

TODDLER TIME AT HABONIM

12-20 months

Tuesdays & Thursdays 11:30am to 12:30pm

This class provides a developmentally appropriate play experience where children can explore the world in a warm, welcoming Jewish environment.

Education in early childhood guides the way for success in school. Children thrive when they are in a stimulating, enriching environment with supportive and caring individuals.

We enhance the joy of play and socialization with creative, age appropriate activities through movement, art, music and storytelling. Children will develop their gross motor skills with equipment in our Social Hall.

On Thursdays, we celebrate Shabbat in the classroom. Songs and activities for the Jewish holidays are integrated into the class.

PRICING:

Current Members: \$5000

Inquiring Members: \$6000
