

BONIM (Grades 5-6)

BONIM, meaning “Builders,” marks our next generation of Jewish youth following the “pioneering” stage.

After our Chalutzim group, BONIM continues to build upon kids’ social experiences outside of the classroom.

It’s a chance to spend time with kids their own age and participate in interesting and exciting events almost every month. Past activities include: baking, snow tubing, Fonzilla, and Sky Zone.
