CANTOR'S MESSAGE

CANTOR MENACHEM TOREN

Greetings my dear friends,

As we are entering the year 2023, I am going to reveal to you a shocking fact. This fact will not even affect your grandchildren or your great-grandchildren, so don't get upset yet...

So here it goes...

In the year 3031 there will be no Hanukkah, and no Hanukkah celebration. We will not light the Hanukkah at home or the Town Hall or do anything associated with Hanukkah. How is it even possible? And who has the right to cancel this holiday and why?

Of course, no one can cancel the holiday, the answer lies in the difference between the Hebrew calendar and the Gregorian calendar. The Gregorian calendar relies on the cycle of earth around the sun, and therefore also the seasons. One year is 365 days, and every four years it is 366 days.

On the other hand, the Hebrew calendar relies on the moon cycle, which has variances, with 12 months, each averaging approximately 29.53 days.

Since our major holidays must fall in certain seasons (*Pesach*, *Shavuot*, *Sukkot*) there must be a way to make sure that our holidays fall within certain seasons. If the Gregorian calendar is used, the seasons would shift and *Pesach*, for example, could fall in the winter or the summer. The solution is that every few years another month (Adar "B") is added, and the Hebrew calendar has 13 months in that year.

This is a good solution but not perfect if you are also using the Gregorian calendar in conjunction with the Hebrew holidays, because once every 216 years the Hebrew calendar is lagging one day behind the Gregorian calendar. Hanukkah, which is celebrated between the 25th and 32nd/33rd of *Kislev*, normally falls somewhere around the 28th of November and the 27th of December, but because of that lag I mentioned before, in the year 6792 on the Hebrew calendar, the 25th of *Kislev* (first day of Hanukkah) will fall on January 1st 3032, so in the year 3031 Hanukkah will not appear on that calendar at all.

It is a "curse," but it is also a "blessing," because in the year 3032 Hanukkah will appear twice on the Gregorian calendar, and Hanukkah will be celebrated twice!

Of course, it doesn't matter, because Hanukkah will be celebrated once every year as long as we live because we use the Hebrew calendar, and those who are orthodox may not even notice the change that year. Growing up orthodox in Israel and surrounded with only the use of the Hebrew calendar, I am now appreciative of the Gregorian calendar, as I can wish my friends a "happy and healthy new year" twice every year. Also, truth be told, I also enjoy celebrating other holidays that are not Jewish holidays, like Thanksgiving and New Year, and why not?

Now let me wish you all, my dear extended family, a Happy New Year, a wonderful year, a year of peace, health, and above all well-being and contentment.

Love,
Meni

PRESIDENT'S MESSAGE

MICHAEL WEINSTEIN

President

To all of our congregants and staff and the entire community, here's wishing you a Happy 2023 with good health and much joy and contentment for you and your families!

Things are moving along quite well at PBJC. Our plan regarding transition is unfolding well. I cannot reiterate the importance enough for our congregants to please come see Cantor Toren lead services and B'Nai Mitzvahs in the coming months. In doing so, you can experience his leadership on the pulpit and register your perspective for PBJC's future. To this point, only a limited number of Shabbats are slated and will continue throughout the early part of this year. Your attendance makes you an informed congregant who is part of a thoughtful process we have worked hard to put together for your benefit! Don't miss out on this opportunity!

As the year begins, here's some brief words that highlight what's going on at your shul. As we look forward to a meaningful 2023, we start off with a bang with some especially meaningful events:

Sunday, January 8 at 6PM, We Stand with Ukraine Program and Fundraiser ([REGISTER HERE](#))

Please come out for a uniquely engaging event that affords the opportunity to connect our community in standing with Ukraine. Come hear the stories of one of our congregants and her connection to Ukraine, of a local woman who unselfishly has sponsored five Ukrainian refugees to come live in her home, and of another who took it upon herself to establish a charity that helps supply drones and medical support vehicles and supplies to Ukrainians in need. We will also have a live discussion with volunteers on the ground in Ukraine regarding their effort. Please consider coming for what will be a special evening and please consider a contribution to a cause of a people victimized by tyranny. As the winter has arrived, the people of this nation are as much in need as ever. As Jews, we should understand their plight as much as any community can. I hope to see you in attendance for this important effort!

Saturday, February 11 at 7 PM, PBJC Crystal Jubilee - Major PBJC Fundraiser event! ([REGISTER HERE](#))

So, most of you have had personal experience with our long-tenured clergy (Rabbi Finkel, 15 years and Cantor Toren, 26 years). We are outstanding among many other synagogues in having had clergy with such substantial commitments. Not only has it been over four years since we have had a major celebratory event like this, but long-awaited and perhaps overdue, THIS is the night for us to gather to honor our Rabbi and Cantor. No cliches here; they have both been true pillars of our community. Whether they oversaw the B'nai Mitzvahs and/ or weddings of your children or as friends and counsel for other important life cycle events when you were in need, we have all experienced and been touched by their compassion of the kind that goes over and above. THIS is your opportunity to show your support for not only your clergy but the Pine Brook Jewish Center. Your registration is you casting your positive vote for all that they have done for you and for our congregation. If it happens that you cannot attend, please consider supporting the event at another level- as sponsor, with an ad in the ad journal, or with prizes for the event.

A blossoming 2023 is as good a time as any to thank all of our membership. Thanks to the congregation for what has turned out to be a successful annual Yom Kippur appeal. Thanks also to all of you for your continued commitment to give of your time and hearts unselfishly to help make our community the best that it can be. The new year is a great time to make commitments. If it were that the other night you made 2023 resolutions to do new things, engage more, get involved, please reach out to me and we will find a place for you. Please consider getting involved and helping PBJC succeed now and for years to come. Once again, Happy Gregorian New Year to all of you. Stay safe and we hope to see you all soon!

EARLY CHILDHOOD CENTER

LISA LERMAN and JILL BUCKLER

Early Childhood Center Co-Directors

Happy New Year from PBJC Early Childhood Center! December was a whirlwind of activities as we celebrated Hanukkah. This year we had a very special holiday observance. We joined together in Scheinman Hall with Rabbi Finkel and Cantor Toren to welcome Shabbat and Hanukkah at the same time. The children proudly sang a medley of Hanukkah and Shabbat favorites along with some very adoring fans (better known as beaming moms and dads.) We concluded our meaningful morning with the lighting of the menorah as well as sharing some homemade treats at our very own mini *Kiddush*!

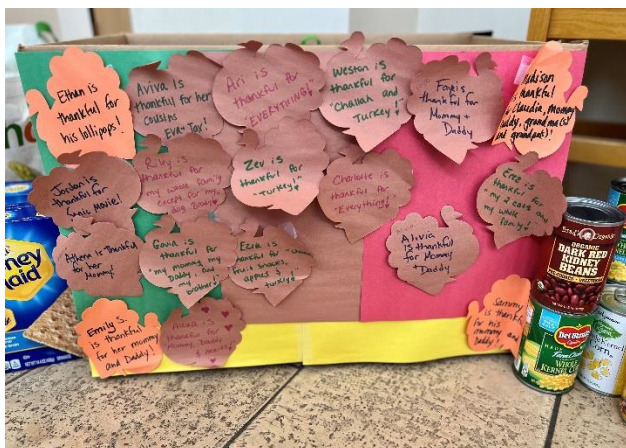

In a few short weeks, registration for the 2023-2024 school year will be open. We will continue to offer our core classes for our Intro, 2's, 3's and Pre-K as they currently exist. Additionally, parents who require longer hours can take advantage of the Giggle Zone to cover the hours that our core classes are not in session. The Giggle Zone is available from 7:30 a.m. - 6:00 p.m. for children ages 18 months to Pre-K. We continually strive to enhance our dynamic, highly regarded early childhood programs which are open to children of all faiths. Help us spread the word and share this information with your friends, neighbors and co-workers.

Planning for PBJC Day Camp is in full swing! We will soon be accepting applications for Summer 2023, for children ages 18 months to 5 years old. At PBJC Day Camp we offer an 8 week program highlighted by fabulous weekly themes and programming that includes water play, arts and crafts, music, games, sports, special events and much more!

Be sure to regularly check the PBJC website and like our Facebook page. We share all sorts of information, updates and photos.

As always, our door is open to anyone who would like more information about any of our early childhood programs.

Warm Regards,
Lisa Lerman and Jill Buckler

RELIGIOUS SCHOOL

MARY SHEYDWASSER

Educational Director

Our Religious School ended 2022 with lots of *ruach* and energy! Eva Grayzell put on a wonderful program, engaging, and interacting with our students by telling the story of *Hanukkah*. The lighting of the *hanukkah* is always a very special event in our community. Students and parents joined in the traditional lighting at Town Hall, singing the prayers and songs and, of course, enjoying donuts and drinking hot chocolate!

Our B'Yachad students had the opportunity to come together to celebrate the holiday as well. Lots of fun and excitement was had with grab bag gifts and playing Trivia and Who wants to be a Jewish millionaire. No one walked away with a million dollars, but the winners did receive an Amazon gift card. We are blessed to have these young adults as part of our PBJC community and am hoping that our seniors will have fond and unforgettable memories once they leave for college.

Kitah Gimel students are working tirelessly preparing for their Kabbalat Shabbat / Ma'Ariv service scheduled for Friday, February 3rd, 2023. Please join us and "*shep nachus*" from these children. They are our future!

The month of January is filled with exciting programs and events. Rabbi Finkel will be teaching the importance of "*laying tefillin*" to our Dalet students and our Kitah Hey students will have the opportunity to learn more about the significance of the Torah at their workshop on Tuesday, January 24th. We will be continuing the tradition of creating a *Kehilla*, (community) with our Kitah Gimel Families as they come together to learn about Shabbat and the meaning of the Kiddush. Each family will be making a Kiddush cup, an heirloom that can be passed on to future generations. More importantly, they will learn more about one another and share past experiences. Please refer to our monthly calendar for these happenings.

I want to stress the importance of attending Shabbat services as a family. Your child will have the opportunity to follow along with the service, and of course, be more comfortable when they make the transition for their Bar / Bat Mitzvah. Please contact me if you would like to participate in your child's special day with reading a torah portion.

Our Religious School strives to provide a nurturing and comfortable environment where the study of our Jewish identity and traditions are being passed on from one generation to the next. It is very exhilarating to see your children, our students, grow and develop into the fine people that will continue our heritage for many more years to come.

Wishing you a very healthy, happy, and meaningful 2023!

BAR MITZVAH

Jake Willner
January 28, 2023

On December 23, 2009, Jake Dylan Willner entered the world and changed our lives forever with his wit and personality. Our first born, he was the best gift we could have asked for during the holiday season. He enjoyed his first full year of independence and then became a big brother to Abby, and four years later again to Zoe.

He handles being surrounded by sisters with skill and patience, and most times, with careful diplomacy. It isn't easy to be first at everything, but Jake is always happy to tell his sisters why his way is the best way!

Jake is a 7th grader at Lazar Middle School; he has a natural academic gift that has shown itself in his honors classes as well as outside school.

Jake started at Camp Westmont when he was eight years old; it was there he discovered his love of music. He has become an avid guitar player and song writer. Rarely does he share his gift with others. But, when we are fortunate enough to hear him play, his talent is evident.

We could not be more proud that he has chosen to use his skills as a way to raise money and awareness for his mitzvah project. Jake has written and recorded an original song. This song focuses on the struggles of school age children in relation to mental health and gun violence; two issues that unfortunately now affect our lives every day. As a kid growing up in their time, all too often Jake has been troubled by active shooting drills, stories on tv about school shootings, and concerns about why such horrific things can happen to regular kids. This was his opportunity to do something about it.

Proceeds from the streaming of his new song will be donated to the Sandy Hook Promise Foundation, which funds education on mental health and the signs of adolescent struggle. The hope is that the next school shooting can be prevented if we all just give a little of ourselves.

To say we are proud of Jake is an understatement. He is thoughtful and has unlimited potential. Jake, we are so excited and cannot wait to see you called to the Torah as a Bar Mitzvah. This is only the beginning of a great life journey.

HARVEY JAFFE B'YACHAD MEMORIAL FUND

Harvey Jaffe, *Hershey*, was the driving force behind *B'yachad*. He helped make our dream come alive by leading a vibrant community of learners who come together post their B'Nai Mitzvah! This is what Hershey had to say about it:

The success of our Hebrew High School, *B'yachad*, is dependent on the ability to not only learn about 'the ethics of our people,' but more importantly to build a community. When students trust and care about each other they feel safe to share their views and ideas in a classroom setting and a dialogue begins. The fear of being judged by one's peers dissipates, and discussions become lively and interactive. From the time of Hillel and Shammai, our tradition teaches that there was always room to examine, dissect and re-evaluate our laws. In fact, many believe that different perspectives are exactly the reason Judaism has survived for almost 6000 years. However, all our ancestors agreed on the importance of a holy community a '*kehilah kedusha*,' where everyone is respected, and every opinion is valued.

A few testimonials...

The reason I come back to B'yachad cannot be put into words. I cannot describe how much fun it is; it is something that needs to be experienced to understand. Hershey is a magnificent teacher who does an incredible job engaging with all the students and I strongly recommend that everyone attend B'yachad.

The reason I keep coming back to B'yachad is because I want to keep learning deeply about Judaism and all its many different features. Also, I love Hershey's sense of humor and the way he handles things are funny. Finally, I like the things we talk about and hanging with friends. B'yachad is the best place to be on a Thursday night, Mrs. Sheydwasser, Hershey, and everyone in it are the best.

B'yachad has given me the opportunity to grow closer with my peers. I've learned beyond the basics of responsibility, right from wrong and a series of life lessons. The friendship, trust and creativity in the room allows me to connect individually with each person. I am proud to be a part of B'yachad and I am proud to speak freely there without hesitation.

I still come to B'yachad because of the environment and because I know I will learn something I may not anywhere else. Hershey is someone I know I can tell anything to and ask anything without worrying about it leaving the conversation. I love learning about my Jewish roots and about what my religion stands for in relation to the past, the present and what will happen in the future.

Funds were collected initially after his untimely passing, however, his legacy still lives on. Hershey's family has decided to put this money and all future donations towards scholarships for students interested in enrolling in *B'Yachad*, along with funding off-site excursions that have always been highlights of our program. Donations are accepted in any amount. To make a donation, go to the [DONATE NOW](#) section of the PBJC website and make sure to select Harvey Jaffe B'yachad Memorial Fund as the Payment Type.

May this serve as a living tribute to his memory.

ELIOT SAKOLSKY AARON MELZER SCHOLARSHIP

Arlene and David Sakolsky, along with their three sons, Eliot, Harvey, and Bill, were pillars of the Jewish community. Eliot was the United Synagogue Youth (USY) leader at Congregation Beth Shalom in Pompton Lakes. He passed away at the age of thirty-one.

A scholarship fund was established by Congregation Beth Shalom in Eliot's memory. The goal of the fund is to provide financial aid to youth participating in Jewish activities, such as Kadima, USY, Camp Ramah, Israel trips, and other Jewish educational activities.

Congregation Beth Shalom has transferred the fund to Pine Brook Jewish Center, where it will continue to perpetuate Eliot's memory. May his memory be a blessing to your youth.

Eliot's brothers, Harvey and Bill, are current members of Pine Brook Jewish Center. Upon learning of the sudden and tragic loss of Aaron Melzer, a Pine Brook Jewish Center Religious School student, Congregation Beth Shalom honored the Melzer family by rededicating the fund as the Eliot Sakolsky Aaron Melzer Scholarship Fund.

Aaron is the son of Margo and Jason Melzer, and the older brother of triplets, Anna, Brielle, and Brian. Aaron was a Religious School Student at Pine Brook Jewish Center, beginning at the age of two in its Nursery School. Aaron was a kind, loving, thoughtful and empathetic young man who was looking forward to his Bar Mitzvah. It was Aaron's dream to travel to Israel, but he never did, as a result of his sudden passing at the age of eleven. The Melzer family shares the Sakolsky family's mission to offer financial assistance to Religious School students so that they can further their Jewish studies at home and abroad.

In memory of Eliot Sakolsky and Aaron Melzer, this fund will continue to financially assist Jewish youth to obtain a meaningful Jewish education and to fulfill their own individual dreams. Please note that recipients of this scholarship must be members of Pine Brook Jewish Center and students in high school or college. All decisions related to this fund will be governed by the Eliot Sakolsky Aaron Melzer Scholarship Fund Committee.

Please contact the Eliot Sakolsky Aaron Melzer Scholarship Fund Committee chairperson, Beverly Berkowitz, at sakolsky-melzer-scholarship@pbjc.org with any questions.

We are pleased to announce that we were able to award four scholarships this year. We would like very much to award many more in years to come; however, we need more applicants and donations from congregants. If you would like to make a donation to PBJC, we ask you to consider the Sakolsky/Melzer Scholarship Fund.

PBJC Sisterhood Mishloach Manot Fundraiser

One of the mitzvot of the Purim holiday is sending food to other Jewish people. This act, called *Mishloach Manot* or “sending of portions,” references a section of the Book of Esther where Jews refuted Haman’s accusation that the Jews were “a scattered, and divided people” and demonstrated by sending portions that they were, in fact, united.

The Purim basket program (*Mishloach Manot*) is Sisterhood’s largest fundraiser which supports all of our great programs throughout the year, so in the spirit of a united PBJC congregation, please consider participating in one or more of the following ways:

1. Become a **GOLD SPONSOR** and send a basket to all members of PBJC for \$180
2. Become a **SILVER SPONSOR** and send a basket to all members of PBJC for \$118
3. Become a **BRONZE SPONSOR** and send a basket to all members of PBJC for \$72
4. Become a **CORPORATE DONOR** to help with the cost of the baskets for \$250
5. Donate or sponsor a particular item in the basket. Contact chairs below to discuss.
6. Deliver baskets to PBJC member homes (pickup on Sunday, Feb. 26 to delivery by Wednesday, March 1)
7. Pack baskets Sunday morning, February 26

Donors and sponsors will be listed on the scrolls sent to the entire congregation as well as in the April Candlestick Newsletter. All donations are tax deductible.

There will not be a synagogue-wide mailing of paper order forms, so....

The online form can also be found in the Sisterhood section of the PBJC website, under GET INVOLVED...CLUBS AND ORGANIZATIONS.

Deadline to sponsor is Thursday, February 16, 2023. Purim begins at sundown on Monday, March 6, 2023.

Volunteers will deliver baskets to area homes within a 20 mile radius of PBJC between Sunday, February 26 and Wednesday, March 1. If you live outside that range or will be out of town, please contact us at purimbaskets@pbjc.org to either hold, donate, or ship your basket. There will be a \$10 fee to cover the cost of postage for baskets shipped. Can you pack or delivery a few baskets? Please email us if you can help.

We look forward to your participation in this wonderful mitzvah and thank you for your generous support of PBJC Sisterhood. If you need more information or help with donating online, please contact us.

BETTY CRANE FRIENDSHIP CLUB

FRAN HOBERMAN-SCHENKEL AND BETH FUCHS

Club Coordinators

On December 8th Dr. Robert Butts came to PBJC and spoke about “**The Lasting Influence of the Jewish Musicians of the 1960s.**” We had a wonderful turnout for this really interesting and fun presentation. Dr. Butts discussed how the history and volatility of the 1960s impacted the music being created with a special emphasis for our group on the fact that many of the most important composers, songwriters and performers in the orchestral world, Broadway, folk music and rock and roll were Jewish. He interspersed audio and video for many of the artists. And, of course, ended with a thoughtful Q&A.

Please also save the dates for a **two-part ArtTalks** series via **Zoom** by Janet Mandel. Janet will be presenting **Marc Chagall: Painting Poetry** at **7:30pm on Tuesday January 24th and at 7:30pm on Wednesday February 15th**. Join us whether in northern NJ or somewhere warm. Marc Chagall lived a long and fruitful life, producing paintings, etchings, book illustrations, stained-glass windows, ceramics, tapestries, stage sets and costumes — all infused with poetry. His works have a lyrical, emotional resonance informed by his love of humanity. Chagall does not belong to one art movement or style but incorporates elements of cubism, fauvism, symbolism, surrealism, and futurism into his work. He was a pioneer of modernism, born in a shtetl, leaving us a rich legacy of unforgettable images. Telling Chagall’s inspiring story requires two talks.

Thanks to all who have renewed their membership. If you aren’t sure whether you have joined/paid for the 2022-2023 Membership Year, please send us an email and we can check for you and send a membership form if you have not yet joined/renewed.

If you have suggestions for future programs or want to help us out and join the Friendship Club Committee, email us at PBJCfriendshipclub@gmail.com.

PRAYER BOOK DONATIONS AND DEDICATIONS

Dedicating a *Siddur Lev Shalem* or *Etz Hayim* Bible that will be used in our congregational services is a wonderful way to celebrate family, remember loved ones, and honor our Pine Brook Jewish Center community.

Thank you in advance for your generosity and support as we transition from the *Siddur Sim Shalom* to the *Siddur Lev Shalem*. We need many donations to help us purchase enough *Lev Shelem siddurim*.

What makes *Siddur Lev Shalem* so special:

Transliteration - User-friendly and provided for those parts of the service most often sung or chanted out loud by the congregation.

Egalitarian Text - Egalitarian options for prayers are provided.

Symbols - Icons are used to help readers participate in the service. For example, one symbol indicates when to bow.

Commentary - Provides context for each prayer. What are its origins? Why it is here? What meaning might it convey?

Insights - Prose and poetry, drawn from ancient to contemporary sources, that reflect and expand on the themes of that page.

Contact the PBJC office at office@pbjc.org or (973) 244-9800 with any questions.

For more than 20 years, PBJC has served as a member congregation of nourish.NJ (formerly the Community Soup Kitchen & Outreach Center), taking responsibility for lunch whenever there is a fifth Sunday of a month.

The next fifth Sunday is **January 29th**. PBJC members are asked to consider contributing to nourish.NJ in either of the following ways:

1. nourish.NJ continues to hand out bagged groceries each day. Louis Schwartz will be in the PBJC parking lot on **Sunday, January 29th collecting donations from 9:00 AM to 9:30 AM**. The food in greatest need right now is canned chicken, canned beans, canned soups, canned stews, and cereal. **Please only donate non-perishable items.**
2. Help by making a monetary donation to nourish.NJ by **January 29th**. All donations collected for nourish.NJ through PBJC will go directly towards food supplies for nourish.NJ. Monetary donations can be made as follows:
 - Online through the PBJC website. Click on "Donate Now" and make sure to select "nourish.NJ Donation" as the "Type" of payment.
 - Through a check made payable to "PBJC" and mailed to PBJC at 174 Changebridge Road, Montville, NJ 07045. Please indicate "nourish.NJ donation" in the memo of the check and please put "Attn: nourish.NJ donation" on the envelope.

We look forward to continuing our relationship with nourish.NJ as the organization grows and evolves. We will see how we can best support the organization and the people it serves. Thank you for your continued support.

If you have any questions, you can contact Lou at nourishNJ@pbjc.org or 973-787-7243.

COMMUNITY OUTREACH AND COMMUNITY SCHOLARSHIP COMMITTEES

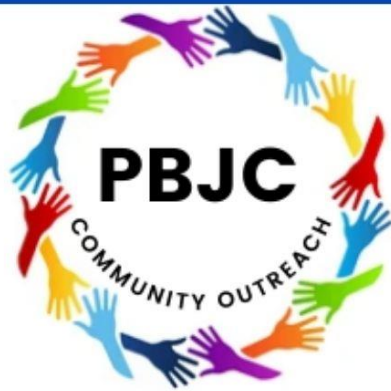

MARK ROFFMAN

Committee Founder

The Community Outreach Committee began almost 10 years ago with a simple mission: to provide living necessities to those with a defined psychiatric illness who are clients of the Mental Health Association of Essex and Morris Counties. This committee continues to thrive under the leadership of a Board of Directors comprised of dedicated young adults who receive guidance from Abby Edelman, Jamie Kideckel, and Ali Wise. The committee now provides resources for clothing of children living in shelters as well as supporting nourish.NJ.

Last year a second committee was formed - The Community Scholarship Committee of the Pine Brook Jewish Center. The mission of this committee is to provide scholarships to academically worthy students of Dover High School who have made a difference in their community. For the first year the committee, comprised of 21 members, provided one scholarship of \$2,400 and two scholarships each of \$400.

Joining either or both of the Community Outreach Committees is easy. You can do so by donating \$150 per year to participate in each committee. You can donate directly on the PBJC website (www.pbjc.org). Alternatively, send a check payable to PBJC with the appropriate notation (indicating the committee name) in the memo line. Again, the yearly donation to join is \$150 for each committee. Neither committee has any meetings. Please consider joining one or both of our committees. Thanks for taking the time to read this message Please contact Mark Roffman at markroffmanphd@gmail.com if you would like more information about either of the committees.

We are excited to bring pickleball to our PBJC community! We now have one pickleball court in our gym that will be available for reservation by PBJC members on weekday evenings and Sundays. The schedule may vary based on other events taking place at PBJC. A weekly schedule with online sign-ups will be sent out each Monday morning. The cost to rent the court is \$30/hour. Players should bring their own racquets and balls. Please note that court rental is open to PBJC members and at least one PBJC member must be present at all times.
