Dear friend of Israel,

Shalom!

As the world battles inflation, in Israel the needy are fighting the daily challenge of sustaining their families through this difficult time!

Children and orphans are hungry, Holocaust survivors are living with empty refrigerators, and needy families have little to feed their loved ones!

The dire poverty situation has forced many hard working families in Israel to join the ranks of the needy. But what can be done? Where is Bnei Yisroel's part in all of this? What can we do? That's where YOU come in!

This Rosh Hashanah I encourage you to join us in uniting as a nation and donating Food Cards to children, orphans, Israel Defense Force families, Holocaust survivors, and needy families in Israel! By donating Food Cards we have the power to save our brethren from continuing to live in hunger!

What a special way to start the new year! By actually making an impact and ensuring that the hunger situation in Israel does not escalate, and families have food on the table!

Let us unite this Rosh Hashanah and feed the needy in Israel! Together we can make a difference!

This High Holidays, with your donation, we were able to ensure 7,000 families had food in their homes. Due to the escalating poverty situation in Israel, we now have thousands of additional families who need your support this Rosh Hashanah! Please send in a donation for Food Cards and thereby ensure that the needy can also celebrate this new year with dignity and hope in their hearts.

*In the merit of your generous donation may you, your loved ones, and the entire nation of Israel, have a joyful and peaceful new year!*

**Shana Tova U'Metuka!**  
**שנה טובה ומתוקה!**

Sincerely,

**Shlomo Steinmitz**

## What a special way to start the new year!

*For the High Holidays, the numbers go up to 5,000 families with the assistance of at least \$96 to help with the added Holiday expenses.*

### The FOOD CARD ensures that:

**100% of your donation**  
goes to feed the needy  
in Israel!

Families can feed their  
children with **dignity!**

The needy in Israel will  
be able to **celebrate**  
this **High Holidays!**

**Will you join us and ensure that no family in Israel  
is left hungry this High Holidays?**
