Dear Friends,

On behalf of nourish.NJ and the many guests we serve, I would like to send you a heartfelt thank you for collecting and delivering a large nonperishable food drive and gift cards for our guests. The items you donated have already helped so many of the families we serve.

Recently, with the help of our community we have been able to assist even more neighbors in need. During the pandemic we have:

- served more than 200 meals, every single day, to our most vulnerable community members
- delivered thousands of bags of groceries to people living in lower-income and senior housing to ensure they have the food and household supplies they need during the shutdown
- provided services for households struggling with unemployment, eviction and social isolation
- partnered with Morristown Medical Center to ensure anyone experiencing homelessness who tests positive for COVID-19 has a safe place to quarantine and has the food and supplies they need to recover fully

Though we've adapted to best address the present crisis, we know this pandemic will have a long-term impact on the communities we serve for years to come. Your support makes our work possible.

Wishing you health and happiness.

Sincerely,

*Heidi Griffiee*
