# SOLIDARITY IN TIMES OF RACISM

by Rabbi Alon Levkovitz

On February 21, three weeks before a man murdered eight people in Atlanta, six of whom were Asian women, Bekkah Scharf, a Jewish Asian American woman, published an article in *Lilith Magazine* titled “Where are the Jews?” In response to a sharp rise in hate crimes against Asian American/Pacific Islanders (AAPI) in the Bay area, the community organized an interfaith vigil and solidarity rally in Oakland’s Chinatown. Bekkah immediately decided to attend. She called people and made several signs on which she wrote, “Asian Jews Say \_\_\_\_\_”. Bekkah intended to hand out the signs to her fellow Jews so they could fill in the blank for themselves, however:

*“After an Huichin-Ohlone land acknowledgment from a local indigenous leader, city council members and community leaders spoke about their work and visions for true public safety. Black community leaders voiced allyship and solidarity with the Asian community. There were several pastors present, a visibly Muslim speaker, and a sizable group of young Muslims holding signs in*

*solidarity. I was proud to show up for my AAPI community with other Asian Jews. I gladly spotted one Asian and Ashkenazi family from my synagogue at the event. However, a question kept crossing my mind: Where are the Jews?”*

We don’t have a Chinatown or Little Saigon in our back yard, but it doesn’t mean that we are free to be oblivious to racist and xenophobic incidents directed at AAPIs in our country. We, Jews, more than any other group in the world know what it is to be the object of hate, and therefore we must stand with any community that experiences racism. When it comes to anti-Asian hatred in the U.S., we, Jews, have a lot in common with them.

Racists typically punch down at their subjects of hate, as they perceive them as inferior, unintelligent, and lazy. But when it comes to the Jews, the punching is “up” since the Jews are perceived as being smarter than they are and as harder workers. The reason for hating us is that we use our skills and intelligence in a cunning and manipulative way to exploit and rob off the communities in which we live to benefit only ourselves and other Jews around the world. Members of the AAPI community, too, are perceived as smart (unless they are perceived as sex objects). They are all math geniuses who steal our kids’ places at the Ivy League schools. They, like the Jews, don’t benefit their communities in America.

When disagreeing with Israel’s actions, the anti-Semite holds all the Jews around the world accountable, and therefore all Jews deserve to be punished. The anti-Asian doesn’t bother to recognize the diversity within the AAPI community. For him they are all Chinese, even though many come from countries that are oppressed by China. And since China’s relationship with the U.S. is tense, and especially in the past year as China is blamed for COVID-19, all the Asians in America must pay.

During the Passover Seder we recite from the Haggadah, “In each and every generation, a person must see themselves as if they personally left Egypt.” It is not only a sentiment about our unbroken link to our oppressed ancestors, but also a reminder of our obligation to empathize and support anyone who stands today in the dark place that we stood in so many times before and extend our hands to pull them out.

Happy Passover.

*Rabbi Alon Levkovitz*

# A MESSAGE FROM THE PRESIDENT

by Lindsay Hirsch

We have now made it through the first full year of COVID-19. Our clergy have done a remarkable job pivoting to online services while keeping us connected to one another. They have thought outside the box. In collaboration with our clergy and the professional team, these individuals along with each of you have made us a congregation that so many want to be part of. In fact, **Temple Beth Am has been recognized as one of the top three Best Places to Worship in the 2021 Best of Palm Beach County Awards.** On April 15, 2021 we will find out if we have won the top place with this honor. We are the only synagogue in this category, and

that is monumental. It is something to be proud of. We have always been a place where innovation comes first. Our vision for the future doesn't take a back seat. We move forward based on our foundational strength. We are creative and dedicated to evolving.

David Brooks, a columnist for *The New York Times* and the author of *The Social Animal: The Hidden Sources of Love, Character, and Achievement*, discusses his theory on why the Jewish community is so creative. "The dominant theory about creativity is that it is the result of the blending of two different idea networks. That's how it works: Two networks crash, and out of the ensuing clashes, conflicts, congruences, you spin off new things. So creativity is very rarely inventing something new out of whole cloth; it's using two or more old things to create new combinations. The theory of why Jews are so accomplished has to do with them living in what one historian calls 'verges'—spots where different cultures come together, whether it's Jerusalem, Istanbul, Baghdad, or New York, places with

a lot of traders, a lot of coming and going, where ideas are clashing. And then as Jews we have our own experience of our minority culture clashing with whatever majority culture we're living in. That gives us the ideal space for new things to come in."

Our congregation is a prime example of David's theory. As the pandemic continues to evolve and safety measures change, how are we going to mark this time in our spiritual lives? For TBA, we are going to continue to be creative. The clergy, professionals, and members of the Board of Directors are going to flip some stories on their heads and keep others. We are going to try our best to deal with what's ahead with thoughtfulness. As you see new initiatives emerge, please tell us how you would like to be involved. I am hopeful that our creativity will lead us to new ideas and even more opportunities for new members to become engaged with the spiritual home we call Temple Beth Am.

*Lindsay Hirsch*

## Have you made your donation to the Spring Drive yet?

We are in the midst of our annual fundraiser, The Spring Drive, where we call our members and ask them to make a donation to our end of the year fundraiser. Our members asked us to make this a mail-in campaign instead, since phone calls are very annoying. We agreed. So, please get your donation in as soon as possible to AVOID GETTING THAT ANNOYING CALL! If you need a pledge form, email me at [debbiebase@aol.com](mailto:debbiebase@aol.com) and I'll get you one. Or, call us at the Temple (561.747.1109) and we can take care of your donation over the phone. **Help us make this fundraiser a success!** Your support is needed and greatly appreciated!

# SISTERHOOD SCOOP

by Lois Remick

Our Passover Seder refers to us being held in “bondage” in Egypt. The word “bondage” kept tugging at my inquisitive self, so I looked up its definitions and synonyms. Lo and behold I realized why this word now meant so much more to me.

Haven’t we all been held “captive”, “restrained”, and “in confinement” this past year? Ok...we were not slaves, but we were fearful of that which was powerful and mighty, that might indeed decide the length of our days. Our Moses was the pharmaceutical industry, and our “water crossing” was the vaccination. Yes, Passover 2021, was definitely more meaningful.

Sisterhood will have some meaningful events this month and we hope—no, we urge you, to join us because **on Tuesday, April 13, we will finally have an in-person event! Masks and social distancing will be the rule for our Bring Your Own Lunch and join us at Dubois Park in Jupiter at 12:30pm.** You might want to bring a beach chair because we are not guaranteed pavilion seating. Please email Carole Levine at [jptrcaro@comcast.net](mailto:jptrcaro@comcast.net) if you wish to attend. For those who are new to Dubois Park, take a left at the end of Indiantown Road East (at the Maltz Jupiter Theater site) and watch for a small sign on the

right for the park (there is a Circle K on the left side before you take that right).

Then, on **Sunday, April 18, at 7:00pm, we are happy to introduce Terryl Lawrence, Art History Professor at Florida Atlantic University in Jupiter, who will present “Israel’s Legacy in the Arts”.** This will be a Zoom presentation so please be on the lookout for Renee Weisman’s Sisterhood newsletter that will provide the Zoom address. *(see page 8 for details)*

Please save the date for **Sunday, May 2 at 7:00pm,** for another creative journey via Zoom. **Talia Carner, popular Book Club presenter, will explain how to “Take a Skeleton Out of Our Closet and Dance with It.”** Once again, look for the Zoom address in the Sisterhood newsletter emailed to you prior to that date. *(see page 8 for details)*

**We thank Debra Delson** for another very informative presentation given on March 9. The topic, “Which Diets Really Work”, was something that we all needed to hear because of the cacophony of marketers of fad diets. This sister has decided to put Debra’s information to good use (after I get rid of the Hershey Bar hidden in my freezer).

Our Sisterhood Shabbat on Friday, March 5 was both spiritually uplifting and educational. **Thank you Renee and Eileen** for reminding the congregation of the vitalness of Sisterhood. **Our thanks to Phyllis Levin and her daughter, Karen Asofsky,** for the beautiful candle blessing, and to **Hinda Morgan** for leading us in an inspirational prayer. Adding to this memorable Shabbat was **Gali Levkovitz’s** presentation regarding the recent Israeli Supreme Court’s decision on conversion to Judaism and its acceptance. Gali’s educational background and insight into Israeli politics gave us much to ponder regarding the political and religious questions in Israel today. *(If you were not able to attend, you can find the archive at [www.livestream.com/templebethamjupiter](http://www.livestream.com/templebethamjupiter).)*

It is that time of year that we remind Sisterhood members that, unlike many others, we do not pack up and head north! On the contrary, Zoom Coffee & Conversations will continue as well as special events. So please stay tuned to Renee’s Sisterhood email newsletters and this Scoop.

Happy Spring to all!

# MEN'S CLUB HAPPENINGS

by Mel Wolfe

Sunday, March 21 was the evening when the Men's Club invited the entire Congregation of TBA to attend, via Livestream, a wonderful evening of Jewish Music for all members young and old, presented by Palm Beach County's own PinkSlip Duo. TBA accommodated live attendees on first come, first serve basis. It was a full house and an entertaining evening. Many of us learned a great deal about Jewish music throughout the ages. Thus, a great big Thank You to TBA and to the PinkSlip Duo, previously recognized as the Best of Palm Beach County for its musical presentations.

Notwithstanding the pandemic, your Men's Club has continued to diligently pursue its schedule and goals that will help lead us back to the pre-pandemic lives that most of us drastically miss. We're also happy to report that the Men's Club has donated to the Temple funds to purchase a new \$3,500 ice machine. The old unit in the kitchen could not be repaired. For all future events at the Temple, an ice machine is a necessary part of our kitchen.

**Upcoming events in April include speaker Dr. Jim Reiffel on Wednesday, April 14 at 7:00pm via Zoom.** Jim has been a renowned cardiologist at New York Presbyterian Hospital and continues to serve as a faculty member at Columbia University. His talk will focus on "You and Your Medicines: What Every Patient Should Know." Jim and his wife Bonnie recently moved to Jupiter from New York and joined Temple Beth Am. We welcome them to our congregation. *(see page 6 for details)*

**On Wednesday, April 28 at 7:00pm, the Men's Club will sponsor our Yom Hashoah program this year. The event, titled "The Effects of the Holocaust on Children as 2nd-Generation Survivors", will be a panel discussion and features Gerard Lob, Chairman of the Speakers Bureau of Next Generations, Becky Stern, founder of Yes, You Can Dance!, and our own Dr. Jacob Tenenbaum.** *(See page 9 for details.)* We will again publish a list of those congregant members who have lost loved ones in the Holocaust or family members who survived the

Holocaust. If you would like to add a family member to this list, please send information to Jack Tenenbaum at [captjacob10@gmail.com](mailto:captjacob10@gmail.com) by Friday, April 23.

Your Men's Club Board has also decided to soon re-enter its schedule of activities provided that all COVID-19 safety protocols are in place and strictly followed. In the planning stages are outdoor lunch gatherings for members and guests as well as the renewal of our Summer Monthly Dinner events. Our first event will be Wednesday, May 19. We have arranged to use the large Pavilion at Ocean Cay Park (Marcinski Road and A1A) by the beach for a barbecue (hamburgers, hotdogs, etc.) early dinner cookout. Please save this date in your schedule.

I would be remiss if I did not conclude by thanking **Rabbis Alon and Brett together with Cantorial Soloist Marcy** for their presentation of the recent special Purim Services.

# THE ONE SCHOOL NEWS FOR APRIL

by Patty McCaulley, Early Childhood Director

## MORE THAN ONE KIND OF SMART

*"He has a low IQ."*

*"She's very bright."*

*"Will my child test for a gifted program?"*

Sometimes we tend to talk as though intelligence were a single commodity that people have in greater or lesser supply. Yet we see all around us adults and children who are very smart in math but not at all good with words, musically gifted but klutzy on the athletic field, and so on. Most of us, in fact, struggle with some tasks and sail through others.

Fortunately, educators are knowledgeable about the variety in individuals' "intelligences"—

the modes we use to interact with the world, thanks to the work of psychologist Howard Gardner. Seven of these intelligences are described by Gardner.

Children with a **musical** intelligence have a natural ear for melody, rhythm, and other musical elements; **spatially oriented** children enjoy reading maps and exploring how mechanical devices work. Other children are more at home using their **linguistic** aptitudes—telling stories, playing with words, and reciting tongue twisters. Strong **logical mathematical** intelligence shows up not only in math aptitude but in the enjoyment of games and problems requiring logic and reasoning. Children who learn best when they are moving and handling things rely on their **bodily kinesthetic**

intelligence. An affinity for the natural world and its creatures stands out in children with a **naturalistic** mode of intelligence. Finally, children who make friends easily and have plenty of "street smarts" are **interpersonal** naturals, while quiet thinkers and strong willed debaters shine in the more internal, reflective **intrapersonal** mode.

All of us have preferred modes of intellectual functioning. At the same time, we need to use each of the modes in one situation or another. Recognizing the various ways that children think and learn, The One School teachers help children in both to use their individual strengths and to become more adept in learning modes that are not their strong point.

# MISHPACHA FAMILY CENTER NEWS

## *Bar Mitzvah and Bat Mitzvah Announcements*

### **Bar Mitzvah of Noah Malloy (April 10, 2021)**

It is with much joy and pride that we announce the Bar Mitzvah of our son, Noah Breidenthal Malloy on Saturday, April 10, 2021 at Temple Beth Am.

Noah is a 6th grade honor student at Jupiter Middle School in the Technology program. Noah is a lover of all sports and especially loves playing flag football and basketball. He is happiest when he is near the water, whether fishing, on a boat, or exploring the beach. Noah especially lives for his summers at Camp Coleman which have strengthened his connection to Judaism. We are so very proud of Noah's accomplishments and character. Noah is a kind and empathetic friend, a loyal ally to his sister Dylan, and a loving companion to our dogs, Dixie and Jasper, and our cat, Rocky.

We look forward to celebrating Noah's Bar Mitzvah and sharing this milestone with our family and friends. We are especially thankful to Rabbi Alon Levkovitz, Rabbi Brett Tancer, and Cantorial Soloist Marcy Morris for helping Noah prepare for this special day.

Lisa & Marc Malloy

### **Bar Mitzvah of Enrique Vargas (April 10, 2021)**

The Vargas family is proud to announce the Bar Mitzvah of Enrique Leonardo Vargas at Temple Beth Am on Saturday, April 10. He has been studying diligently and should have a fabulous day.

Enrique is in the AMP (Advanced Math Program) at Jupiter Middle School. He is also active in the Boy Scouts of America. His true passion is for animals. He helps out with a local nonprofit organization, The Palm Beach Purrs. This unusual charity fosters kittens with local families until they are old enough to be adopted. Enrique assists by socializing the kittens that are fostered at a neighbor's house. To learn more, go to the Palm Beach Purrs' Facebook page and check out their link to an Amazon wishlist of needed items for those who want to donate.

In this unusual time, we are grateful to have this tradition to celebrate and keep us going. Thank you to Rabbi Brett Tancer and Cantorial Soloist Marcy Morris for teaching Enrique all of those wonderful prayers and tunes, and to Rabbi Alon Levkovitz for helping bring out what is special about every Bar Mitzvah student.

Ellen & Alberto Vargas

## *Bar Mitzvah and Bat Mitzvah Announcements*

### **Bar Mitzvah of Graham Gilbert (April 17, 2021)**

It is with great joy and pride that we announce the Bar Mitzvah of Graham Sachs Gilbert on Saturday, April 17, 2021 at Temple Beth Am.

Graham started at Temple Beth Am when he was 20 months old in the Gradual Separation class at what is now The One School. He is now a 7th grade honor student at Bak Middle School of the Arts, where he is a theater major. Graham loves all aspects of theater, from acting to improv, to singing, to the tech side, and his new interest, tap dance. When not tapping and/or singing around the house, Graham is listening to his favorite political podcasts and configuring his first car for the day he gets his license. As a food aficionado, Graham focused his Mitzvah project on helping to feed those in need. He has volunteered packing food at a local food bank, and organized his friends to source food, make sandwiches, and put together “to go” food bags for a local homeless shelter.

We would like to thank Rabbi Alon Levkovitz, Rabbi Brett Tancer, Cantorial Soloist Marcy Morris, Hebrew tutor Terri, all Graham’s teachers from pre-school to today, and Miss Audrey for all their help and guidance along the way.

Fran Sachs & Jon Gilbert

### **Bar Mitzvah of Evan Davis (April 24, 2021)**

It is with great pride and joy we announce that our son, Evan Matthew Davis, will be called to the Torah to become a Bar Mitzvah on April 24, 2021 at Temple Beth Am.

Evan is a 7th grade honor student at Jupiter Middle School where he excels socially and academically. His analytical mindset drove him toward the engineering program which he enjoys. He takes great pride in his education and has always been self-disciplined to complete his homework prior to playing with friends.

Evan is a very compassionate, respectful, and disciplined young man who will very soon complete his first degree blackbelt in Taekwondo. Other than martial arts, Evan enjoys playing lacrosse, golf, and, of course, gaming.

Thanks to everyone at Temple Beth Am who has supported Evan to achieve his Bar Mitzvah. A special thank you to Rabbi Alon Levkovitz, Rabbi Brett Tancer, and Cantorial Soloist Marcy Morris for their help preparing Evan for his Bar Mitzvah. Mazel Tov!

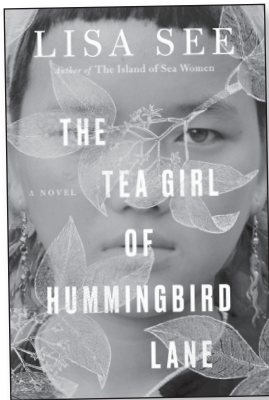

Jackie & Rob Davis

# BOOK CLUB

by Edie Wolf

Thanks to all of you who attended last month's Book Club. We had a wonderful discussion of Colum McCann's *Apeirogon* at our most recent meeting of Book Club.

**Our next meeting (via Zoom) will be on Monday, April 5 at 10:30am. At that time, we will discuss THE TEA GIRL OF HUMMINGBIRD LANE by Lisa See.**

*Li-yan and her family align their lives around the seasons and the farming of tea. There is ritual and routine, and it has been ever thus for generations. Then one day a jeep appears at the village gate—the first automobile any of them have seen—and a stranger arrives.*

*In this remote Yunnan village, the stranger finds the rare tea he has been seeking and a reticent Akha people. In her biggest seller, *Snow Flower and the Secret Fan*, See introduced the Yao people to her readers. Here she shares the customs of another Chinese ethnic minority, the Akha, whose world will soon change. Li-yan, one of the few educated girls on her mountain, translates for the stranger and is among the first to reject the rules that have shaped her existence. When she has a baby outside of wedlock, rather*

*than stand by tradition, she wraps her daughter in a blanket, with a tea cake hidden in her swaddling, and abandons her in the nearest city.*

*After mother and daughter have gone their separate ways, Li-yan slowly emerges from the security and insularity of her village to encounter modern life while Haley grows up a privileged and well-loved California girl. Despite Haley's happy home life, she wonders about her origins; and Li-yan longs for her lost daughter. They both search for and find answers in the tea that has shaped their family's destiny for generations.*

Please note that I will send out the Zoom link a week before the meeting. You can contact me at [ediewolf@gmail.com](mailto:ediewolf@gmail.com) or 443.223.9729 with any questions.
