CANTOR'S MESSAGE

CANTOR MENACHEM TOREN

The passenger in the taxi was touching the shoulder of the driver to signal him to stop, but the driver got scared, yelled, lost control of the vehicle, almost ran into a bus, and stopped one inch from a pedestrian. After a minute of rumbling silence, the driver approached the passenger and said, "please never do that again, I almost fainted." The passenger, also in a state of a shock, apologized, "I couldn't imagine that just touching your shoulder would cause such a big mess." The driver replied, "I was a hearse driver for the past 25 years, until today, nobody approached me from the back seat..."

If you are laughing now, it means you were surprised. The easiest way to notice this is with babies. As soon as they learn how to laugh, it doesn't take much to trigger this reflex, just a sudden show of a silly or weird face, will trigger the laughter mechanism in the baby.

This is what all young parents look forward to seeing, probably the second most joyful moment after delivering the baby...the first laugh. From that moment until the rest of the baby's life, he/she will continue to chase this wonderful, soul-tingling sensation of laughter, that is really (almost in all cases) associated with joy. We all want that, right?

For the observant Jew, it doesn't take too much to have a good life. He or she just needs to follow the rules of the Torah and our great rabbis, and everything is covered. Our rabbis knew the importance of laughter for our well-being, and therefore the Jew is obligated to be happy, and to chase laughter.

On Passover, we are obligated to drink 4 cups of wine, in a relatively short period of time. This will force even the toughest person to chill, relax and even laugh. On Shabbat, we are obligated to have festive meals and are very strongly encouraged to sing Shabbat songs around the table. On Purim, it goes to the extreme, by the command to start to be happy as soon as the month of *Adar* begins, and culminates on *Purim*, when we put a costume on, which makes others laugh, and also makes us laugh. We are also commanded to have a very festive meal on *Purim* and, of course, to drink alcohol to the extreme while reading the *Megillah*. We are commanded to go to such an extreme, that we shouldn't be able to tell the difference between *Haman* and *Mordecai*...

On *Purim*, we are commanded to give *Mishloach Manot* (some goodies in a bag...but at a minimum of at list two items for one individual), to one another, which strengthens our relationship with each other, and we are also commanded to give money and support to the needy. This means that, even if we are not naturally funny or we don't know how to enjoy humor, or if we don't typically give to others, we become better people and we are assured to have a better life just by observing the Torah.

Obviously, this holiday is among my favorites. Since you know me, you know that I don't need a command to try to be funny, and I'm not the person that needs encouragement to laugh or give. Nevertheless, I am thankful for this holiday because as happy as I normally am, usually my joy is at a peak during this holiday. Furthermore, I start to feel that spring is coming and that another favorite holiday is approaching - Passover. I am looking forward to Passover this year because Hadas's sister and her family are going to stay with us. Many happy moments are expected then.

As Jews, we are obligated to chase joy and happiness, because this is good for us. As Jews, in every generation we suffered, and we continue to suffer. Without our humor, and without the "forced on us" joy, laughter, and the obligation to care for one another, I am sure that we wouldn't survive until this day.

I wish you all, Happy *Purim*. I hope you enjoy the programs we prepared for you.
And I thank you personally for all the endless support of our very important synagogue community.
Happy Purim!

Love,
Meni

PRESIDENT'S MESSAGE

MICHAEL WEINSTEIN

President

Life seems like the recent weather, sunny and spring-like one day then freezing and gloomy the next. Up and down. If it seems that climate change in our world seems real, it is. There are no surprises, then, that here at PBJC we feel the patterns of the same exaggerated highs and lows- Days of Joy then Days of Hate make a new normal of days of extremes forever difficult to accept. There seems to be no rhyme or reason to the day-to-day, but we learn to be ready for anything.

On Days of Joy- It would be difficult to overstate how wonderful our Crystal Jubilee Event was. It had it all- great participation at a beautiful and top-flight affair and a long overdue honoring of our own Rabbi Finkel and Cantor Toren for their long tenure and outstanding commitment to our community. Thank you to our clergy; thank you to those who worked hard to make it happen and thank you to our congregation for your willingness to support and celebrate together. We look forward to having more frequent community celebrations and fundraisers in the future.

On Days of Hate- It's hard to have any words for neo-Nazi and white supremacist support for an extremist day so blatantly and disgustingly labeled. Who thinks like this? It feels so unacceptable- that it emphasized an increase in antisemitic propaganda, that we had to be sure to be vigilant, and that the media should even give it so much play. At shul we upped our security and on the home front, we stepped out hesitantly with vigilance and watched the news. As President, I believe it is my responsibility to remind our community to stay strong, never forget to be aware, and never to think we are exempt. Some would say that too much is written on the topic of anti-Jewish sentiment, but I remind our community to stay strong and never forget to be aware of our surroundings. The threats have never been so real in our suburban New Jersey backyard. We should always stand strong as Jews, but also never forget to live a life without bias against others. Fight the hate so you can live the joy- and do it with pride and resolve!

Back at the ranch, PBJC's transitional plan is unfolding as planned as the Ritual Committee and our now fully formed Clergy Transition Committee is overseeing PBJC's efforts to manage the move to a single-clergy model upon the retirement of Rabbi Finkel in 2024. There is active mentoring going on between Rabbi Finkel and Cantor Toren to help prepare the Cantor for new and different responsibilities. Furthermore, Cantor Toren has been serving in various settings in the role of Rabbi rather than Cantor, allowing our congregants to experience the services as they might be conducted after Rabbi Finkel retires. Please note the ongoing dates this is happening so you can attend services and use this opportunity to experience Menachem Toren as your prospective spiritual leader. Your presence informs you so you can register your vote in June of this year. Let us also not forget that as this all happens, Rabbi Finkel is our spiritual leader until his retirement and we are indebted to him for his willingness to assist in this process, act as mentor, and put our future on a pedestal with his grace and compromise.

While on the subject of leaders, we are looking for a group of co-chairs to step up and fulfill a role that brings us together in another large community event, the 2023 PBJC Golf Outing, to be held on Monday, September 11. Put the date on your calendar as an important PBJC fund raising event, but even more importantly, please consider stepping up to lead this effort. Please give of yourself and let us know if you can volunteer. We need you!

Finally, Happy Purim. Please come out and join us on Monday, March 6th for our big night of Purim festivities- including a Megillah reading and a special Latkes vs. Hamantaschen (What is better?) congregant debate. No other holiday is more fun where you can dress up, drink up, and make some real noise. Groggers and Hamantaschen provided so bring the whole family!

EARLY CHILDHOOD CENTER

LISA LERMAN and JILL BUCKLER

Early Childhood Center Co-Directors

February was a short but exciting month here at the PBJC ECC (Early Childhood Center!). Winter just flies by when you are busy doing all the fun, creative and educational activities that can be found right here in our building. The children have been discussing whether or not they thought the groundhog saw its shadow, they continue to work on their winter counting books and they continue to discuss the letter or color of the week.

As we hope you have heard by now, PBJC ECC is thriving. We have expanded our already vibrant and stimulating preschool program to accommodate the needs of parents who require longer hours. Children ages 18 months to 5 years old can enroll in the Giggle Zone, an expanded care option (hours available from 7:30 a.m. to 6:00 p.m.) to complement our current preschool classes.

Registration is now open for the 2023-24 school year and our summer day camp. We will be offering classes for 18-month-olds (Intro) through Pre - K 4's. Additionally, we provide enrichment classes including music, gym, art appreciation and science. We also will be offering optional after school programs such as cooking, sports, movement and more!

Summer 2023 will be here before we know it. Planning for PBJC Day camp is in full swing! Applications for summer 2023, for children ages 18 months - 5 years old are available NOW. This year and going forward, PBJC Day Camp will be offered 5 days a week. Registration forms will be available through the ECC office and online. At PBJC Day camp we offer an 8-week program highlighted by fabulous weekly themes and programming that includes water play, arts and crafts, music, games, sports, special events and more!

Be sure to "like" us on Facebook and check us out on the "updated" PBJC ECC website www.pbjc.org. We will be sharing all sorts of information, updates and photos.

As always, our door is open to anyone who would like more information about any of our ECC programs.

Warm regards,
Lisa Lerman and Jill Buckler

RELIGIOUS SCHOOL

MARY SHEYDWASSER

Educational Director

I cannot believe that we are preparing for our 2023-2024 Religious School registration. We are looking forward to another great year as we continue to make revisions to give your children the very best Jewish experience that we possibly can. Thank you all for your support, commitment, and dedication to our program!

Kehila Kedosha is a community that genuinely cares about its people. As Educators, we strive to touch the lives of our students and to provide a meaningful and positive impact on the way they and their families embrace Judaism. We do this by creating a warm and inviting community with our class services and special events. In the spirit of being a part of a *kehilla*, our Kitah Bet families came together to create a *birkat habayit*, a *hamsah*, a blessing for one's home. Please join us on Friday, March 10th as these students lead us in prayer.

Let no sadness come through this gate,
Let no trouble come to this dwelling,
Let no fear come through this door,
Let no conflict be in this place,
Let our home be filled with blessing and peace.

The joyous holiday of Purim takes place during Adar, a month known for celebration and happiness. Students are going to enjoy a Purim Shpiel, followed by interactive discussions. Purim invites students to consider the mitzvah of giving and reflect on concepts of justice and morality. What have our students done that has been difficult? How did it feel afterwards? If one of your students saw unfairness in the world, how would they act? Who would they ask if they were unsure? This offers great opportunities for students to look at current events and think critically about their decisions and feelings. I would also like to acknowledge all the students in our school for contributing tzedakah, monies that went towards the *mishloach manot* for our community!

Our Kitah Aleph families will be learning the importance of "*hiddur mitzvah*" by decorating the cover for the siddur that our students will be studying from in the years ahead. May the siddur be a constant source of Jewish knowledge throughout their lives.

As always, please feel free to contact me if you have any questions.

B'Shalom,
Mary Sheydwasser
Educational Director

B'NAI MITZVAH

Gerson Alkin
March 18, 2023

Gerson Jacob Alkin was born on March 24, 2010. Gerson and his parents, Nancy and Ben Alkin spent his toddler and preschool years living in the Highlands in West Orange, NJ. Before starting kindergarten, Gerson's family, including his new brother Fletcher Emmett Alkin, moved to Montville, NJ.

Gerson has been involved in many of the programs and activities that Montville has offered over the years. He enjoys playing basketball and skiing through the Montville REC department, swimming for the Lake Valhalla Swim Team, and of course playing baseball through the Montville Travel Baseball Association. He especially enjoys his summers at Timber Lake West Camp where he can participate in non-stop action!

Gerson is currently in the seventh grade at Lazar Middle School. He is an active, enthusiastic, and outgoing boy. He has been very dedicated to his Hebrew studies over the past five months by practicing his haftarah portion every morning before school. Gerson's Mitzvah Project has been a meaningful and rewarding adventure for him. With the help of his younger brother Fletcher (8), they raised funds for an organization Hate Ends Now by "canning" in their community. The mission of this organization is to educate people all over the country about the Holocaust so that steps can be made to help prevent history from repeating itself. Gerson's cousin is currently working for the organization and he and his family were able to experience the powerful message firsthand while the program was temporarily stationed in New Jersey.

Gerson's family and friends are so proud of his many accomplishments and are looking forward to being a part of this monumental milestone with him.

Gabrielle Roth
March 25, 2023

Gabrielle Nessa Roth was known as the miracle baby throughout the hospital when she was born on March 5, 2010, nine weeks before her due date. The night she was born, the doctors told her parents, Elaine and Matthew Roth, that they should prepare themselves because the 2.5 lb. baby that they had just named Gabrielle might not make it through the night.

That night was the first night Gabrielle—Gabs—defied expectations. Over the next eight weeks in the NICU, she won all the nurses' and doctors' hearts as she continued to defy expectations, continued to meet milestones that had seemed impossible just days prior.

Over the last (almost!) thirteen years, Gabs has continued to defy expectations. She has proven herself to be a thoughtful, empathetic, and caring human who cracks a whip-smart joke as easily as she offers a helping hand to those in need. She's patient and kind to her little brother, Henry, and always there for her friends and family. She's a dedicated, self-starter student at Lazar Middle School. Gabrielle loves tennis, rock climbing, and sometimes Pilates...when her mom makes her.

For Gabrielle's mitzvah project, Gabrielle collected money from friends and family to donate to the American Brain Tumor Association, ABTA. This organization is close to Gabrielle's heart, and she donates every year in the hope of one day finding a cure for the disease that took her father, so that no other family has to know her kind of loss.

We are all so proud of Gabrielle and the hard work she has put into this day. She is our miracle baby and without a doubt we know we've only just begun to see all that she can do.

HARVEY JAFFE B'YACHAD MEMORIAL FUND

Harvey Jaffe, *Hershey*, was the driving force behind *B'yachad*. He helped make our dream come alive by leading a vibrant community of learners who come together post their B'Nai Mitzvah! This is what Hershey had to say about it:

The success of our Hebrew High School, *B'yachad*, is dependent on the ability to not only learn about 'the ethics of our people,' but more importantly to build a community. When students trust and care about each other they feel safe to share their views and ideas in a classroom setting and a dialogue begins. The fear of being judged by one's peers dissipates, and discussions become lively and interactive. From the time of Hillel and Shammai, our tradition teaches that there was always room to examine, dissect and re-evaluate our laws. In fact, many believe that different perspectives are exactly the reason Judaism has survived for almost 6000 years. However, all our ancestors agreed on the importance of a holy community a '*kehilah kedusha*,' where everyone is respected, and every opinion is valued.

A few testimonials...

The reason I come back to B'yachad cannot be put into words. I cannot describe how much fun it is; it is something that needs to be experienced to understand. Hershey is a magnificent teacher who does an incredible job engaging with all the students and I strongly recommend that everyone attend B'yachad.

The reason I keep coming back to B'yachad is because I want to keep learning deeply about Judaism and all its many different features. Also, I love Hershey's sense of humor and the way he handles things are funny. Finally, I like the things we talk about and hanging with friends. B'yachad is the best place to be on a Thursday night, Mrs. Sheydwasser, Hershey, and everyone in it are the best.

B'yachad has given me the opportunity to grow closer with my peers. I've learned beyond the basics of responsibility, right from wrong and a series of life lessons. The friendship, trust and creativity in the room allows me to connect individually with each person. I am proud to be a part of B'yachad and I am proud to speak freely there without hesitation.

I still come to B'yachad because of the environment and because I know I will learn something I may not anywhere else. Hershey is someone I know I can tell anything to and ask anything without worrying about it leaving the conversation. I love learning about my Jewish roots and about what my religion stands for in relation to the past, the present and what will happen in the future.

Funds were collected initially after his untimely passing, however, his legacy still lives on. Hershey's family has decided to put this money and all future donations towards scholarships for students interested in enrolling in *B'Yachad*, along with funding off-site excursions that have always been highlights of our program. Donations are accepted in any amount. To make a donation, go to the [DONATE NOW](#) section of the PBJC website and make sure to select Harvey Jaffe B'yachad Memorial Fund as the Payment Type.

May this serve as a living tribute to his memory.

ELIOT SAKOLSKY AARON MELZER SCHOLARSHIP

Arlene and David Sakolsky, along with their three sons, Eliot, Harvey, and Bill, were pillars of the Jewish community. Eliot was the United Synagogue Youth (USY) leader at Congregation Beth Shalom in Pompton Lakes. He passed away at the age of thirty-one.

A scholarship fund was established by Congregation Beth Shalom in Eliot's memory. The goal of the fund is to provide financial aid to youth participating in Jewish activities, such as Kadima, USY, Camp Ramah, Israel trips, and other Jewish educational activities.

Congregation Beth Shalom has transferred the fund to Pine Brook Jewish Center, where it will continue to perpetuate Eliot's memory. May his memory be a blessing to your youth.

Eliot's brothers, Harvey and Bill, are current members of Pine Brook Jewish Center. Upon learning of the sudden and tragic loss of Aaron Melzer, a Pine Brook Jewish Center Religious School student, Congregation Beth Shalom honored the Melzer family by rededicating the fund as the Eliot Sakolsky Aaron Melzer Scholarship Fund.

Aaron is the son of Margo and Jason Melzer, and the older brother of triplets, Anna, Brielle, and Brian. Aaron was a Religious School Student at Pine Brook Jewish Center, beginning at the age of two in its Nursery School. Aaron was a kind, loving, thoughtful and empathetic young man who was looking forward to his Bar Mitzvah. It was Aaron's dream to travel to Israel, but he never did, as a result of his sudden passing at the age of eleven. The Melzer family shares the Sakolsky family's mission to offer financial assistance to Religious School students so that they can further their Jewish studies at home and abroad.

In memory of Eliot Sakolsky and Aaron Melzer, this fund will continue to financially assist Jewish youth to obtain a meaningful Jewish education and to fulfill their own individual dreams. Please note that recipients of this scholarship must be members of Pine Brook Jewish Center and students in high school or college. All decisions related to this fund will be governed by the Eliot Sakolsky Aaron Melzer Scholarship Fund Committee.

Please contact the Eliot Sakolsky Aaron Melzer Scholarship Fund Committee chairperson, Beverly Berkowitz, at sakolsky-melzer-scholarship@pbjc.org with any questions.

We are pleased to announce that we were able to award four scholarships this year. We would like very much to award many more in years to come; however, we need more applicants and donations from congregants. If you would like to make a donation to PBJC, we ask you to consider the Sakolsky/Melzer Scholarship Fund.

SISTERHOOD

ILENE THAILER and FRAN SIMMONS

Co-Presidents

PBJC Sisterhood is celebrating Purim! We started celebrating the wonderful holiday of Purim a little early but are completely prepared for the holiday on March 6!

We started off with our biggest fundraiser of the year with our annual Purim bags. A huge thank you goes to our co-chairs Nancy Drillings and Helene Vallese along with our advisor Michelle Zuckerman for putting the bags together and picking out the wonderful items in the bags. We thank them all for all the long hours of fundraising, coordinating the items, working on the routes and gathering the volunteers! We hope you are inspired to make your own hamantaschen at home. As you know, we always give to a charity for Purim and this year Sisterhood has decided to donate to Jewish Family Services of MetroWest. Thank you to everyone who participated in this worthwhile event.

Winter arrived in North Jersey with some snowfall during our night of hamantaschen making! But it did not deter many of us from coming out and making traditional hamantaschen with Hadas and gluten-free hamantaschen with Fran. Thank you ladies for demonstrating how to make these great treats! They were delicious and it was so much fun seeing old and new friends at the event! Thank you to everyone who came out and participated.

As spring approaches, we will be doing some fun events to get our bodies moving! At the end of March we will be doing a boxing exercise class at Tiger Tennis. Stay tuned for date and time. We will also be planning an event to learn pickleball in May and will be announcing the date and time for that, as well. Zoom BINGO will be held on Monday March 20 at 7:30pm so please read the PBJC weekly announcements and scroll down to find the flyers!

We hope to see you at these events! Please call or email us with any questions you have or if you would like to suggest an event or volunteer!

Thank you as always for supporting Sisterhood!

BETTY CRANE FRIENDSHIP CLUB

FRAN HOBERMAN-SCHENKEL AND BETH FUCHS

Club Coordinators

We hope you enjoyed the second and final part of **Marc Chagall: Painting Poetry** which Janet Mandel of ArtTalks presented on February 15th. It was such a treat once again to have several of our long distance members join us for this Zoom event. Chagall was born in 1887 in a shtetl near Vitebsk (then the Pale of Settlement, a western region of the Russian Empire; today known as Belarus). At varying times he called St. Petersburg, Paris, Berlin, Moscow and New York his home. Chagall was a pioneer of modernism but did not belong to one art movement or style. He incorporated elements of cubism, fauvism, symbolism, surrealism, and futurism into his paintings, etchings, book illustrations, stained-glass windows, ceramics, tapestries, stage sets and costumes — all infused with poetry. He is best known for his paintings, which are punctuated with dreamy reveries of life in his native village of Vitebsk, as well as his stained glass windows. Chagall worked until his death in 1985 at 97 years old. Arguably the world's pre-eminent Jewish artist, Chagall left us a rich legacy of unforgettable art.

On **Sunday, March 26th** The Friendship Club is taking a bus to the New York Historical Society to see the "I'll Have What She's Having: The Jewish Deli" exhibit followed by lunch. Details and the sign-up form are available in the PBJC weekly announcements as well as via the Friendship Club email updates. Also save:

- **Sunday, April 16th** 2:30pm for *Leonard Cohen, Judaism in Song* with Rabbi Ron Isaacs at PBJC
- **Tuesday, May 16th** 7:30pm for *Remembering the American Revolution* with historian Joel Farkas at PBJC

If you have suggestions for future programs or want to help us out and join the Friendship Club Committee, email us at PBJCfriendshipclub@gmail.com. It has come to our attention that the Friendship Club email blasts are being filed as junk by **optonline** so please check your junk folder regularly so you don't miss our communications.

PRAYER BOOK DONATIONS AND DEDICATIONS

Dedicating a *Siddur Lev Shalem* or *Etz Hayim* Bible that will be used in our congregational services is a wonderful way to celebrate family, remember loved ones, and honor our Pine Brook Jewish Center community.

Thank you in advance for your generosity and support as we transition from the *Siddur Sim Shalom* to the *Siddur Lev Shalem*. We need many donations to help us purchase enough *Lev Shelem siddurim*.

What makes *Siddur Lev Shalem* so special:

Transliteration - User-friendly and provided for those parts of the service most often sung or chanted out loud by the congregation.

Egalitarian Text - Egalitarian options for prayers are provided.

Symbols - Icons are used to help readers participate in the service. For example, one symbol indicates when to bow.

Commentary - Provides context for each prayer. What are its origins? Why it is here? What meaning might it convey?

Insights - Prose and poetry, drawn from ancient to contemporary sources, that reflect and expand on the themes of that page.

Contact the PBJC office at office@pbjc.org or (973) 244-9800 with any questions.

For more than 20 years, PBJC has served as a member congregation of nourish.NJ (formerly the Community Soup Kitchen & Outreach Center), taking responsibility for lunch whenever there is a fifth Sunday of a month.

The next fifth Sunday is **April 30th**. PBJC members are asked to consider contributing to nourish.NJ in either of the following ways:

1. nourish.NJ continues to hand out bagged groceries each day. Louis Schwartz will be in the PBJC parking lot on **Sunday, April 30th collecting donations from 9:00 AM to 9:30 AM**. The food in greatest need right now is canned chicken, canned beans, canned soups, canned stews, and cereal. **Please only donate non-perishable items.**
2. Help by making a monetary donation to nourish.NJ by **April 30th** . All donations collected for nourish.NJ through PBJC will go directly towards food supplies for nourish.NJ. Monetary donations can be made as follows:
 - Online through the PBJC website. Click on “Donate Now” and make sure to select “nourish.NJ Donation” as the “Type” of payment.
 - Through a check made payable to “PBJC” and mailed to PBJC at 174 Changebridge Road, Montville, NJ 07045. Please indicate “nourish.NJ donation” in the memo of the check and please put "Attn: nourish.NJ donation" on the envelope.

We look forward to continuing our relationship with nourish.NJ as the organization grows and evolves. We will see how we can best support the organization and the people it serves. Thank you for your continued support.

If you have any questions, you can contact Lou at nourishNJ@pbjc.org or 973-787-7243.

COMMUNITY OUTREACH AND COMMUNITY SCHOLARSHIP COMMITTEES

MARK ROFFMAN

Committee Founder

The Community Outreach Committee began almost 10 years ago with a simple mission: to provide living necessities to those with a defined psychiatric illness who are clients of the Mental Health Association of Essex and Morris Counties. This committee continues to thrive under the leadership of a Board of Directors comprised of dedicated young adults who receive guidance from Abby Edelman, Jamie Kideckel, and Ali Wise. The committee now provides resources for clothing of children living in shelters as well as supporting nourish.NJ.

Last year a second committee was formed - The Community Scholarship Committee of the Pine Brook Jewish Center. The mission of this committee is to provide scholarships to academically worthy students of Dover High School who have made a difference in their community. For the first year the committee, comprised of 21 members, provided one scholarship of \$2,400 and two scholarships each of \$400.

Joining either or both of the Community Outreach Committees is easy. You can do so by donating \$150 per year to participate in each committee. You can donate directly on the PBJC website (www.pbjc.org). Alternatively, send a check payable to PBJC with the appropriate notation (indicating the committee's name) in the memo line. Again, the yearly donation to join is \$150 for each committee. Neither committee has any meetings. Please consider joining one or both of our committees. Thanks for taking the time to read this message Please contact Mark Roffman at markroffmanphd@gmail.com if you would like more information about either of the committees.

We are excited to bring pickleball to our PBJC community! We now have one pickleball court in our gym that will be available for reservation by PBJC members on weekday evenings and Sundays. The schedule may vary based on other events taking place at PBJC. A weekly schedule with online sign-ups will be sent out each Monday morning. The cost to rent the court is \$30/hour. Players should bring their own racquets and balls. Please note that court rental is open to PBJC members and at least one PBJC member must be present at all times.
