President’s Message

The Nominating Committee has been formed for next year’s Board of Trustees openings chaired by Micki Greenspan. Shortly, an email will be sent to all members asking for volunteers to submit a resume, and why they would like to serve on the Board. We encourage all of you to send your information in.

The rabbinical search committee has been interviewing candidates, and having qualified candidates in for person-to-person interviews. This is an important decision, so we are not rushing. We are so lucky to have volunteers and staff who are capable, willing and excited about leading Friday and Saturday services, as well as Torah study.

Special thanks goes to our Avi Levine Religious School Principal, Arava Talve. Not only is she doing an outstanding job with the religious school, but has been instrumental in filling the spots necessary to keep our religious services available to meet our members’ needs.

A brief reminder: Many people love our musical services headlined by Wayne Abravanel, as well as the Zimra service with additional musicians. Temple Sinai has a Music Fund, and I encourage you to contribute to this fund so we can maintain our outstanding musical program.

As I complete my 2nd year as Temple President I refer you to “Weiler’s Law” which states: “Nothing is impossible for people who don’t have to do it themselves.”

From the Principal/Melamedet

In January some of our religious school students participated in the Shabbaton at Camp Alomim in Simi Valley. For our younger students, it was an introduction to Jewish camping. They all gathered at Sinai early Friday afternoon to take the three-hour journey. Our students joined those from four other Temples in the Los Angeles area for a fun Shabbat and Havdalah experience. Many thanks to our Jewish Federation for making the trip possible for our students! Upon returning, we interviewed the students and asked them about their experience. Here are some of their responses:

“I liked the Alpine tower! There were many ways to climb and the views were awesome.”

“On Erev Shabbat we all dressed up and I got to see some friends I made from last summer.”

“The food was great.”

“The soccer field was big and we had fun on the obstacle course.”

“Singing Jewish songs before and after the meal was really nice.”

“The rotation of activities was good because we got to experience everything.”

“The cabins and the bunk beds were fun because I got the top.”

“I liked the discussions. We talked about Jewish traditions and holidays.”

“Learning Jewish songs and singing the prayers was fun.”

“I learned more about Jewish traditions and rituals.”

“The experience made me even more excited about becoming a Bat Mitzvah.”

Many thanks to Abi Sanford who chaperoned the students during the drive, and also served as a counselor for the weekend. The students will be sharing their experiences during our next school T’fillah on Sunday at 11:30am.
