Early Explorers Program 2023-2024

Come with your 18-24 month old toddler to Early Explorers on **Tuesday and Thursday mornings from 9:00 am to 11:00 am**, for a fun, nurturing playgroup experience that is a stepping stone for the preschool years! The Early Explorers Program for the 2023-2024 school year begins in late September.

Children in our program explore the world through their senses, engaging in a variety of activities including Art, Music, Storytelling, Library, Yoga, and an introduction to the Jewish Holidays and Shabbat, all within the framework of play and socialization. This program provides flexibility to meet the individual needs of children and their families. The design of the class addresses the emotional needs of our youngest students.

We look forward to a year of exploration and growth!

Once children have turned two and have successfully separated from a parent or caregiver, this will become a drop off program.
