June 12, 2023

July 1, 2023 begins our new year for the TBA Men's Club. We are finally returning to our normal schedule of activity, with many events again being hosted in our Temple.

Our efforts in 2023-24 will be focused on the full range of support for TBA activities and social activities which our Men's Club has always provided to our Members and the Congregation.

In the coming year we are planning several exciting events for our Men's Club Members and all TBA Congregants. In the planning stage is the return of our always popular Sunday breakfasts, including a Veterans Day and Sports breakfast; a possible visit to a Polo Match and/or an afternoon at the Racetrack; a dinner/movie night at the Temple; and many additional activities. We will also continue this summer with our ever-popular summer dinner programs.

Our dues are only \$40 a year. (First year Temple members, your dues are free.)

Please feel free to email TBAMensclub2@gmail.com with any questions, suggestions, or comments. More importantly, get involved with us. You will enjoy many new relationships with some fine gentlemen in our Congregation.

Annual Dues - \$40.00. Please send a check payable to TBA Men's Club in the enclosed envelope or bring it to the Temple Office. Or you may use the Men's Club VENMO Account at TBAMensclub2@gmail.com.
