## Happy New Year!

## **Dear Friend of Israel, Shalom!**

Rosh Hashanah reminds us to take some time out of our day for meaningful introspection. It is a time to reflect, repent, and hope for a better year ahead. As we look back there is so much that has transpired. And while each year is filled with new adventures, here we are yearly praying for a new beginning. Jewish people all over the world are preparing for the high holiday celebrations; both in prayer, good deeds, and obtaining everything needed for this auspicious time. In Israel, many families are still recuperating from this challenging year. The wounds of terrorism that took place in recent months will take years to heal!

Children and families are both psychologically and emotionally affected by such heartache, and these events have left thousands living in fear and emotionally frail.

**Unfortunately, the struggle doesn't stop there.** Inflation has hit Israel extremely hard rendering the cost of food completely unaffordable! Inflation has caused hard-working families to join the ranks of the needy and ask for help to obtain food. **The needy in Israel are fighting the daily challenge of sustaining their families!**

***Children and orphans are hungry, Holocaust survivors are living with empty refrigerators, and needy families have little to feed their loved ones!***

**This Rosh Hashanah I encourage you to remember our needy brethren in Israel! Let us unite and walk into this new year knowing we did everything in our power to ensure that needy families DO have food on the table!**

**Join us by donating Food Cards** to children, orphans, Israel Defense Force families, Holocaust survivors, and needy families in Israel! Your donation can save many of our brethren from continuing to live in hunger!

Due to the escalating poverty situation in Israel, **we now have thousands of additional families who need your support this Rosh Hashanah!**

***Please send in a donation for Food Cards so that the needy can also celebrate this new year with dignity and hope in their hearts!***

**In the merit of your generous donation may you, your loved ones, and the entire nation of Israel, have a joyful and peaceful new year!**

Shana Tova U'Metuka!
