

COMMUNITY SECURITY SERVICE

Security Guidelines for pro-Israel event attendees

- 1- If you are going with a group, do not openly publish or advertise in social networks pictures of the meeting point or time of the gathering.
- 2- Avoid arriving to the demonstration in a recognizable outfit. If you are bringing flags, do not show or take them out before arriving to the event.
- 3- Reverse park and remember the route to and from your vehicle.
- 4- Make sure your phone is fully charged, bring a spare battery if you have one.
- 5- Go with a friend / travel or arrive to the place in a group of at least two.
- 6- Do not get involved in confrontations of any type.
- 7- If you encounter a problematic situation in the street, look for a safe place to stay out of harm's way (store, coffee shop, hotel, etc.)
- 8- Do not leave your belongings without supervision at ANY time.
- 9- Communicate with CSS Hotline (212-287-5011) and law enforcement (911)

*CSS is the leading Jewish volunteer security organization
in the United States.*

*Learn more about CSS and how to get involved:
