## Dear friend of Israel, Shalom!

The peaceful excitement that comes with the celebration of Chanukkah is one so familiar to us there isn't a way to express such a sentiment in words.

It is both the celebration of miracles and the peaceful illumination of the Chanukkah candles that light up our homes and hearts. As children all over the world prepare for this invigorating time they are excited to partake in the lighting of the menorah, the songs, plays, Chanukkah parties, playing with dreidels, presents, feasting on Jelly Doughnuts and warm potato pancakes as they celebrate for 8 days and nights. Families across the globe prepare for this celebration and the peace and unity it brings.

## In Israel, these celebrations are greatly anticipated!

Both families, schools, and community synagogues prepare weeks in advance for the Chanukkah festivities. With everything Israel has endured throughout this calendar year, it is safe to say that in Israel many families are entering this Chanukkah in poverty. The thoughts of celebration are far from a feasible reality, as the day-to-day seems almost impossible to sustain.

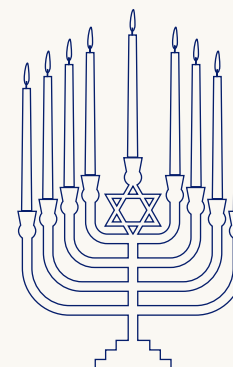

The ruins of the pandemic and tragedies that Israel has seen this year will take years to heal. Therefore, we ask that you join us as we take action and do the maximum to ensure that struggling families in Israel will have the opportunity to rejoice in the celebration of this Chanukkah with *Dignity and Light!*

Chanukkah this year falls at the end of the calendar year, giving us all a chance to give towards the end. May the light of Channukah light up your entire year with the same blessings your Food Card donation gives to those in need! The feelings of joy, success, sustenance, dignity, and hope!

**With blessings for a bright and illuminating Festival of Lights,**

**חנוכה שמח! Chanukah Sameach!**

**Sincerely, Shlomo Steinmetz**
