# ISRAEL TURNS 70

by Rabbi Alon Levkovitz

I was born on Israel's 22nd Independence Day (*Yom HaAtzmaut*) and to this date my family still celebrates my birthday on this day and not on its common calendar date. To celebrate this special day Israelis used to decorate their streets and balconies with colorful lights weeks ahead, and even though I knew it had nothing to do with my own birthday I kept telling everyone that it is all done for me. The main reason for the annual excitement and celebratory spirit is that even after all these years of Israel's existence, most people still see it as a miracle.

This April, Israel will turn 70. Reflecting on those years I, too, still see its birth, existence and tremendous success as a miracle. Not a miracle that replaces intellect, hard work and grit, but a miracle that takes all these components and elevates them into something extraordinary.

At TBA we will be celebrating the occasion in the following months through a variety of intellectual,

cultural, and spiritual activities under the umbrella of "Israel at 70 Series".

**1. The History of Modern Israel: 1948-2018. (March 6, 13, and 20)** Last year I taught a class that focused on the Zionist movement in the years that lead to Israel's independence. This year we will pick it up again as we follow Israel's path after the Declaration of Independence on May 14, 1948.

**2. The Story of the Ethiopians in Israel. (March 10)** Israel's population growth is a consequence of waves of immigration from all over the world. Most of the first Jews arrived from Eastern Europe, but after the Arab states failed to annihilate Israel in the war of 1948 they expelled their remaining Jewish population. (Before 1948 there were 850,000 Jews in Arab countries, today there are less than 8,000.)

One of the last groups to arrive to Israel were the Jews from Ethiopia. In March we will host Nofar Getanech Desta and Susan Weijel, who will tell us the story of this remarkable community and about Yemin Orde Youth Village, which is instrumental in helping many young immigrants to emerge into the next generation of leaders.

**3. Israeli Movies.** For those of you who would like to get to know Israel better, we will do so through its growing movie industry.

**4. Israel Festival. (April 15)** A day celebrating Israel, its history and culture in honor of its 70th year of independence- as close as you can get to travelling to Israel without actually hopping on a plane! There will be many stations allowing visitors to experience the unique features and communities present in Israel (these include a sandy area with beach chairs, *matkot* (beach paddle ball), popsicles, and backgammon for people to experience the Tel Aviv beach; a miniature western wall people can put notes into that we will send to Israel in June, a spice tasting station *shuk*, an artisan market, to represent Jerusalem, etc.).

**5. Yom HaAtzmaut on the Beach. (April 20)** As we have been doing in the past 12 years, we will have our Friday Night Service at the beach at Marcinski Road and A1A followed by an Israeli dinner at the Anita Lankler Pavillion.

**6. Israel Trip.** A congregational trip to Israel, June 2018 – SOLD OUT! (Stay tuned for our next trip's dates and details.)

# A MESSAGE FROM THE PRESIDENT

by Bruce Cohen

Every year the One School Parent Teacher Organization (PTO) honors a well deserving member of the Temple at their **Annual Night Out Gala**. This year the PTO is honoring a wonderful person who, while her children attended The One School, volunteered countless hours helping with all types of events from book fairs, the garden project, and previous years' galas to serving on the Temple board. Today, even though her children have moved on to Limestone Creek Elementary School, **Kerrie Rhoades**, as a Temple Board Member and Vice President of Education, continues to work tirelessly alongside

The One School director Paula Deakter and the PTO. Kerrie's commitment to make and keep The One School an amazing environment that facilitates the development of self-confidence, initiative and positive self-image, as well as a feeling of belonging, love and respect makes her the obvious choice for this honor. **Please join Temple Beth Am for Dinner and Live Entertainment as we congratulate Kerrie Rhoades on Saturday, February 3, 2018 (6:30pm to 11:00pm) at the PTO Gala. Tickets can be purchased by contacting Stephanie Stankiewicz at TheOneSchoolGala@gmail.com.**

When Maureen, Brielle, Madison, and I joined Temple Beth Am a little over 10 years ago, we embraced Purim and some of our friends even called it the Cohen family holiday. We have always enjoyed the story of Purim and the festivities that come with it, from being in the Purim Spiel to watching it with my family and getting to boo when Haman's name

is mentioned. In addition to all the fun, you have the opportunity to help, join me, and volunteer at the Purim Carnival. To all our teens out there, community service hours are available. See below for details.

**If you would like to have more of a voice in the direction of our Temple, positions are open on the Board of Directors for the upcoming year.** Being part of the board is a rewarding volunteer opportunity and a great way to give back to the Temple community. There is still time to interview for a position. Please contact David Elias, Chair of the Nominating Committee, by email at [eflyer-1@comcast.net](mailto:eflyer-1@comcast.net).

Remember, for more information on these activities as well as all the other events, services, and programs at Temple Beth Am visit our website at [www.templebetham.com](http://www.templebetham.com).

Thank you,

*Bruce Cohen*

# SISTERHOOD SCOOP

by Lois Remick

"Miss Otis Regrets She's Unable to Lunch Today"...sounds like a member of Sisterhood canceling her Third Tuesday Sisterhood Lunch Out reservation...but it isn't. It is a dark comedic song that has me smiling long after listening. If you are a fan of Legends radio, you have heard the song, and, if not, just Google the title. Happy listening.

You do not want to "send your regrets" for the following:

**Tuesday, February 6, 1:00pm** at TBA, **Open Board Meeting** and all members are invited to attend.

**February 25, Purim Carnival** at TBA. Volunteers needed to help at the carnival. Please contact Amanda Feld at 561.747.1109 or [afeld@templebetham.com](mailto:afeld@templebetham.com) to volunteer...and thanks!

Another **Special Tuesday Event, March 20: Lunch at Le Metro at 11:45am and event at TBA at 2:00pm. Zentangle**, an art form that is both relaxing and easy for the layman, will be presented by Lesley Miller, a Certified Zentangle teacher. To learn more about Zentangle, go to [Zentangle.com](http://Zentangle.com). There will be a \$5 materials fee for the Zentangle presentation.

As always, you must reserve a seat for both the lunch and the event. For this event there will be a 20-member limit for both lunch and the event due to the needs of both. Please call Carole Levine at 561.339.3909 or email [jptrcaro@comcast.net](mailto:jptrcaro@comcast.net) to make your reservation. Reservations for all events and lunch are a necessity.

Add this date on your calendar:

**April 10 at 10:30am**, Sisterhood will be attending the **Isabelle de Borchgrave exhibition**: "Fashioning Art from Paper" shown at the Society of the Four Arts, Palm Beach. There will be a \$5 fee for this audio guided tour. Please see the March *Scribe* for further information.

Join me in welcoming **Brenda Kramer, Shelly Kissil, and Marsha Levinson** to our Sisterhood Board. We thank our longtime Sisterhood member, **Debbie Baseman**, for taking the position of Sisterhood Representative to the TBA Board. Thanks a bunch, Debbie. We also welcome TBA's new Manager of Design and Communications, **Carolyn Tierney**, and look forward to working with her.

## Norton Museum of Art

**Special Tuesday Event!**  
**Tuesday, February 13, at**  
**Norton Museum of Art**

*"The Sculpture of*  
*Gertrude Vanderbilt Whitney"*

We will see more than 40 sculptures and drawings that this well-known philanthropist, artist, and sculptor contributed to the American art scene.

**RSVP IS NECESSARY** to Carole Levine at 561.339.3909 or [jptrcaro@comcast.net](mailto:jptrcaro@comcast.net). You may wish to have lunch at Lynor's at 3301 S. Dixie Highway at noon before viewing the exhibit. Due to restrictions for the tour and at the restaurant, we can only accept the first 20 reservations for this day's events.

*On the third Tuesday of every month, the Sisterhood meets for lunch at a local restaurant. **Please join us on February 20 at 12:00pm for this month's Sisterhood Lunch Out at Waterway Cafe at 2300 PGA Blvd. in Palm Beach Gardens.***

RSVP to Carole Levine ([jptrcaro@comcast.net](mailto:jptrcaro@comcast.net) or 561.339.3909) by February 18 so that the restaurant assembles the correct amount of chairs and tables.

*There is NO restriction on amount of members who can attend, so come on out and meet women who are your sisters!*

*Each person pays for her own meal, but if February is your birthday month, it's Sisterhood's treat! (Just let Carole know when you RSVP.)*

# MEN'S CLUB HAPPENINGS

*by Harvey Silverman and Mel Wolfe*

HELLO TO ALL TBA CONGREGANTS: Your TBA Men's Club wishes each of you, your families and other loved ones a **HEALTHY AND SUCCESSFUL 2018 AND FOR ALL TIME THEREAFTER.**

On January 21 we held a Sunday breakfast question and answer program with Rabbi Alon and Bruce Cohen, the Temple President, serving as the responders to the many thoughtful questions presented from the floor by those attending. The questions were well presented and the answers certainly illuminating regarding the future of TBA and its programs as well as its service to our community. We thank all who attended and look forward to seeing you at future events along with other congregation members.

Men's Club has a calendar of events for this year that you should put on your SAVE THE DATE calendars. 2018 promises to be a year filled with other events among which will be participation in TBA's Purim Carnival and classes to teach interested congregants how to blow a shofar, as we would like to see

many of you participate in "Shofar Time" during the next High Holy Days season.

**March 17** brings the Men's Club annual **Mystery Progressive Dinner**, again ably coordinated by **David and Mary Elias**. The evening starts with wine & Hors d'Oeuvres at TBA, followed by dinner at a member host residence where you can meet and mingle with other congregants who you may or may not yet know, but with whom you will certainly enjoy a delightful meal with attention to any special dietary needs. Participants will then return to TBA for delicious desserts and beverages to share stories about the excellent dinners and to enhance their new or existing friendships.

We also will be participating in this year's **Yom Ha' Shoah Holocaust Memorial Service** and program as a reminder that "we must never forget". This program is scheduled for April 6. The TBA Men's Club will also actively participate by assisting in the preparation of TBA's annual **Passover Seder/Program on Friday, March 30**—that is an event not to be missed. Our Rabbi will lead the program and the **Seder dinner will be excellently prepared by TBA's own Chef Eric.**

**May 6, 2018 brings a Golf Tournament at Sandhill Crane Golf Club** on Northlake Blvd. This promises to be a fun-filled day that will include an Awards Buffet Luncheon in the newly built dining hall of the Club. If you do not golf, join the other participants

in the Buffet Luncheon following golf. There will be many prizes (some monetary, some for various accomplishments during the golf game), and each participant will receive a complimentary goody bag. The Committee for this event is planning a great day under the leadership of Men's Club member **Bob Hochman**. See the ad on page 23 in this *Scribe* for more details and submit your reservations early by calling Bob and providing him with your credit card information.

Again, following many years of the Men's Club's **Summer Dining Out Program**, Men's Club will hold its monthly dinners in various restaurants in our area. While joining other congregants, you and your "meaningful other" can order from the menu, and only pay for the dinner you order, as individual checks for what is ordered will be provided. There will be 50/50 raffles, often times complimentary dessert and coffee, but, most importantly the chance to spend an enjoyable dinner with fellow congregants and guests.

**WATCH YOUR MONTHLY SCRIBE FOR MORE DETAILS ON THESE AND OTHER UPCOMING EVENTS.**

# BOOK CLUB

by Edie Wolf

Thanks to everyone who attended our January Book Club. We had a wonderful discussion of Doris Kearns Goodwin's memoir, Wait Till Next Year.

Please join us for our next Book Club discussion on **Monday, February 5 at 10:30am** at the Temple. We will discuss:

**BEST PLACE ON EARTH** by Ayelet Tsabari – *These eleven spellbinding stories often focus on Israel's Mizrahi Jews, featuring mothers and children, soldiers and bohemians, lovers and best friends, all searching for their place in the world. In "Tikkun," a man crosses paths with his free-spirited ex-girlfriend—now a married Orthodox Jew—and minutes later barely escapes tragedy. In "Brit Milah," a mother travels from Israel to visit her daughter in Canada and is stunned by her grandson's upbringing. A young medic in the Israeli army bends the rules to a potentially dangerous consequence in "Casualties." After her mom passes away, a teenage girl comes to live with her aunt outside Tel Aviv and has her first experience with*

*unrequited love in "Say It Again, Say Something Else." And in the moving title story, two estranged sisters—one whose marriage is ending, the other whose relationship is just beginning—try to recapture the close bond they had as kids.*

As is our custom, we will meet after the discussion for lunch, this time at Seasons 52, 1161 Ellison Wilson Road, Palm Beach Gardens.

Please let me know if you will join us for the discussion and/or for lunch. You can email me at [ediewolf@gmail.com](mailto:ediewolf@gmail.com) or call me at 443.223.9729.

Looking forward to another interesting discussion!

**A Special Musical Shabbat Service**

**FEATURING A FULL BAND AND THE TALENTS OF OUR OWN JESSICA, MARCY, AND BRETT**

**Friday, February 9 at 7:00pm**

# THE ONE SCHOOL NEWS FOR FEBRUARY

by Paula Deakter, Early Childhood Director

## SUMMER CAMP AND FALL ENROLLMENT OPEN

Enrollment for Summer Camp 2018 and School Year 2018-2019 is now officially open! Registration forms are available in the school office.

It's hard to believe that we are talking about Summer Camp when we haven't ventured into spring, but in what will seem like an instant, it will be time for camp. At Summer Camp, we not only provide an environment of learning, but also one of exploration, interaction, socialization and just plain old fun! Each week, our themes are interwoven into activities that keep our campers busy all day, every day. Of course, we have water play and weekly trips to the bounce house too!

It's also time to commit to The One School for the fall as well. Spots are filled on a first-come, first-served basis, so please enroll now. If you enroll for Summer Camp too, the summer registration fee is waived. If your child will be in VPK this fall, you may apply for the voucher online **NOW** at [www.elcpalmbeach.org](http://www.elcpalmbeach.org).

Word of mouth is our best referral source, so if you know a family that might be looking for a quality learning environment for their preschool age child or children, please refer them to The One School. If they enroll, you will receive a \$50 credit once that family makes their first tuition payment.

## PURIM DRAMA UNFOLDS IN MARCH

Purim is one of the most joyous holidays on the Jewish calendar. But Purim also carries a very serious message; one of how a small and oppressed Jewish population, living in Persia approximately 2,500 years ago, found the courage and strength to overcome an evil enemy. It commemorates a time when the Jewish people living in Persia were saved from extermination.

Purim's primary commandment is to hear the reading of the Book of Esther (*commonly known as the Megillah, meaning scroll*). It is customary to whistle, boo, hiss, stamp our feet, and rattle graggers (*noisemakers*) whenever the name of Haman, the antagonist in the story, is mentioned during the service. The purpose of this custom is to block out his name. We are also commanded to eat, drink, and be merry.

There is also a much more human side to the celebration of Purim. We are commanded to send gifts of food or drink, and to make gifts to charity. It is traditional to send at least two portions of food, referred to as *mishloach manot*, also called *shalach manot* to a friend, as well as money to at least two poor people. Purim offers an excellent opportunity for children to learn the Jewish concepts of hospitality and *tzedakah* (*justice through an act of charity*).

**CHILDREN AND DRAMA:** Children are delighted with drama. Their fascination with pretending starts when toddlers younger than a year old try to mimic the world around them. Preschoolers love acting out stories they've invented or heard from others. Elementary school children continue acting out stories as in earlier years, but with greater detail and attention to rules than were used previously.

Dramatic play is essential for children's healthy development. While engaging in dramatic play activities, children learn to use language effectively and creatively while encountering different points of views. Their play often helps them look for solutions and make decisions, as they socialize, develop empathy, and exchange their ideas with the other players. These activities ultimately contribute to children's self-esteem and creativity. Dramatic activities may be useful in the development of oral communication skills, reading and writing as children's experiences enhance their ability to use language in various ways.

Purim offers many opportunities for children and families to act out a well-known and dramatic story. It is customary to hold carnival-like celebrations, perform plays and parodies, and hold beauty contests on this day. Read several Purim stories to your children. Create and hang decorations throughout your home, and make and wear costumes. Dress up as the Purim story characters and present the story.

Research confirms that the benefits of drama for children are many, but first and foremost it's fun to dramatize the story with your family. Purim offers opportunities for self-expression that is memorable for the entire family.

# A MESSAGE FROM THE ONE SCHOOL PTO

by Jessica Deakter, PTO Secretary

## WANT TO GET INVOLVED WITH YOUR PTO???

The One School Parent Teacher Organization (PTO) has a long history of being a successful team of wonderful volunteers. Through the fundraising efforts of the PTO, our students receive benefits that nurture their minds and bodies, such as weekly enrichments with My Gym and High Touch – High Tech, access to the beautiful school garden, and playground upgrades. The PTO also provides scholarships, funds classroom improvements, supports family and parent events, and coordinates teacher appreciation activities. Our organization is truly an

integral and crucial part of our school community, and a great way for parents and teachers to come together. It is also a great way to have fun and meet other moms of our school.

The amazing accomplishments of the PTO are a direct result of our parent and teacher volunteers. We know that our parent population is filled with incredible people who have valuable insights and skills. We are looking for new ideas and leadership, and to get more people involved in our PTO. We hope you will consider joining us.

The PTO Board has several open positions for the upcoming 2018-2019 school year.

If you are interested in joining The One School PTO, please email Natalie Montijo at [njmontijo@gmail.com](mailto:njmontijo@gmail.com).

# YOUTH GROUP NEWS

by Amanda Feld, Director of Youth Engagement

Winter Regional is an annual high school regional event hosted at the Orlando Airport Marriot over the week of winter vacation. Teens from across the southern tropical region congregate for a week of meaningful discussions, activities, programs, song sessions, social events, and more.

This year's Winter Regional theme was "Finding Your Voice", which allowed for an array of topics to be explored. Here are a few programs that our teens participated in:

Having been given a physical disability (blindness, amputated arm, etc.), each group completed a task that allowed the participants to understand the challenges faced by people who have these disabilities. The program's goal was to express how everyone has challenges, whether it is obvious or not to the public eye, and it is important to support and help other's with respect and kindness.

Environmental Injustice was another topic discussed at Winter Regional. Participants were split up into different groups that were given certain materials based on their groups wealth, race, and gender. When the program called

for a certain environmental impact to occur (hurricane, forest fire, etc.) these different groups had to choose what to give up in order to survive. The object of this simulation is to show that environmental injustice doesn't just affect trees, but disproportionately impacts marginalized communities, and we, as Jews and as human beings, have an obligation to stand up and correct it. Participants were then given the opportunity to call and lobby to their local congressmen and women the topic of moving the U.S. to 100% renewable energy by 2050 as well as giving jobs to those who might be affected by this transition.

A gentleman walks into the room dressed like he was picked up off the street corner at a nearby homeless shelter. The room goes silent, as all of the participants realize that HE is the speaker of this program. Shyly walking up to the microphone, he begins telling his story of poverty, abuse at home, addiction issues, and, though very smart, a lack of education. Minutes of disbelief go by, as his story and clothing begin to unravel. His strength and perseverance of being a good human being and raising awareness to these challenges has brought him into the position of being Executive Director of the National Coalition for the Homeless. Standing up straight, in the pressed suit he was wearing under his dingy clothing, Donald Whitehead prides himself in what he has done and has given these participants a deeply impactful way

of looking into their own voices to make a change.

These are only a sample of the programs that Winter Regional set up for our high school participants. What they encountered over that weekend was truly meaningful and I could tell that their connection to Judaism and the strength in their voices was stronger by the time they fell asleep on the bus ride home.

With dance parties, late night cookies, the annual talent show, and choosing who will be our next regional board members, this trip was filled with excitement and well thought out and rounded activities. I can't wait to see what NFTY-STR has in store for Spring Kallah, happening Friday, March 16–Sunday, March 18 in Plantation. Registration is open online at [southerntropical.nfty.org](http://southerntropical.nfty.org), so make sure your high schooler signs up for yet another regional event of a lifetime!

## Bar Mitzvah and Bat Mitzvah Announcements

### Bar Mitzvah of Alberto Vargas (February 17, 2018)

Of course, we are proud of Alberto for becoming a Bar Mitzvah at Temple Beth Am, but we are even more proud of the type of person Alberto is becoming. He is developing great character and integrity. He has a great sense of duty and knowing what is the right thing to do. He is definitely someone who you can count on to get the job done, all with a happy disposition.

Al Jr. participates in the pre-engineering program at Jupiter Middle School. If you have something that needs fixing or figuring out, he is the person to make it right even if he has to consult YouTube for the video. He really enjoys playing concerts and marching in parades while performing on trumpet in the JMS band under the leadership of Mr. Destito. Alberto is also becoming a very capable chef if you want to have a grilled burger or steak made just right or fettuccini alfredo made from scratch. He is also moving up the ranks in Boy Scouts as he earns merit badges in areas of horsemanship, sailing, robotics, and space exploration.

Al and I are so appreciative of all of the outstanding staff at Temple Beth Am such as Carol Sleeper, Danna, Alissa, Amanda, Cantor Jessica, and Rabbi Alon for being so supportive of Al Jr. in preparing him for his big day. We are especially so grateful to Brett for being able to bring out Alberto's voice and build his confidence for this milestone in his life. Brett has a way of working miracles with every student in a way you would never think possible. We look forward to seeing Al Jr. show off all of his hard work with pride in front of all of his friends, family, and those who care about him.

Ellen & Al Vargas

## ANNUAL NIGHT OUT GALA

The One School's Annual Night Out Gala is the PTO's largest fundraising event of the year and brings together hundreds of individuals connected to our community, the Temple, and The One School. All funds raised during this event directly support playground and classroom updates, the school garden, community events, programs for the students such as MyGym, High Tech High Touch, Body Science with Yael, and more. In order to continue to support these initiatives, the PTO hopes to raise \$30,000 this year.

This year's honoree is **Kerrie Rhoades**. Kerrie has been an integral part of our preschool. Not only has she volunteered her time as PTO president for two years, she now serves on the board for Temple Beth Am. Kerrie has been instrumental in the creation and maintenance of our beautiful garden, a place where our students love to spend time and explore the various vegetables and herbs. She continues to go out of her way to help whenever and wherever help is needed.

**Tickets are \$100 and can be reserved by contacting Gala Chair Stephanie Stankiewicz at [theoneschoolgala@gmail.com](mailto:theoneschoolgala@gmail.com) or 561.676.4504.**

# I'M SO EXCITED AND I JUST CAN'T HIDE IT \_\_\_\_

by Danna Cohen, Jewish Life Activities Director

It's kind of hard to be excited in February isn't it? In the beginning of summer everyone's looking forward to vacation, and at the end, going back to school. Come Fall we have a whirlwind of Jewish holidays followed by Thanksgiving, winter holidays, and more vacation. January brings a new year, and we are all excited about it's potential and motivated to accomplish resolutions. Spring is easy too, more holidays, more vacation, more metaphors of newness. But then there's February, this year especially: Tu B'Shvat falls the day before, and Purim starts the day after. There are no long breaks from work and school, and even here in Florida most people have had enough of chilly mornings. Are you excited yet?

As I sat down to write I felt the same way, at least I thought I did, but then I opened my calendar and realized it's not true. There's a beautiful thing about having a month with no major holidays. There's time to refocus, to do things we are otherwise too busy for, to plan, to create, to spend time. February may be a short month, but its gift is a celebration of the every day.

So what am I looking forward to this month? Spending more time with you. Whether there is an issue you want to discuss, a great idea you want to share, or just a quick visit to catch up, I am always happy to see you. These days I can be found in the main office, and it's kind of quiet in there so I invite you to come in anytime and say hi—both the door and the coffee bar are always open!

I am also looking forward to revisiting some of best kept secrets at the Temple, the things that happen every week and are easy to take for granted but that are really some of my favorite moments of the week: learning what Judaism says about contemporary issues with Rabbi Alon on Tuesday nights, Yoga with Yael Lawrence on Wednesdays, Lunch & Learn with Brett Tancer on Thursdays, and Shabbat Services on Friday nights. Whether it is the cocktail hour on the first Friday, the full band on the second, the dinner on the third, or guest author on the fourth, there is always something special going on, and by the time Rabbi Alon dims the lights and everyone closes their eyes and prays together, whether I am ready or not the calm just washes over and magically it is Shabbat.

What else am I excited for? Relaxing and having fun. February at Temple Beth Am is really all about that. The month kicks off with the **PTO Gala**, our most stylish night of the year with great music, open bar, and wonderful people, all to help support our One School. Then on Saturday, February 10, we are hosting a **Shabbaton** at MacArthur Park. Bring the whole family and unplug as we enjoy Shabbat with outdoor services, activities, nature trails, lunch, beach, kayaking, and plenty of time to just hang out with friends. And of course on February 25 is our annual **Purim Carnival**. It is always a fun afternoon with rides, games, costumes, and prizes!

So, yes, when I think about it I guess I am more than a little excited about February. I hope you can find something in February to be excited about and that you will join us for some of the amazing things happening at Temple Beth Am this month.

# HAMAKOM HAPPENINGS

by Alissa Frankel, Education Director

In 2008–2009, I lived in Chicago while working towards my Masters in Social Work. I did a fellowship at the Jewish Council on Urban Affairs teaching middle school students during Religious School about the Jewish response to poverty. It was such an impactful experience that I've decided to bring some of the components to HaMakom.

Through a generous service learning grant from the Commission for Jewish Education, we will implement a new program for our 3rd–5th graders that will highlight the Jewish values of food justice, Tzedakah, and community/taking care of one another.

On January 28, the 3rd–8th graders will go gleaning (vegetable picking) with CROS Ministries. This will start the conversation with our students about food being distributed to food banks throughout Palm Beach County to feed the hungry. Other projects throughout our school will include gardening and hosting a farmer's market, preparing and serving

meals for a local soup kitchen, and participating in the food stamps challenge.

Learning about food inequality in Palm Beach County and going out into the community with different projects will deepen student's understanding of the injustices around them and practical ways to combat them. Students will have the opportunity to reflect on how they served the community and what they can do to continue to make a difference and make others aware of what's happening in their community, even if they are not experiencing it themselves.
