With hope and light

Dear Supporter of Israel, Shalom!

Excitement fills the air as Jewish families around the world prepare for the celebration of Chanukah! Despite inflation, and the dire poverty situation in Israel; life continues, holidays are to be celebrated, and needy families continue to struggle! **But did you know that even a little support for the needy can go a very long way?**

We learn this when we observe Chanukah which celebrates the miracle of lasting light. That same miracle is a symbol of savior. Therefore, Chanukah teaches us that:

מעט אור דוחה המון מין החושך!
"A Glimmer of light dispels the darkness"

When a glimmer of light appears it is the center of attention. The darkness is then interrupted and dispelled. This too proves to be the truth in our efforts to help those in need. No amount of support is too little! **Because even the strongest of darkness and hardship is dispelled by a little hope and light.**

Chanukkah festivities are the highlight of the year for many children! Unfortunately, the results of inflation have left thousands of hard working families in need of support as they too are struggling to purchase basic food to sustain their families. Therefore, we have thousands of additional families in Israel in need of Food Cards for the Chanukah holiday! Many families in Israel are entering this Chanukkah in poverty! The thoughts of a celebration seem like an infeasible reality for many. **BUT with your help they CAN celebrate with hope and Light! By donating Food Cards YOU are ensuring that these families will have food on the table, and WILL be able to join in the celebration!**

With blessings for a bright and illuminating festival of Lights,
! חנוכה שמח | Chanukah Sameach !

Sincerely,
Shlomo Steinmetz
