Community News:

After a thorough and extensive review with expert halakhic and medical authorities, and in consideration of the protocols which have been essential to the safe and uninterrupted operation of the mikvah throughout the pandemic, the Teaneck Community Mikvah will be unable to offer men's hours in preparation for the Yamim Noraim this year. In these days of Teshuvah, Tefillah, and Tzedakah, we strongly urge everyone, if at all possible, to match contributions from previous years during this time of year. These contributions represent a substantial percentage of the annual operating budget of the Mikvah, and we all must bear in mind the considerable additional expenditures the Mikvah has incurred to ensure the safety of our entire community this past year. This is crucial to ensure that the mikvah will be here for us next year. Please contribute here:
