

**Beth Israel Congregation**

**Yizkor Service 5784  
2023 - 2024**

May their souls be bound up  
in the bond of life

**תהיינה נפשותיהם צורחות  
בצורך החיים**

## **READINGS AND PRAYERS**

### **We Remember Them**

In the rising of the sun and in its going down – we remember them.

*In the blowing of the wind and in the chill of winter –  
we remember them.*

In the opening of the buds and in the rebirth of spring –  
we remember them.

*In the blueness of the skies and in the warmth of summer –  
we remember them.*

In the rustling of leaves and in the beauty of autumn –  
we remember them.

*In the beginning of the year and when it ends – we remember  
them.*

When we are weary and in need of strength – we remember them.

*When we are lost and sick at heart – we remember them.*

When we have joy we crave to share – we remember them.

*So long as we live, they too will live; for they are now a part of us,  
as we remember them.*

### **An Additional Yizkor Prayer**

May God remember the soul of \_\_\_\_\_. Though many years have passed, I still remember him/her so dearly. Though so many people have come into my life, I have never forgotten her/him.

O God, help me to remember him/her always and may \_\_\_\_\_'s memory continue to be a blessing in my life.

Keep him/her in the bond of life and in my memories always.  
May he/she rest in peace.

Amen

## "All The Generations Before Me"

by Yehuda Amichai

All the generations that preceded me contributed me in small amounts,  
so that I would be erected here in Jerusalem all at once,  
like a house of prayer or a charity institution. That commits me.  
My name is the name of my contributors. That commits me.

I am getting to be the age my father was when he died.  
My last will shows many superscriptions.  
I must change my life and my death daily,  
to fulfill all the predictions concerning me. So they won't be lies.  
That commits me.

I have passed my fortieth year.

There are posts they will not let me fill because of that.  
Were I in Auschwitz, they wouldn't even put me to work.

And you know what that means.

And that commits me.

## "Promissory Note"

adapted from Galway Kinnell

If I die before you  
which is all but certain  
then in the moment  
before you will see me  
become someone dead  
in a transformation  
as quick as a shooting star's  
I will cross over into you  
and ask you to carry  
not only your own memories  
but mine too until you  
too lie down and take us  
both together into the next life.

## "Tis a Fearful Thing"

by Chaim Stern

'Tis a fearful thing  
to love what death can touch.  
A fearful thing  
to love, to hope, to dream, to be –  
to be,  
And oh, to lose.  
A thing for fools, this,  
And a holy thing,  
a holy thing  
to love.  
For your life has lived in me,  
your laugh once lifted me,  
your word was gift to me.  
To remember this brings painful joy.  
'Tis a human thing, love,  
a holy thing, to love  
what death has touched.

## **May the Memories**

May the memories of our loved ones inspire us to seek in our lives those qualities of mind and heart which we recall with special gratitude.

*May we help to bring to fulfillment their highest ideals and noblest strivings.*

May the memories of our loved ones deepen our loyalty to that which cannot die - - our faith, our love, and devotion to our heritage.

*As we ponder life's transience and frailty, help us, O God, to use each precious moment wisely, to fill each day with all the compassion and kindness which You have placed within our reach.*

Thus will the memories of our loved ones abide among us as a source of undying inspiration and enduring blessing.

## **Psalm 23**

The Lord is my shepherd, I shall not want.

God gives me repose in green meadows.

God leads me beside the still waters to revive my spirit.

God guides me on the right path for that is God's nature.

Though I walk in the valley of the shadow of death, I fear no harm, for You are with me.

Your rod and your staff, they comfort me.

You prepare a banquet for me in the presence of my foes.

You anoint my head with oil; my cup overflows.

Surely, goodness and kindness shall be my portion all the days of my life.

And I shall dwell in the House of the Lord forever.

## **IN MEMORY OF OUR CONGREGANTS WHO DIED DURING 5783**

### **Richard Berk**

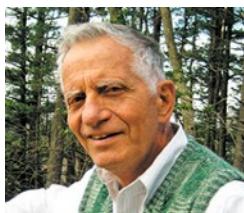

**1950 - 2023**

Rick will be missed by friends and family. We love him so much.

### **Sheldon Berry**

**1938 - 2023**

Sheldon was Barbara Berry's beloved husband of 59 years. A native Detroiter, he fell in love with the University of Michigan as a student and he and Barbara moved here in 1969. He had a long career as a financial planner and an insurance salesman. He was a financial vice president at Temple Beth Emeth and was one of the founders of Genesis. Sheldon was also a talented amateur musician and played in several local orchestras. He overcame numerous health challenges over the course of his life but was always generous with his help and time to family and friends. Sheldon loved dogs as well, getting his first dog in the 50's and always had a dog at home after that.

### **Carl Cohen**

**1931 - 2023**

Carl was a beloved father, uncle, friend and a teacher and mentor to thousands of University of Michigan students where he taught philosophy for over 62 years and was a co-founder of the Residential College. Carl threw his passion and energy into everything he did, including supporting the Ann Arbor Jewish community. He was a past president of Beth Israel (1979) and his first wife, Muriel, was heavily involved with the JCC and past president of the Hebrew Day School. Carl was a firm believer in the power of education, free speech, and the importance of standing up for what is right. His 10 books, and many articles covered political philosophy, use of animals in research, civil disobedience, college admissions and many other topics. He loved chess, astronomy, dogs, classical music and lively conversation. Carl's exuberant, warm, generous, sometimes provocative and highly engaged spirit is legendary among all he encountered.

### **Sylvia Gordon**

**1944 - 2023**

An accomplished clinical psychologist and co-author, Sylvia was a foundational support to many families and an expert in the field of marital counseling. Sylvia also maintained an active role within the local community. She earnestly volunteered for organizations such as "Active Against ALS!" and led a workshop on depression at the Jewish Community Center. Tenacious, optimistic, and full of life, Sylvia was loving to her family and friends.

## Gideon Hoffer

1939 - 2023

Traveling with family was one of Gideon's favorite things. But family is more than just blood relations, as his circle of friends covered the tennis courts (where he could still beat his son at the age of 75), poker tables, Benny's Lunch Bunch, and so much more. His sophisticated side loved the symphony and opera, but he was just as comfortable cursing refs, interceptions, and bad shots at Michigan football and basketball games (a lesson he passed on to his son and granddaughter). He was a Chief Financial Officer at a series of entrepreneurial ventures, often on the cutting edge of technology, though he also took on the adventure of running a food truck business, well before they were on every corner. Fiercely protective of his homeland Israel, he was a great supporter of many Jewish charities such as Federation, Jewish Family Services, and others.

## Marilyn Krimm

1928 - 2023

Marilyn began singing professionally in Brooklyn and trained at the Westminster Choir College, Tanglewood, and the University of Michigan, where she received her MM and DMA degrees in Voice. She performed operatic roles and concerts with the Detroit Opera Workshop, Detroit Symphony, Detroit Institute of the Arts, Toledo Opera, the UM School of Music and local symphony orchestras. She was the choir director for Beth Israel Congregation, the cantorial soloist and choir director for Temple Beth Emeth, and founded and directed the choir Chaverim B'Shirim. She recorded the Hebrew- and Yiddish-language album "Songs of Our Past" which is in the collections of the United States Holocaust Memorial Museum, The Jewish Museum on Fifth Avenue, and the Museum of Jewish Heritage at Battery Park. She taught at the University of Michigan, Eastern Michigan University, Bowling Green University, and Greenhills School. She is survived by Sam, her husband of 73 years, and her sons Dave and Dan.

## Ellyne Monto

1934 - 2023

Ellyne loved family more than anything else. She was a devoted wife, mother, grandmother, and friend. Ellyne and her husband Arnold arrived in Ann Arbor in 1965, coming from Panama, where Arnold was working at a lab operated by the U.S. National Institutes of Health. Upon their arrival, they joined Beth Israel Congregation, where they found a strong Jewish community. Ellyne and Arnold formed many life-long friendships with other members of Beth Israel who became extensions of their family. In addition to being an avid reader and talented writer, Ellyne loved welcoming Ann Arbor newcomers to her home to share her delicious cooking and welcoming spirit with all. She was happiest when surrounded by her family and friends, especially enjoying spending time traveling with all of her children and grandchildren. She was a woman of valor in the truest sense of the word.

## **Martha Oleinick**

**1936 - 2023**

Martha loved to feed people; feed their bodies through her cooking of sweet kugels and fluffy challot, feed their minds through offering book recommendations, or event updates and their souls through meaningful programming in her multiple roles as a professional and volunteer at Beth Israel Congregation. She leaves behind fond memories with her beloved chavurah, her children and grandchildren. All these good things will go with her and make her spirit glow, and that light will shine forever in the next place that she goes.

## **Bennett Stark**

**1940 - 2023**

Throughout his life, Bennett was involved in a variety of social justice issues. He had a passion for education, teaching history at a range of levels. He was always deeply involved in his community. His own family was deeply important to him, and he was very proud of their achievements. Bennett quickly became active in the Ann Arbor community after his move in 2014. While in Ann Arbor, he remained a zealous fan of the Wisconsin Badger football and basketball teams and was an active contributor to the Motor City Badgers community. He loved discussing ideas, sports, and current events with his friends and family.

## **Martin Warshaw**

**1924 - 2023**

Marty was the epitome of the “Greatest Generation,” a child of the great depression, a World War II veteran, married for 50 years to his beloved Alice, the father of four children, grandfather to four girls, and great-grandfather to 3 girls and (finally) a boy, loving companion to Joyce Watson after Alice’s passing. He earned his Ph.D. in Business Administration at the U-M and spent his entire career teaching at the Business School. He was always active in the Jewish community and Beth Israel. His 98 years were filled with travel, friendships and his great passion for skiing, which took him and his family from the Alps to the Rocky Mountains. His life, from beginning to end, stands as a beacon for all who were lucky enough to know him. May his memory be a blessing.

## **Tamar Weaver**

**1936 - 2023**

Tamar loved her family. She enjoyed cooking and eating good food, watching films, reading mystery novels, and playing computer games. She had a strong sense of justice and a desire to help people. She was born and raised in Palestine and studied at the Hebrew University Jerusalem. Life took her to Urbana, Illinois and Ann Arbor where she built a career in computer-based education and machine control. She worked for Palestinian rights and organized projects that helped different groups understand one another. She did everything with enthusiasm and always let you know what she thought. She left her mark on the world and we miss her.
