

KBI Apples 'n Honey

Keneseth Beth Israel is excited to once again present its special holiday program. How would you like to celebrate Rosh Hashanah with all of your family and friends by sending them a beautiful gift box containing fresh-picked Virginia-grown apples and honey?

How Does the Project Work?

- Send us a list of people to whom you want Apples 'n Honey delivered, and we do the rest!
- Those people who participated in last year's project will find last year's order enclosed in this package.
- For your donation of \$7.50, your name is added to the gift card included in the Apples 'n Honey gift box delivered to each household on your list.
- Apples 'n Honey gift boxes will be delivered locally during the week of Rosh Hashanah. Those gift recipients who live outside the delivery area will receive their Apples 'n Honey priority-shipped. NOTE: There is an additional shipping and handling charge of \$10 for each box sent outside our delivery area.
- One gift box will be delivered per address.
