

**JLC**  
**Family Education Programs**  
**2017-2018**  
**Save the Dates**

**Description:**

Family Education programs are designed with the parents and children in mind. The goal is for the young learner and the adult to take away a meaningful Jewish learning experience that they can share, discuss and embed in their family life. Each class is scheduled for one Family Education program throughout the year and parent participation is required for the experience to be meaningful. Likewise, please save the following dates.

***Parent Participation is Mandatory.***
