel?**

**How many times did you leave it up to others? But today is the time that you can make a difference! You can take part in sustaining thousands of lives, the same lives who sacrifice their own life every single day for our brethren in Israel! Stop assuming and start doing!**

In times of war, immediate and accessible food aid becomes a necessity. The Food Card emerges as a crucial solution, guaranteeing that essential nourishment reaches those who need it most. This initiative is not only about sustenance but also about restoring hope, faith, and unity among the affected families, including orphans, needy families, IDF families, and the elderly.

Your support of the Food Card program can make a significant impact, offering comfort to those in despair and becoming a beacon of light in the midst of darkness.

**We cannot change the situation, but we CAN make a difference in their lives by donating Food Cards today!**

With hope and gratitude,
