Dearest Members & Friends,
I am writing these few short words from Israel, where we have been since Tuesday, visiting and showing solidarity with our brothers and sisters caught up in the middle of this horrible war. Over an intense 3-day mission, we met and spoke to hundreds of Israelis – soldiers, generals, politicians, victims of terror, social workers, activists, journalists – people from all walks of life, and in many

different parts of the country. What we discovered is a country that is resilient in the face of its challenges, and ready to do what needs to be done in the months and years ahead. Let us all pray for the safety and security of Israel, and for God's blessings for all those who have been affected by October 7th and everything that has followed.

Shabbat Shalom from Jerusalem,
Rabbi Pini Dunner
