Dear Supporter of Israel,

Shalom!

Passover is here! After everything we have endured, this Passover we have a chance to embrace freedom on a totally different level! As we carefully peek our heads out from isolation and slowly regain control of our lives, we learn to appreciate what freedom truly means to us!

Passover celebrates our freedom as a nation, our unity, our strength, and the epitome of our faith. And although this **Pandemic has taught us to expect the unexpected, and that so much is really not in our control, it also teaches us just how much Hashem loves us, and like a father to a son, he always gives us another chance!** This Passover is another chance to rebuild our world, our nation, and our brotherhood! As we ponder over this wonderful holiday, it is heartbreaking to know that our brethren in Israel are bound in the shackles of poverty.

The pandemic has hit Israel's rocky and unfortunate economic state even harder than before! Hard-working families are left in need of funds to obtain food, businesses remain closed, and **far too many families are drowning in hunger. Therefore, this Passover we MUST unite and help our needy brethren in Israel. At JAR we are committed to ensuring that children in Israel do not go to bed hungry by providing FOOD CARDS families can prepare a proper seder and celebrate with hope and freedom in their hearts!**

OUR FOOD CARDS go directly to needy families in Israel so that they can purchase food for their homes. There are no warehouse or additional costs associated with the FOOD CARD therefore **100 percent of your donation goes to feed the needy in Israel!**

We are reaching out to you to help our needy brethren in ISRAEL for Passover Maot Chitim! Due to the rise in poverty this year, we are aiming at sending an **ADDITIONAL 3,000-5,000 needy families FOOD CARDS at \$80 per family, for the Passover holiday!**

The FOOD CARD ensures that:

100% of your donation goes to feed the needy in Israel!

Families can feed their children with **dignity!**

The needy in Israel will be able to **celebrate** this **Passover!**

Will you join us and ensure that no family in Israel is left hungry this Passover?
