

### **JCREW (Grades 7-8)**

JCrew, our Junior SHAFTY group, offers great fun and socialization. As our kids hit middle school, we work hard to provide opportunities for Jewish youth to participate in events that will lead them toward our Sr. SHAFTY group.

JCrew offers great fun and socialization, coupled with important hands-on experience in fundraising and social action. On Wednesday nights, our teens can elect to work our canteen during Midrasha break. Proceeds from canteen are donated to the Israel Tiylul fund, which helps subsidize our 8th & 9th graders bi-yearly trip to Israel. We love to support the community by making meals for Caring for Friends and baking holiday desserts for those residing in assisted living homes. On many weekends, we have awesome events that include bowling and laser tag at Bowlero, dining at Hibachi, and a trip to the shore.
