# Letter from Rabbi Sobolofsky

As we complete reading Sefer Bereishis and begin to read Sefer Shemos, it is an opportune time to gather for Ohr HaTorah's 8th Annual Dinner.

דברי תורה צריכים חיזוק - we must constantly strengthen ourselves regarding our Torah commitment. We verbalize this renewal in our dedication to Torah and Mitzvos as we call out publicly ונתחזק חזק חזק upon completion of Sefer Bereishis and all subsequent books of the Torah. As we begin a new chapter in our community Torah study, we beseech Hashem for the ongoing strength to ascend in our spiritual goals.

At Ohr HaTorah, we have recently completed an era of our communal dedication to Torah and Mitzvos. For 18 years, we davened and learned together and have grown as a community both physically and spiritually. Now that we have begun a new phase in our beautiful new home, we look to strengthen ourselves as individuals and as a tzibbur.

How can we enhance our Avodas Hashem? What can we do to make our shul more conducive to playing a central role in our lives and in the lives of our family members? What else can we do to increase the chesed we do both personally and communally? How can I make a difference to help make Ohr HaTorah an even greater place? These are important questions we must ask ourselves. As we strengthen our commitment to Torah and Mitzvos during this transition time at Ohr HaTorah, we turn to Hashem to continue to bless us and enable us to reach our lofty goals.

As we look back over the past 18 years, and as we look toward a glorious future, we thank all of you who helped us reach this point. To tonight's honorees, the Frieds, the Rauzmans and the Zachters, thank you from all of us. Without your tireless dedication, we would not have been able to accomplish our goal. A special thank you to our devoted board and officers. The countless hours spent to enable Ohr HaTorah to run smoothly are greatly appreciated by all. We also recognize the invaluable contributions of those who have volunteered their time and talents in various ways. Without you, our community wouldn't be as wonderful as it is.

Tonight would not have been possible without the work of our incredible dinner committee. Thank you for all of your efforts to help create a special evening for us to express our gratitude to those who have done so much for all of us.

There has been a tremendous outpouring of support, both from within our community and beyond. We sincerely thank all of you for your love and devotion to the Ohr HaTorah family.

On behalf of Efrat and myself, thank you to every one of you for helping create and sustain Ohr HaTorah. It is truly a zechus to be a part of such a wonderful family.

# *To our Guests of Honor*

This year's dinner comes at a special time for the Ohr HaTorah community. Our shul has taken the literal and figurative next steps into our new home, with a magnificent space for our tefillos and learning. After a decade's worth of planning, fundraising, and dreaming by our esteemed Building Committee, we have the opportunity tonight to celebrate the efforts of three families from that committee without whom our shul building would still be just a dream. **Miriam and Ehud Fried, Ilana and Azriel Rauzman, and Elana and Yaakov Zachter** committed so much time and effort to every corner of our new building, and we are proud to honor their contributions to our future.

Since as far back as 2013, Ehud and Azriel have been invested in 40 Rector Court for our shul's growth. Though the dream faced some adversity over the years, Ehud and Azriel stayed focused, criss-crossed our community sparking our fundraising efforts and forming the early roots of our fledgling Building Committee before there was even a piece of land on which to build. Much like our ancestors in the Midbar, Ohr HaTorah took a winding path through our projects and ideas before finally landing at and developing our current home.

As the building's foundation and frame were constructed, the team redoubled their efforts. Ehud spearheaded our dedication opportunities, while Yaakov worked heavily on project management with our building team and Azriel on our shul's beautiful design and woodworking. Meeting after meeting for the team turned our construction into a full-time, daily project for the Building Committee, trying to meet the goals of a warm, welcoming environment and an expanded footprint for

# *To our Guests of Honor*

men and women alike. Smaller creative touches like our coffee machine, seforim bookcases, and colored lighting in the social hall has given our shul a burst of vibrancy and even our big front door remained a project even after the doors were actually “open”!

Over the years, the three couples have contributed in so many other areas to enhance our shul. Ehud and Yaakov have each served on our shul's board, while Miriam provides support as the shul Secretary and Elana has served on the dinner committee in previous years. Azriel has advanced our shul's commitment to learning by inviting and coordinating various speakers and shiurim, while Yaakov has taken an active role in the Kollal that fills our beis medrash with Torah on weeknights. Most notably, while Yaakov, Ehud, and Azriel serve on the Building Committee, it is their families that have made significant sacrifices as well. The literally thousands of hours spent by the committee on carpets, chairs, and building site visits were hours not spent with each of their families, and we give thanks and recognize their spouses and children as well.

In just the few short months that our new building has been open, we have experienced an inspirational Yomim Noraim, heard shiurim from multiple world-reknowned rabbanim, hosted multiple shul and community events in our new social hall, and watched our children run happily throughout. As our shul continues to grow, we happily juggle groups, meetings, and night seder between our main sanctuary, beis medrash, and basement. We are thankful to the Frieds, Rauzmans, and Zachters for everything they have done and continue to do on behalf of the shul.

Mazal Tov to each and all of the honorees!

# *Message from the Board*

We would like to take this opportunity to welcome you to Congregation Ohr HaTorah's 8th Annual Dinner. Ohr HaTorah has historically been a spiritually warm environment with an emphasis on Torah and Tefillah since its founding. Now, our beautiful building adds a new dimension to our physical home to give us the space to reach new and greater spiritual heights. Our families are blessed to have Rabbi and Rebbetzin Sobolofsky as role models and leaders of our community, and we look forward to our community's continued growth with their leadership.

This evening, we recognize three families: Miriam and Ehud Fried, Ilana and Azriel Rauzman, and Elana and Yaakov Zachter. These three families have played a pivotal role in the development and construction of our new shul. Without their tireless and unwavering investment of time, energy, and resources, we simply would not be in our new home. The building project began almost 10 years ago. Over the past decade, Ehud, Azriel, and Yaakov went living room to living room to solicit ideas and investment commitments, worked with architects, lawyers, contractors, subcontractors, designers, structural engineers, mechanical engineers, town officials, surveyors, electricians, plumbers, consultants, as well as Avrami Tabacznik, our shul's indefatigable treasurer, Tamar Stein, our resident designer extraordinaire, and multiple shul Presidents. Your thousands of hours of devotion and dedication are recognized and appreciated by the entire community.

# *Message from the Board*

We also express our gratitude to the entire Fried, Rauzman, and Zachter families. The time invested in our new home was truly a familial investment. Thank you to Miriam, Adina and Noah, Hillel, Akiva, Betzalel, Ilana, Asher, Ophir, Aiden, Mia, Elisha, Elana, Mordechai, Shayna, and Eli.

We each have a tremendous opportunity to contribute and build the future of our shul. While this will require a financial commitment, it will also require an investment of our time and energy to create the ideal Ohr HaTorah environment and we encourage you to join us.

On behalf of the board, we express boundless and immeasurable gratitude to the Frieds, Rauzmans, and Zachters. Ohr HaTorah is forever grateful for all you have, and will continue, to do.

Ohr HaTorah Board of Directors

# *Message from the Dinner Committee*

We would like to thank the many Ohr HaTorah families and friends who have contributed to the success of our 8th Annual Dinner and journal campaign. This year, we are delighted to recognize Miriam and Ehud Fried, Ilana and Azriel Rauzman, and Elana and Yaakov Zachter. The Frieds, Rauzmans, and Zachters have literally brought to life the shul's vision and have each contributed thousands of hours to the building of Ohr HaTorah. They are true examples of Ovdei Hashem, and have played pivotal roles to ensure Ohr HaTorah continues its growth as a Makom Torah. This evening is a token of the community's collective gratitude to each of the honorees for all they have done to bring our community to where we are today.

Today, we find ourselves having moved into the new building. We have been steadily expanding our offerings to the greater community. Our transition from just a few years ago of one Shabbos morning minyan to now three Shabbos morning minyanim and a full-time teen minyan has been smooth. We now offer multiple weekday Shacharis minyanim, and the number of shiurim and other learning opportunities are constantly growing, and being noticed by the broader Bergen County community. Our shul echoes nightly with the words of Torah from our regular Kollel Beis Medrash, and our youth programming and women's event calendar is busier than ever.

Thank you all for your continued support and generosity and we look forward to sharing a special evening with you.

## Miriam & Ehud Fried

We express our gratitude to our parents,

**Elkie and Harry Bram  
and Agi and Yossi Fried**

for the boundless love, commitment, and encouragement you have showered upon us. Each of you has imparted valuable lessons through your own actions. You have illustrated for us, and our children, the importance of community involvement and acts of *chesed* and *tzedaka*, encompassing both financial contributions and sweat equity. Your exemplary conduct has cultivated in us an aspiration to emulate your path and contribute to the well-being of our community. We appreciate you serving as role models for both us and our children. Wishing you continued *yiddishe nachas* in good health "*ad meah v'esrim*".

We remember with love our dear grandparents, **Alex and Dora Bram, Chaim Shlomo Fried, Rebecca and Frank Hershkowitz, and Magda and Yitzchok Rosenthal, z"l**. Additionally, we extend our heartfelt tribute to our esteemed grandmother, **Mrs. Dena Fried**.

These resilient individuals, having survived the horrors of the Holocaust, redirected their energies toward not only rebuilding their lives and families but also the rebuilding of their shuls, yeshivas, and communities. Their physical presence is sorely missed here tonight. We hope *iyH* to carry on their illustrious legacy.

We are thankful to our siblings for all of your love and support. We could not imagine raising our children without all of you, and we thank you for the indelible imprint you have made on us and our families.

In loving tribute to our cherished children,

**Adina and Noah, Akiva, Hillel, and Betzalel**, and to our beloved granddaughter **Rivka Ariella**,

We are so proud of each of you and we love you very, very much. We pray that you continue on the illustrious path of Torah, Chesed, Ahavas HaShem and Ahavas Yisrael that our grandparents and parents have exemplified for you. May we always make each other proud.

Above all, thank you HaShem. *Ayn anachnu maspikim l'hodos l'cha*.

May we see true shalom in *Eretz Yisrael* and greet *Mashiach b'karov*.

Miriam and Ehud

## Miriam & Ehud Fried

Mazel tov to our dear friends

**Ilana and Azriel Rauzman and Elana and Yaakov Zachter.**

We have personally witnessed the extent of your efforts on behalf of Ohr HaTorah. From very late (and sometimes sleepless) nights to very early mornings, and every moment in between, you have consistently prioritized the shul. Your focus, foresight, and devotion to maximize the space and create a majestic atmosphere to connect with Hashem and our community (begrudgingly, those wood beams do look “pretty” Azriel) is evident throughout the building.

Your unwavering commitment to the community is truly an inspiration. It is an honor to share this evening with you, but more so, a true privilege to have experienced the lengthy journey with cherished friends like you.

May we share simchas and nachas for many years to come. Mazel Tov!

Thank you **Rabbi Sobolofsky and Rebbetzin Efrat** for your spiritual guidance for the Ohr HaTorah community and beyond, instilling in all of us the critical importance of Talmud Torah, and inspiring our behavior. It is your leadership and example that makes Ohr HaTorah the special growth-oriented place that it is.

Thank you to Avrumi Tabacznik and Tamar Stein for your respective and ongoing contributions to the Shul, and in particular, the building. It is simply unimaginable that we would have a new building without your extensive input and dedication.

Thank you to Justin Schussheim and the Dinner Committee, **Moriya Eisenberger, Shari Koller, Aaron Kopstick, Yitz Novack, Michael Plaut, Alexandra Rosenberg, Naftali Rothman, Josh Rozenberg, Sarah Savetsky, and Rachael Swinkin.** We are so grateful for the dedication and time that you and your families have invested in tonight's dinner and the success of the shul. May *HaKadosh Baruch Hu* repay you with boundless bracha for everything you do!

Thank you to the Shul's prior and current leadership who have deftly, *BEZ"H*, steered the Shul towards the wonderful community *Makom Torah U'Tefilla* it has become, and in particular to the Presidents whose tenures overlapped the Shul's expansion efforts – Binny, Ari, Gabe, Judah, Yitz and Josh. Your respective and collective leadership was seminal throughout the process. Thank you to the current Ohr HaTorah board for all that you do on behalf of the shul. Thank you to the Sisterhood and to all the volunteers for making Ohr HaTorah the special place it is. May we share many more simchas together in good health and may Ohr HaTorah continue to flourish for many more years to come, ideally in Eretz Yisrael with the coming of Mashiach, b'mhayra b'yameinu!

Miriam and Ehud

## Ilana & Azriel Rauzman

It was with mixed emotions that we are here tonight. We are so proud and excited and happy about our new home, and yet we are broken and distraught over what is happening in Israel. We are filled with gratitude to Hashem for getting us here, and at the same time feel uncomfortable celebrating while our nation is grieving. And therein lies the mission of our shul. We wanted to build a place where we can pour out all of our feelings of pride and happiness and grief and sorrow. We wanted to have a Makom Tefillah where we are inspired to speak to Hashem and storm the heavens. We envisioned a Makom Torah where the sounds of Torah learning would fill the space with passion and enthusiasm. We wanted to have a home to connect to Hashem and to our community, a home that would inspire us to learn more, try harder, and be better. We feel so far away from our sisters and brothers in Israel, and yet more connected than ever before. We hope and pray that our inspired tefillot in our beautiful new home reach straight to Shamayim. Hashem should continue to protect and watch over the soldiers and all of the Jewish people.

To our parents

**Judy and Alex Rauzman and Merryl and Nat Shaffir.** You have shown us, each in your own way, what it means to be part of a community. You have been interested in every step of this project, always asking about it and being genuinely excited for every detail. Thank you for always being in our corner and supporting us in whatever we do. We love you very much.

To the **Rav and Rebbetzin**

Thank you for being our role models, our teachers and our inspiration.

The best part of helping to build this shul is the relationship that we have with you. We would have worked seven more years just to see the look on your faces again that first Shabbos we spent together in our new home. You have always gone out of your way to thank us and acknowledge us and give us so much credit. YOU are the reason we do this. You inspire us to be better people and to serve Hashem with all of our hearts. We are so fortunate to have you as our Rav and Rebbetzin.

# *From the Honorees*

## Ilana & Azriel Rauzman

Thank you and Mazel tov to our Fellow Honorees-

**Miriam and Ehud and Elana and Yaakov**  
(and really **Romy and Avrumi** too!)

You are really the dream team. From all of those first meetings years and years ago in peoples kitchens and couches, to the different courtrooms for variance meetings and approvals, to the multiple conference rooms for legal strategizing, to the architectural firms reviews, and finally to the construction trailer for our weekly Wednesday morning rendezvous. We have seen it all together. We have endured countless setbacks. Any other team would have given up years ago. When we finally were able to get the plans approved, Covid started and a new set of challenges arose. Increased costs, supply chain concerns, financing restrictions, to name a few made it seem our beautiful dream was still out of reach. We have met with lawyers, architects, contractors, designers, bankers, board members and donors. We have never disagreed on anything. Well, that may not be exactly true. But honestly, we have never disagreed on our mission and our reason. This community and our mutual respect and admiration for the Rav and Rebbetzin have always been our why. Thank you for being the best teammates, tolerating me and my thoughts and ideas and for seeing this project through from the very beginning until the very end. We are so grateful to you for helping make our dream a beautiful and inspiring reality.

And of course, to our children,  
Asher, Ophir, Aiden, Mia and Elisha,  
Thank you for being awesome. You must have really cool parents.

# *From the Honorees*

## Elana & Yaakov Zachter

It is an honor and a privilege for us to thank you for joining us this evening as we celebrate the continued success of Ohr Hatorah. We want to express our heartfelt appreciation and Hakaras Hatov to The Rav and Rebetzen. Our achievements could not be possible without their unwavering support and enormous involvement in our community.

We would also like to wish a Mazel Tov to our fellow honorees,  
**Ilana and Azriel Rauzman and Miriam and Ehud Fried.**

Ohr Hatorah's growth and financial strength are a product of a strong working relationship between its lay leadership and professional management. The Frieds and Rauzmans are people who devote their lives to ensure that there are many travelers on the derech hashem. They are always ready to give of their time and energy for the communal good.

We are so grateful to be a part of the Ohr Hatorah family and we look forward to going מחיל לחיל
