**Vol. 1, Issue No. 191**

14 years after the original groundbreaking of Temple Beth Am, many of us gathered outside on a beautiful Sunday for a new groundbreaking. As I was standing between the beam (that we later signed) and the congregation, I was overwhelmed with feelings of gratitude. I had prepared a different message for the occasion, but the next day I sat to write a blessing that expresses those feelings:

*Baruch Atah Adonai, Blessed are you God for:*

1. Blessing and guarding us.
2. Guiding and helping a small number of TBA members to build a beautiful synagogue. Having an impressive building inspired us and many prospective members to become part of TBA. In the hundreds of times when I've had the pleasure of showing the building to those who never saw it before, I heard time and again: "I cannot believe that a place like this exists in a small town like Jupiter."
3. Sending our way members who are naturally loving, warm and welcoming. We will never be satisfied with the hospitality we offer as we constantly strive to be better.
4. Blessing us with generous members who believe in the future of the Jewish people and the role of TBA in ensuring our continuity. The majority of our original benefactors attended the ceremony. They witnessed their original investment bearing fruit faster than they had expected. They were proud and happy even though their tangible reward was the opportunity to give another major gift.
5. Bold leaders who are not afraid to make difficult decisions, take risks and do all in their power to make TBA thrive. When the tendency of many temples' boards is to preserve the "old," our leaders respect the "old" but when facing a new, out of the box idea their response is, "How can we make it happen?"
6. Instilling the spirit of voluntarism in our member's hearts. We have a small paid staff and many activities. What makes it possible is the hard work of hundreds of volunteers.
7. Bringing together talented, dedicated and hardworking staff who work together as a team to care for the needs of the members of TBA and the Jewish people of our community.
8. Being surrounded by so many young families and children from preschool age to high school. Because of them, our building is always full of life, laughter and optimism.
9. Blessing us with good neighbors such as the two churches across the road, St. Peter Catholic Church and JupiterFirst Church. Although our theologies are different, our core values and our desire to do God's will unite us.
10. Blessing me and my family with 10 of the most beautiful years of our lives in this special place. I couldn't have asked for a better congregation to serve. Thank you all for sharing your lives with us and for being our family.

B'Shalom,

Rabbi Alon Levkovitz

### **CHIDUSH – Did You Know:**

- As we complete areas of construction, *Scribes*, flyers and other communications will begin to utilize the names of those dedicating that naming opportunity. Some of the areas are being rededicated since the renovation in those areas is extensive. However, we will continue to recognize the prior dedication with an appropriate plaque for the Al & Fran Newman Social Hall, Jack & Yvonne (Bobby) Barr Chapel and the Sandquist Family Lobby. There are still other significant dedication opportunities available, in addition to those already taken (see below).
  - ◊ Leah & Ed Frankel Sanctuary
  - ◊ Steinhart Family Chapel
  - ◊ Cohn Family Welcome Center
  - ◊ Silvers Family Social Hall (closest to the Sanctuary)
  - ◊ Maltz Family Social Hall (middle one)
  - ◊ **Your Family Name Here** Social Hall (the end one with the dance floor) – **Great dedication opportunity**
  - ◊ Irma & Peter Meyer Bima
  - ◊ Laney & Harold Becker Rabbi's Library & Study
  - ◊ Emily & Howard Bromberg Memorial Hallway
  - ◊ Kathy & Michael Azeez Education Lobby
  - ◊ Arline & Mark Slifkin Makom Kadosh (Sanctuary Entrance)

**CHIDUSH Progress:** April & May Plans (check our website for progress pictures):

- Construction on the Education office, new storage area, Silvers Family Social Hall and kitchen are the primary focus.
- The Chapel will be unavailable for most of 2016.
- There will be lots of signage and with the help of on site security provided by United Special Patrol we will closely monitor our children and member safety.

Our Board member names are always listed in the *Scribe* – talk to them anytime about your thoughts, suggestions and ideas – our tag line **ALL OF US TOGETHER** only works if we have **YOUR** input!

*Scribe* articles are great and contain interesting tidbits about TBA – enjoy them.

Call me at 561-222-8350 if you have **ANY** questions on Chidush or just wish to chat. Email works also: [mslifkin7@comcast.net](mailto:mslifkin7@comcast.net).

## FROM OUR DIRECTOR OF ENGAGEMENT, PROGRAMMING & MEMBERSHIP

Carol Sleeper

Once again we will be celebrating the 2<sup>nd</sup> night of Passover here at Temple Beth Am with an interactive Service led by **Rabbi Alon, Cantor Jessica, and Rabbinic Intern Brett Tancer**. And as we have been doing for the past several years there will also be a **Pot Luck Seder dinner**. The committee is working hard on making the Seder **on Saturday night, April 23<sup>rd</sup> at 6:00pm** feel like you are in your own home with your family. It's important to have the feeling and sense of community. Once you sign up to attend the 2<sup>nd</sup> night Seder you will receive a phone call about what you will need to bring. Please see the flyer on page 14 to sign up, and don't forget that **your payment is your reservation**. Due to the Chidush renovations we will only be able to accommodate a limited amount of people, so remember to send in your reservations as soon as possible.

If you have any questions about the Seder, please feel free to contact me or another member of the committee. They are **Leona Holland, Arline Slifkin, Bruce Cohen, Nanci Hochman, CK Tenenbaum, Eric Weiner, John Marzina,** and myself, **Carol Sleeper**.

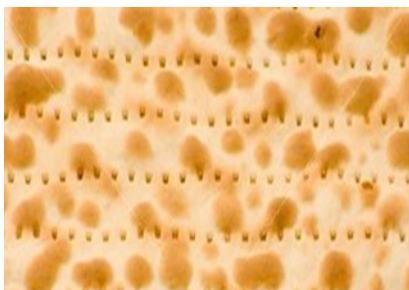

Temple Beth Am is now working with other houses of worship in Jupiter and Tequesta to collect food for the **Store House Food Pantry** located on Center Street in Jupiter and run by the Christian Family Church. For more information please read the article on page 12 by **Robin Schaffler and Marcy Isdaner**.

At Passover most Jews know that they should be eating Matzah, which is unleavened bread, symbolizing the Exodus from Egypt, which happened so quickly there was no time for the bread that had been baked to rise. But did you know that the opposite of Matzah is Chametz, dough which is left out long enough to ferment and rise. It is considered a mitzvah to rid our homes of Chametz and consume only Matzah for the duration of the eight days of Passover. If you are observing this, we ask that you donate any **unopened** pasta, cereal, and canned foods to go to the **Store House Food Pantry**. Even if you don't rid your home of Chametz you can still do a mitzvah and bring in the above mentioned food items. All donations will go directly to families who are in need. As Jews we are responsible for repairing the world or "*tikkun olam*". Help us feed the hungry by donating these non-perishable food items. This effort will enable us to help those in our community who are in need.

*"Let All Who are Hungry Come & Eat"*

Passover Haggadah

Matzah, yes for Passover

Chametz, no for Passover

Please donate your Chametz  
for the *Store House food  
pantry*

Passover Fact:

The world's largest matzah ball was made in the heart of New York City in 2009. Chef Anthony Sylvestry managed to make a matzah ball measuring 22.9" wide and weighing 267 lbs! The giant Passover creation was made to raise money for a New York Knicks vs. Tel Aviv Maccabi charity basketball game & money raised from the game went to Migdal Ohr, an orphanage in Northern Israel.

We can guarantee that the Matzah balls at the 2<sup>nd</sup> night Seder won't be that large! Hope to see you there.

Wishing you and your family Chag Sameach and a Happy Pesach!

**MARCH 31ST • APRIL 7TH • APRIL 14TH**  
**6:30PM LIGHT REFRESHMENTS • 7PM CLASS**  
**STORY OF THE EXODUS WITH RABBI ALON LEVKOVITZ**

Is the Exodus from Egypt a myth or is it the truth? Were archeologists able to unearth physical evidence that corroborates the Bible's account?

The majority of contemporary scholars are confident that the Exodus never happened, but a new documentary, "Patterns of Evidence: Exodus," claims to present abundant evidence to dispute their arguments.

Who is right? In the spirit of Passover, we will learn the different views with the hope to be able to form our own opinion.

## BOOK CLUB

### Edie Wolf

Thanks to all who attended the March Book Club meeting. The discussion of Go Set A Watchman by Harper Lee was interesting and enjoyable.

Our next meeting is on **MONDAY APRIL 4th at 10:30am** at the synagogue when we will be discussing **Boston Girl** by Anita Diamant:

*Anita Diamant's "vivid, affectionate portrait of American womanhood" (Los Angeles Times), follows the life of one woman, Addie Baum, through a period of dramatic change. Addie is The Boston Girl, the spirited daughter of an immigrant Jewish family, born in 1900 to parents who were unprepared for America and its effect on their three daughters. Growing up in the North End of Boston, then a teeming multicultural neighborhood, Addie's intelligence and curiosity take her to a world her parents can't imagine—a world of short skirts, movies, celebrity culture, and new opportunities for women. Addie wants to finish high school and dreams of going to college. She wants a career and to find true love. From the one-room tenement apartment she shared with her parents and two sisters, to the library group for girls she joins at a neighborhood settlement house, to her first disastrous love affair, to finding the love of her life, eighty-five-year-old Addie recounts her adventures with humor and compassion for the naïve girl she once was.*

We will be having lunch after our book discussion at **Suzy-Q's Diner**, 225 Chimney Corner Lane, #1001, Military Trail between University Drive and Donald Ross Road.

Please RSVP ([ediewolf@gmail.com](mailto:ediewolf@gmail.com) or 443-223-9729) and let me know whether you plan on coming to the book discussion **AND** whether you plan to join us for lunch afterwards.

Note: I have sent out a list of books to consider for our Book Club next year. If you have not received this list, please let me know.

Thanks,  
Edie

## ***MEN'S CLUB SCRIBBLES***

### **Jack Tenenbaum, President**

On March 13, the Temple held its annual Purim Carnival, and as usual, the Men's Club provided volunteers who grilled, served, and sold the hotdogs and hamburgers. Thank you chefs **John Marzina** and **Eric Weiner**, **Bruce Cohen**, **Joe Mitchell**, **Mel Wolfe**, **Gideon Kroyter**, **Stu Fierman**, **Bruce Starr**, **Lou Wolfson** and **Brad Roffer**.

Due to the response of our last dining out at Brio, we held another one on March 19th at 6:30pm. Once again complimentary coffee was arranged and the Men's Club supplied a cake for dessert. The format was simple - order what you want, and pay for it. The turnout was great, about 50 people attended.

This summer, during the slow season, the Men's Club and Sisterhood will once again be sponsoring monthly dining out events at various venues on a monthly basis. The usual format will be used, order what you want and pay for it. Like last year, we see no reason that there should not be opportunities for members of the congregation to get together and enjoy each other's company. Look for announcements in the *Scribe*, weekly emails from the Temple, and Friday night announcements.

We are also planning a trip to a Marlins game that will include tickets and transportation. It will be very much like the trip that we took to see a Dolphins game last fall. A tour type bus will pick us up from the Temple Beth Am parking lot, take us to the game where we have seats in a block, and then take us back to the Temple. Because there are many more baseball games during the season, our choices are increased. We will pick the best game available, and announce the opportunity this spring or early summer, depending on the game chosen. Watch for details in the *Scribe* and in the weekly email blasts, Friday night announcements, and flyers in the Temple lobby.

In this election year, the Men's Club has planned a **Sunday morning breakfast with a speaker from the League of Women Voters** to explain the various amendments that are sure to appear on the ballot. The speaker will not discuss any of the candidates, Democrat, Republican, or Independent, but only the meaning and ramifications of the ballot questions. **This breakfast program, which also includes lox and bagels, will take place on September 11, 2016 at 9:30am** in the Temple Social Hall. Mark your calendars.

In planning events for next year, we will offer the congregation different opportunities for participation and fun. The Men's Club is developing a questionnaire that will be sent to members of the congregation to help us improve our programs. Please take a minute or two when you get the questionnaire to fill it out and send it back. This feedback is extremely important.

If you have comments or suggestions, please feel free to call me at 561-744-3010, or email me at: [jtenenbaum@att.net](mailto:jtenenbaum@att.net)

## ***MORNING SERVICE WITH YIZKOR: Last Day of Passover*** **Friday, April 29, 2016 at 10:00am**

Yizkor Services are done 4 times a year: the last day of Passover, Shavuot, Yom Kippur and Shemini Atzeret. This special Service is our way of remembering and praying for our departed loved ones. The Yizkor prayers are only permitted to be recited in the presence of others, in a community of other Jews. If you have loved ones who have passed away and you wish to say Yizkor for them, then please join us on April 29<sup>th</sup> for this Service.

## SISTERHOOD SCOOP

Lois Remick

Realizing that you will read this after the first day of Spring, March 20, I thought I would share how I know when the seasons change...which, of course, is a challenge here in Florida!

I know when it is winter because my neighbor wears a jacket with shorts, tee shirt and flip flops. He alerts me to spring as he is wearing a sweater with shorts, tee shirt, and flip flops. Summer is easy as he wears shorts, a tee shirt and flip flops and autumn calls for a very thin sweater, shorts, tee shirt and flip flops. In this very scientific way, I am able to gauge the seasons!

Because Sisterhood's last event, the Healing Drum Circle, took place in late February, I was not able to report that all who attended enjoyed themselves. We thank **Alfredo** for getting the goodies ready for our hungry attendees and **Sue Freedland** for buying the delicious little quiches. We had 15 men and women attend this event and truly regret having not publicizing it better. It was terrific!

Your Sisterhood Board is actively planning events for this next calendar year, and we will definitely arrange some for spring and summer events too, so stay tuned to your email for both the weekly TBA information blast on Wednesdays and for Sisterhood emails and event flyers.

We had 9 members attend our March 10 Open Planning Meeting and about 5 more members emailed and phoned in their ideas. A number of terrific new events for our membership were proposed. We expect to get the calendar of events to you within the next month or so. If you were not able to attend the March 10 Planning Meeting and have an idea for an event, please contact Maril Levy at [maril@family-levy.com](mailto:maril@family-levy.com) or phone her at 561-249-6046.

Be happy, it's Adar! We were pleased to support the TBA Purim Carnival this year, on March 13. Sisterhood again donated funds for the Pony Rides, and many of our members volunteered to help with games and activities. Lots of happy, smiling faces all around.

Sisterhood is happy to welcome new Board members **Nanci Hochman** and **Linda Wolfe**. They and we are looking forward to working with and for you. We are sad to see **Cathy Yonkers** step down from our Board but we thank her for her time and talent and we wish her r'fuah sh'leimah.

Many of you will be leaving the area soon for your summer homes, and we want to wish you a safe trip. We value your input whether from near or far, so please stay in touch. And, please don't forget to mail back your 2016-2017 Sisterhood registration form and check for next season. (It will be mailed to you in early June.)

Kulanu!  
Lois

**THE TEMPLE BETH AM FOOD PANTRY**

TBA has joined efforts with other local clergy in Jupiter and Tequesta to secure a location for a much needed Food Pantry. The current pantry, **Store House Food Pantry**, is located at **430 Center Street in Jupiter**. It has been solely operated by the **Christian Family Church** one day a week (Sundays from 11:45am- 1:00pm) but will soon be expanding its days and hours to serve even more of our most needy neighbors right here in our community. The Food Pantry has refrigeration, freezers and plenty of storage.

**EVERYONE'S HELP IS NEEDED AND NO TASK IS TOO SMALL TO HELP MAKE THIS LONG AWAITED PANTRY A SUCCESS.**

**HERE'S HOW YOU CAN HELP**

- 1) Ongoing food collection will be located at TBA where you can donate the following:
  - ☐ Canned meats (preferably flip top lids)
  - ☐ Jelly
  - ☐ Cereal
  - ☐ Prepackaged "add in" meals (ie: Pastaroni)
  - ☐ Pasta
  - ☐ Tomato sauces
  - ☐ Toiletries (toothbrushes, toothpaste, soap, shampoo, razors)
  - ☐ Soups
- 2) Volunteer a few hours a week or even once a month:
  - ☐ Pick up or drop off food
  - ☐ Work in the Food Pantry during hours of operation
  - ☐ Help sort the donated food and organize them onto the shelves
- 3) Monetary Donations:
  - ☐ Temple Beth Am's Schafler Family Food & Emergency Fund collects ongoing donations that go directly to the Food Pantry to improve the current facility and to purchase food from co-ops that will sell food at a tremendous discount.

**PINNACLE KIDS**

Another project we are involved with is Pinnacle Kids; a non-profit to help fill the hunger gap at schools with a "poor" population. Through this program we will be supplying health bars to teachers so they can supplement the nutritional needs of children who appear hungry and lethargic due to a lack of food. We are asking for boxes of health bars to distribute to teachers in underprivileged neighborhoods for these undernourished children.

**IT TAKES A VILLAGE TO HELP AND WE ARE REACHING OUT TO OUR TEMPLE COMMUNITY TO MAKE OUR SOCIAL ACTION ENDEAVORS A SUCCESS. PLEASE BE INVOLVED AND HELP WITH ANY AND ALL CAUSES WE ARE UNDERTAKING TO MAKE A DIFFERENCE IN THE LIVES OF LESS FORTUNATE PEOPLE.**

**GET INVOLVED!**  
**PLEASE SUPPORT OUR CURRENT SOCIAL ACTION PHILANTHROPY**

**CLOTHING AND GEAR DRIVE**

**What?** Please donate your gently used clothing, shoes and children's items to local families in need. Spring is the perfect time to give unused items to children and families who go without basic provisions. Clothing sizes infant through youth 16 are requested.

**When? Save the Date:** From now until the week of May 18<sup>th</sup> please bring your items to TBA for collection. Our all-volunteer crew would greatly appreciate it if you would please sort and label clothing by bagging items of similar size and gender, and marking the bag/s with the information. No time? No worries. We are happy to sort and label.

**Who?** We are collecting for 200 local family members of 4 *Bridges* locations. Bridges is a family services organization with 10 locations in Palm Beach County who provide urgently needed support to local children and families. The Bridges will deliver items in Riviera Beach, Lake Park, Highlands Park and Pahokee.

## THE BRCA GENE MUTATION

Everyone faces a risk of cancer; however, some individuals may be at higher risk based on their family history and/or ethnic background. One in 40 individuals of Ashkenazi Jewish descent is a carrier of a BRCA mutation, increasing their risk of Hereditary Breast and Ovarian Cancer (HBOC) Syndrome. This means that individuals in the Jewish population are ten times more likely to carry these mutations than the general population.

*The Center For Jewish Genetics, Chicago* [www.jewishgenetics.org](http://www.jewishgenetics.org)

Our Temple member, **Amy Byer Shainman**, has been working on the below documentary for 2 years. (She is also in it, as she says, “for a minute or two.”) **The film has been nominated for Best Documentary at the Palm Beach International Film Festival.**

Pink & Blue: Colors of Hereditary Cancer picks up where Angelina Jolie left off. This Oscar-qualified feature length documentary takes us through the lives of women...and men dealing with genetic mutations (BRCA 1 and 2) and their related hereditary cancers. We meet the doctors and their patients who make the tough decisions on whether to have preventative surgeries or not. Director Alan M. Blassberg tells the story of how this disease ripped his family apart and what he must face as a BRCA 2 positive male.

# HaMakom News

Did you know that as part of an ongoing partnership between the two regions, HaMakom participates in the Palm Beach-Tzohar School Twinning program? The Tzohar region is located in the Galilee region of Israel, and is comprised of Tzfat, Hatzor Haglilit and Rosh Pina. Our classroom twinning program extends all the way from the Pre-K at The One School, to HaMakom's 6th grade classes.

Throughout the year our students learn alongside their partner classes; activities include exploring prayer together, comparing local habitats, and learning about the local Jewish communities through art, songs, and shared letters, cards, videos and packages.

Our participation in this program sparks a personal connection with Israel for our kids, and they feel that their "twins" are not pen-pals, but friends. One of the most exciting facets of this program is coming up this month, when our kids get to meet and talk with their new friends via a Skype conference. This year, we will also be visited by one of the Israeli twinning teachers who will teach in the 2nd grade class on April 17.

However, the fun isn't limited to Skype. On Friday, April 8th our final Family Shabbat Experience of the year is going Israeli. Our guest for the evening will be Palm Beach's Israeli *schlichta* (emissary) Bar Sananes, who will join us for a fun evening of Israeli activities, food, and music. We hope to see everyone there!

## Upcoming HaMakom Events

# THE ONE SCHOOL

Paula Deakter, Early Childhood Director

## *Is your Child Resourceful?*

**Resourcefulness**, the ability to meet challenges in a variety of ways, is a by-product of creative intelligence.

As children develop resourcefulness, they learn to trust their instincts and unique abilities. They acquire a positive attitude toward problem solving. Resourceful children mature into confident and industrious people. Just as important, they tap into the multitude of joys life has to offer.

If we raise children brave enough to be creative, we bestow a gift money can't buy.

So apply the following tips and seed your child's imagination. Enjoy the bloom, and may the harvest be unending. Welcome to Spring!

## **Some Tips for Encouraging Creativity**

- *Encourage curiosity and seeking answers.* One of the best ways parents can respond to a child's questions is by saying, "I don't know. How could we find the answer?"
- *Don't stifle and numb creativity with too many manufactured toys.* Resist buying kids every accessory marketed with the latest movie or cartoon character so resourcefulness will have room to grow. Dolls are nifty, but kids don't stretch their imagination when we supply every dress and play prop. Pre-assembled kits rob kids of chances to think on their own.
- *Encourage exploration*
- *Avoid shaming or embarrassing children who experiment through trial and error.* Don't say: "What in the WORLD were you thinking of?" Instead, offer support, "If that didn't work, try something else; you'll get it." Encourage reasonable risk taking that fuels creativity.
- *Show respect for creative effort.* Display children's stories or artwork on refrigerators and bulletin boards. Kids love to see their labors of love at their parents' workplaces, too.
- *Facilitate play; don't dictate it.* Kids get a big boost from parents' getting on the floor and really playing with them. During play follow your child's lead. Play should be a dance between you, not a concert with you as sole conductor.

**The Week of the Young Child™** is an annual celebration sponsored by the National Association for the Education of Young Children (NAEYC). The purpose of the Week of the Young Child™ is to focus public attention on the needs of young children and their families and to recognize the early childhood programs and services that meet those needs. The 2016 Week of the Young Child™ is **April 11-15** and the themes are as follows:

**Music Monday:** Through music, children develop math, language and literacy skills.

**Healthy Eating and Fitness Tuesday:** Our One Schoolers will learn about exercise and healthy eating as we celebrate with Taco Tuesday!

**Work Together Wednesday:** As we build together, we will explore math and science concepts, as well as social and literacy skills.

**Artsy Thursday:** We will develop creativity, social and fine motor skills with open-ended art projects.

**Family Friday:** We will celebrate the unique role that families play in our children's learning and development.

# THE ONE SCHOOL

**Paula Deakter, Early Childhood Director**

**Celebrating Passover:** One of the most important Mitzvot (*good deed*) that we may do at Passover is re-telling of the story. This is our history! In the Torah it says, “You shall tell your children on that day saying, ‘this is because what God did for *ME* when I came out of Egypt’ (Exodus 13:8).” The Passover story is told four times during the Seder. There are plenty of wonderful resources for telling the story, so the focus will be to make the story meaningful to your children. Read the story from a children’s book. Find a Haggadah (*the narrative of the story of the Exodus*) that is child-friendly. Tell the story with puppets or props. Make a special Passover food with your child. Please join us for our One School Passover Celebration on **Wednesday, April 20th at 9:00am**. We will have a Passover breakfast and sing Passover songs in our classrooms

## **Busch Wildlife Visits The One School**

The Busch Wildlife Sanctuary’s wildlife rescue and rehabilitation program provides comprehensive medical care to over 5,000 sick, injured, and orphaned wild animals each year. The ultimate goal of the Sanctuary’s rehabilitation efforts is to return recovered patients to their natural habitats so they can become an integral part of the environment once again. Busch Wildlife came to The One School in March and introduced us to several Florida rescued animals.

Our school donated paper towels, plastic bags and sanitizer to the shelter for the animals.

**APRIL 2, 2016**  
**B'NEI MITZVAH OF**  
**GABRIEL & DANIEL GORMEZANO**

Our pride is doubled as we announce that our sons, Gabriel and Daniel Gormezano, will be called to the Torah as B'nei Mitzvah on April 2<sup>nd</sup>, 2016.

Gabe is an 8<sup>th</sup> grade honor roll student in the Pre-Law Academy at Independence Middle School. He is a member of the Science, Engineering, Computer, Math and Enrichment Club and National Junior Honor Society. Gabe's interests are varied and include math, pizza, building computers, reality TV and of course Smash Bros.

Dan is in 7<sup>th</sup> grade. He is also an honor roll student in the Pre-Medical Academy at IMS. He is a member of the Science, Engineering, Computer, Math and Enrichment Club, is very artistic, creative with a love of drawing, and has a soft spot in his heart for furry animals. He will never turn down an opportunity to go fishing unless he is playing Smash Bros.

Their Mitzvah project was an opportunity to help US military families, relocated overseas, with a little "coupon love". The US base commissaries will accept US manufacturer coupons, but families have no way of getting them. Military Family Coupons project accepts current and expired coupons to help the soldiers and their families. Over the last year, Gabe and Dan, with a little help from their friends, were able to gather, sort and send almost \$7,000 in savings to our service men and women abroad.

We are so proud of Gabe and Dan for their journey to affirm their connection with Judaism and our traditions. As they approach this important milestone, we want to thank everyone who has helped develop their Jewish identities. Special thanks to Rabbi Alon for defining our place in a modern Jewish community. To Brett and Cantor Jessica, for their patience and leadership, as Gabe and Dan's view of Judaism is forever linked to you. Skype would not be the same without Sherrie Kesselman and Debbie Baseman. Finally, *Todah* to everyone who has been a part of their lives at TBA and for embracing them in the comfort and sense of family only a synagogue brings.

Dyann and Kyle Gormezano

**APRIL 9, 2016  
BAR MITZVAH OF  
NOAH PINCUS**

We joyfully announce that our son, Noah Alexander Pincus, will be called to the Torah as a Bar Mitzvah on April 9, 2016.

Noah is a 7th grade honor roll student in the Pre-finance academy at Duncan Middle School. Noah loves playing basketball. In his free time, he enjoys fishing, skim-boarding at the beach, hanging out with friends and playing more basketball!

Noah chose to do different Acts of Kindness for his Mitzvah project. He volunteers his time around the community helping and assisting charities and sport groups, like The Race for Life Leukemia & Lymphoma Society and PBGYAA-Baseball.

We are so proud of Noah and can't wait to celebrate his special day. Many thanks to Rabbi Alon, Brett Tancer, Cantor Jessica and all the teachers and staff at Temple Beth Am on preparing Noah for this day.

Carrie & Jonathan Pincus

**APRIL 16, 2016  
BAR MITZVAH OF  
ADAM CHERENSON**

It is with great pride and joy that we announce our son, Adam Cherenon, will be called to the Torah as a Bar Mitzvah on April 16, 2016.

Adam is a seventh grade honor roll student at Independence Middle School, where he is in the Pre-Medical Honors Academy and a member of the IMS news team. Adam also played intramural Ping Pong and was the IMS champion this season. Adam is an accomplished tennis player. He is a member of the junior team at Eastpointe Country Club and regularly competes in both USTA and recreational tournaments.

Adam's mitzvah project was to volunteer as a junior tennis coach. He helps coach younger students and older beginners. Adam aspires to be a coach in the future and to help bring the sport of tennis to kids who otherwise may not be able to afford access to coaches, lessons or facilities.

We would like to thank everyone who helped Adam prepare for his Bar Mitzvah, including Brett Tancer, Rabbi Alon, Cantor Jessica, Sherrie Kesselman and all of his religious school teachers. We would also like to thank Paula Deakter and his preschool teachers at The One School, where Adam began his Jewish Education.

Along with his sister, Alexandra, family and close friends, we look forward to celebrating his momentous occasion!

**APRIL 30, 2016  
BAR MITZVAH OF  
ETHAN LEVITT**

It is with great pride and joy as we announce that our son Ethan Henry will be called to the Torah as a Bar Mitzvah on April 30, 2016.

Ethan is a dedicated seventh grader, morning news anchor and member of the Pre-Law Academy at Independence Middle School. When not preparing for a trial, Ethan spends his time with the Performance Band at the School of Rock where he practices his guitar riffs, bass licks and drum solos. He also enjoys throwing the football around with his dad, wrestling with our dog Charli, playing tennis, hover boarding and gaming on the Xbox with his friends.

For Ethan's mitzvah project he is raising funds for the Rock School Scholarship Fund by designing, creating and selling packs of greeting cards.

The funds Ethan raises will be used to help low income children in our community attend the School of Rock, North Palm Beach with him.

We would like to thank Rabbi Alon, Brett Tancer, Cantor Jessica, and all of the teachers at Temple Beth Am for helping Ethan prepare for this special day.

We are very proud of Ethan for working so diligently and look forward to "rocking" this momentous occasion with all of our family, friends and congregants.

Bari and Randy Levitt
