Book of Remembrance

5781 / 2020

In this *Book of Remembrance* are the names of our loved ones whom we remember with heartfelt love and unforgettable devotion this day. They have achieved immortality in the lengthened shadows of our House of God.

Through the spiritual strength and creative Jewish influences of the Pine Brook Jewish Center we are assured of the undying qualities of the people of Israel and our imperishable heritage—the faith of Israel.

Following the practice observed by most Conservative congregations, the Pine Brook Jewish Center has approved the preparation, in printed form, of the enclosed Memorial Names to distribute to our worshippers at the High Holy Days and Festival *Yizkor* Services.

It is with the avowed purpose of enhancing our religious services that we offer this brochure. The Ritual Committee diligently prepared *The Book of Remembrance* for the year 5781. We confidently trust it will be kindly received in that spirit.
