## A MESSAGE OF THANKS

January 20, 2019

14 Shevat 5779

We want to congratulate our guests of honor and express our appreciation for their sacred work, teaching Hebrew to so many students over the years. Doing it with love for the language, for Am Yisroel and Eretz Yisroel.

There is a song that came out of the Lebanese War back in the nineteen eighties, and which has remained popular ever since. It is a song that is sung in Israel nowadays by people from the right and from the left as well.

The song is called: “Eyn li erez acheret” – I have no other land but you. There is no other land where Hebrew is the living language but Israel. There is no land in which not only the house, and not only the synagogue, but the street is Jewish.

The second line is: “Gam im admati boeret” – even if my land is burning.

I think it means: I have no other land but Israel, even if it is under attack, even if it is at war, even if the ground beneath our feet here is burning.

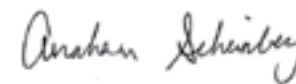

The third line reads: “Rak mila b’ivrit choderet el orkay, el nishmati” – only a Hebrew word penetrates my veins, my soul.

## A MESSAGE OF THANKS

I think that what the composer is saying is: I may speak other languages – most Israelis do – but only a Hebrew word had the power to penetrate my veins, and speak to my soul. He is saying: Hebrew has the power to move me; Hebrew has echoes and allusions to my entire past; Hebrew speaks to my innermost being, as no other language possibly can.

Our teachers have thought our students not just a language, but they have been able to speak to the soul of a child and plant a seed that has and will continue to blossom in time to come.

May they go from strength to strength,

## PRESIDENT'S MESSAGE

January 20, 2019

Dear Friends,

Thank you for joining us here tonight to honor our community's beloved Hebrew Teachers. It is my pleasure to welcome you to such an exciting event honoring this amazing group of women. Our Hebrew teachers have certainly touched so many of our lives and made an enormous impact on our children.

Congregation Rodfei Sholom prides itself on our dedication to education, which only begins with the study of the Hebrew Language. We strive to impact Jewish children with education on Judaics, Jewish History, Zionism and Hebrew. We provide classroom and informal settings for people of all ages to engage their minds and continue the Jewish tradition of life-long learning.

As we all know, providing excellence in education and programming requires funding, and on behalf of the Board of Directors, Tiki and myself, I thank each of you for your continued support. Every sponsorship, ad and ticket purchased helps us enrich Jewish life for our congregation and the San Antonio community.

With much gratitude, I hope you enjoy tonight's program as we thank the tireless efforts of our Hebrew teachers and hear from our featured speaker, Charlie Hararay, Esq., author of best-selling book "Unlocking Greatness".

Sincerely,

*Jack Avigael*

We learn in Pirkei Avot, The Ethics of our Fathers, Chapter 1; Mishna 6

יהושע בן פרחיה אומר עשה לך רב וקנה לך חבר וקני דו את כל האדם לכה נזכות:

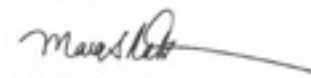

Yehoshua ben Perachia says, "Make for yourself a teacher, acquire for yourself a friend and judge every person as meritorious.

This mishna speaks so beautifully to our moment of celebration, for when we have had the opportunity to study with any one of these amazing women, we have undoubtedly taken Yehoshua ben Perachia's advice. Not only do our Hebrew language teachers instruct our children and many adults as well, but they offer support and advice to their students and families. These teachers cheer our children on and keep them focused and motivated. In doing so, they create connections that last well beyond the months of preparation a boy or girl might invest to become a bar or bat mitzvah. The relationships built often last a life time.

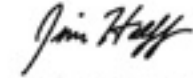

Over the years at Temple Beth-El, we have been fortunate to have many of these women share their talents with students of all ages. Today, Sara Purcell works with b'nei mitzvah students and Hagit Lifshitz also prepares our b'nei mitzvah students, in addition to teaching Hebrew to our adult b'nei mitzvah classes and our introduction to Judaism classes. Each has created special bonds with our families. Every single one of these women has made our Jewish community stronger by sharing their love of the Hebrew language, but just as importantly their love of Jewish learning and Jewish community.

The clergy, staff, Board of Trustees and entire Temple Beth-El community offer our sincere gratitude to these eight women and offer our congratulations on this most wonderful honor.

Mazal Tov!

## Congregation Agudas Achim

To the Entire Congregation Rodfei Shalom Family,

Mazel Tov on your gala celebration honoring some of the incredible Hebrew teachers here in our San Antonio's Jewish community. We have been blessed with these individuals teaching our youth and our adults our holy and native language for many years. We are all lucky to know them well and call them friends. While many who are being honored have taught here at one time or another, we are particularly grateful for Orah Abramoff who has taught Hebrew here at Agudas Achim for over 40 years. All of these teachers have contributed so much to our community so many times and in so many ways. They are a source of immense pride, as well as role models we should all strive to emulate.

We are blessed with their presence. May we all enjoy good health and happiness for many more years as they continue to make San Antonio a better place for learning and growth.

These special women have enriched our community with their love, warmth and devotion. Their zeal and passion to impart the language of our forefathers to the next generation has connected thousands of future Jewish leaders to their heritage and traditions.
