# MAKING PEACE WITH 2020

*by Rabbi Alon Levkovitz*

I don't think that many of us feel sad saying farewell to 2020. Not often do we end a year having no doubt that it will be remembered for generations to come, and mostly for negative reasons. But 2020, albeit packed with disappointments and pain, wasn't a "lost year" as portrayed by most end-of-the-year accounts.

The opening paragraph of the Shulchan Aruch, the medieval manual for living Jewishly, begins with an instruction of how we must begin the day, "Be bold as a leopard and light as an eagle, swift as a deer and strong as a lion to carry out the will of your Father in heaven." In other words, every day contains myriad opportunities to serve God by doing mitzvot and improving the world, and we must seize them. We ought to take control over our days because if we don't, our days will take control over us. The initial shock of finding ourselves in a global pandemic caused us to lose control temporarily, but soon after, many took the reins back and achieved remarkable things to make our separation from 2020 more amicable. I would like to recount some of those.

Let's start with the obvious. COVID-19 is awful, but in the same year it attacked us, science,

technology, and human ingenuity managed to fight back by creating a vaccine that will eradicate it.

The pandemic hurt many of our friends and neighbors and we saw others around us suffer from death of loved ones, job loss, illness, and loneliness. But at the same time, so many people who had the means and opportunity to help have done so in extraordinary ways. For example, we have seen more financial generosity and generosity of the spirit than we have in past years. In the second quarter of 2020, after the pandemic hit, charitable donations around the country increased considerably. We saw the same attitude in our Temple Beth Am community. We raised more funds for organizations and individuals this year than in any year before and we constantly were overwhelmed by your generosity. "I don't need my stimulus check. Is there anyone in our congregation who could use it?" was a common question.

B'nei Mitzvah, weddings, graduations, baby namings, and all milestone celebrations have been cancelled or modified, and it was painful. And at the same time I saw how these imposed changes made people stop and re-prioritize what matters in their lives. Putting family and friends as a first priority over work and play, being creative and finding ways to celebrate or commemorate more meaningfully, focusing more on values, pausing to think, and bringing calm into our previously hectic lives, more people choosing to live more Jewishly and participating in a remote, yet meaningful way, in our synagogue's life.

I know that many of you suffer from an acute case of Zoom Fatigue. But think about it. In the beginning of March, very few knew what Zoom was, and now we are all experts in the many ways of communications available to us. The pandemic did not create the means that allow us to learn, worship, and participate remotely, but it accelerated the processes, simplified it, and forced all of us out of our technological comfort zone. I am a good example of this. For years, I was playing with the idea of sending short videos to the congregation on a regular basis. This year, I knew I had no choice. At TBA, we have seen growth in our Service participation on Shabbats, High Holy Days, classes, and even social gatherings.

The pandemic allowed us to be vulnerable and stop pretending that "everything is fine". We all were locked up at home, afraid of the unknown and the known, struggled to adjust, and we talked about it with others. It made our conversations and relationships more real and meaningful than in the past. We have been checking on friends and family more often, and were more willing to reach out for help.

This is my partial list that helped me make peace with 2020. You may want to make your own. It will make you feel a little more hopeful. As for 2021, I pray that we embrace the Shulchan Aruch's recommendation, and use every moment to serve God, each in our own way. I wish all of us a meaningful, and peaceful 2021.

# A MESSAGE FROM THE PRESIDENT

by Lindsay Hirsch

It is nearly 10 months into the pandemic and now we need to focus on how we engage with one another and individuals who have the potential to be part of our congregation. It is clear that in the current scenario, the vast majority of our congregation is watching Services online. So how can we possibly enhance such a meaningful experience? We can watch together in smaller groups virtually through Zoom and have Watch Parties.

In the next few weeks, each of you will receive an invitation from a member of the Board of Directors. We are going to invite you to a Watch Party via Zoom. It should be a really meaningful way to enjoy Services with friends as well as an opportunity to meet others in the congregation that you might not have ever had the chance to meet. I hope that many of you will consider participating in this experience. I also want to encourage you to host your own TBA Shabbat Watch Party via Zoom.

You can introduce TBA to friends or potential congregants in a similar manner as we would in person. It is a chance for you to be creative and think about who should get to know someone at TBA. If you have never hosted a Zoom Watch Party, know that it's easy and we can help you if you need it. Please take this opportunity to connect. We have seen that everyone needs help in some way during the current situation, so let's not forget that as we move through the pandemic and after, we want TBA to be strong, and strength is represented by the individuals who make up Temple Beth Am. Sometimes what individuals need the most is to be with other people. We all want TBA to emerge from this crisis positioned to be a strong congregation now and in our post-pandemic world.

Now let's invite new members of the community or ask a friend that you haven't seen in a while to join our Services from their home with you from yours. Community is defined in so many ways. In Judaism, the importance of the community (*kehilla*) is emphasized and explained by some that a Torah scholar is not allowed to live in a city that does not have these 10 things: a *beit din* (law court), a *tzedakah* fund, a synagogue, a *mikveh* (bath house), a bathroom, a doctor, a craftsman, a blood-letter, (some versions add a butcher), and a teacher of children. In other words, in order to be a suitable place to live, a community must provide for all of its members' spiritual and physical needs.

Specifically, Rabbi Jill Jacobs says that, "a synagogue offers a place for prayer, as well as for communal gatherings. Since at least the first century, much of Jewish life has focused around the synagogues. In addition to being places of prayer, synagogues are the site of lifecycle events celebrating births, weddings, and b'nei mitzvah (bar and bat mitzvah) celebrations. The communities that form around synagogues generally take care of the members of that community."

Pre-pandemic it was easier for congregants at TBA to prepare meals for those sitting *shiva*, visit those who are ill, and join in one another's lifecycle events. It isn't the same as sitting next to one another at Services or singing *Siman Tov*, *Mazel Tov* after a b'nei mitzvah, but, we can try and join together for these watch parties. I'll see you there!

*Lindsay Hirsch*

# Checking in at the halfway mark...

We have to be honest...we weren't sure how this would go. Shocking, right? Uncertainty in the midst of a pandemic. We were hopeful, optimistic even, but we tried to temper our expectations. And truthfully, we would have understood. This pandemic has affected everyone one way or another, whether a direct exposure to the virus, the loss of a loved one, financial or professional impact, a disruption of travel, plans, holidays, or school—no one was untouched. But we asked anyway, and you answered.

As you read this we are at the halfway mark of our fiscal year which began on July 1. Normally we wait until the annual meeting to look back at the accomplishments of the entire year, but this is a special occasion and we thought it warranted noting now. This congregation is incredible and together these are some of the things we've accomplished during the months of November and December:

\$5,969.24 donated  
to El Sol during the  
Thanksgiving Interfaith  
Service

125 Wish Cards fulfilled and  
an additional 30 kids worth  
of gift cards donated to  
Back to Basics

312 boxes  
bought in annual  
Hanukkah Latke  
Sale benefiting  
our educational  
programs

1000's of bagged  
meals made  
for St. George,  
plus over 100  
toiletry kits and  
Christmas dinner

We hope you are as amazed and proud as we are. Even with news of the vaccine getting closer every day we know that our local community is not without need, and are excited to bring you more opportunities to help and give back through the winter and spring! On behalf of all the recipient agencies we want to say thank you, and wish you and your families a safe, happy, and healthy 2021!

# SISTERHOOD SCOOP

by Lois Remick

About this time of year, newspapers publish the highlights of the past 12 months to give us an idea of how we spent the year. Sisterhood, in light of this custom, is also able to recap the year. However, unlike the newspapers and magazines, and, for just this once, we can recap in one word that explains our year. ZOOM!

So now onto 2021...finally.

**We have a special evening planned for Sisterhood members in lieu of our usual Membership Luncheon. On Sunday evening, January 10, at 7:00pm, please join us on Zoom as we present Sarah Aroeste in concert.** Sarah will sing Ladino songs and give a history of Ladino music. The Ladino language was spoken by the Jews who lived in Spain and is a mixture of Spanish with elements of Hebrew (as well as Aramaic, Arabic, Turkish, Greek, French, Bulgarian and Italian—the countries to which Jews fled from the Spanish Inquisition). Sarah has not only presented concerts, but has recorded four albums and authored a book for children. We look forward to her time with us on January 10.

While we will not have our yearly luncheon, we WILL have our **Annual Membership Meeting on Monday, January 25, at 7:00pm.** We will need to vote to approve a new paragraph for our by-laws and also to approve the recommended slate for the Sisterhood Board of Directors for the 2021/2023 term. Due to COVID-19, the following women have agreed to stay on should that be the membership's vote: Carole Levine, Debbie Baseman, Eileen Ogrin, Renee Weisman, and Barbara Rosman. Their Board term will start on March 1, 2021, and end on February 28, 2023.

We thank **Gali Levkovitz** for welcoming us into her kitchen on December 15 for a latke-fest. Who would have thought there were so many ways to enjoy our holiday latkes? While the purists amongst us may fry traditional potato latkes, we now have other enjoyable ways to serve these treats. Thanks a bunch, Gali.

**Please keep the evenings of Tuesday, February 9, and March 9 at 7:00pm, open for a special series that Sisterhood has arranged for our members.** Our programming chairwomen **Toby Morganstein** and **Marcy Brody** promise us an interesting and instructive series. Debra Delson, Clinical Nutritionist, will talk about the effectiveness of supplements on February 9. Stay tuned for this Zoom event, and the topic of her March 9 discussion.

While we all are hoping and praying for a COVID-less spring, we are still mindful of the immediate need to keep up our contact with each other. **Our Monday evening at 7:00pm and our Thursday morning at 10:30am Coffee & Conversation Zoom calls will continue this winter and spring.** If you have not as yet signed up for the Coffee & Conversation hour (see below for details), give yourself a treat this New Year and join us.

On behalf of your Sisterhood Board, I wish all our members and their families a healthy, happy, and safe New Year.

## **SISTERHOOD COFFEE & CONVERSATION** **Mondays, 7:00pm–8:00pm • Thursdays, 10:30am–11:30am**

Via Zoom. Contact Renee Weisman at [sisterhoodoftemplebetham@gmail.com](mailto:sisterhoodoftemplebetham@gmail.com) to be emailed the code to use to join the group.

*Monday January dates: 1/4, 1/11, and 1/18 (Annual Membership Meeting on 1/25)*  
*Thursday January dates: 1/7, 1/14, 1/21, and 1/28*

# MEN'S CLUB HAPPENINGS

by Jack Tenenbaum

Happy New Year! This is the second time in four months that we can wish each other a happy new year. There have been many changes since Rosh HaShanah. We can all take a minute to thank God that 2020 is over and that in 2021 we can begin to see the distant light at the end of a very long tunnel. The vaccines are being distributed and administered, and in time, we will all be inoculated. While there are still questions as to how long the immunity will last, it is a giant leap forward. I am looking forward to not having to wear a mask, although I know that is a long time in the future. There may be some people that prefer I keep wearing a mask, but that is their problem.

The year 2020 hasn't been all bad. Working from home, attending meetings on Zoom (pants optional), schooling the kids, and spending more time with family have been some of the positives. Well, maybe not completely positive. It does make you realize that teachers are underpaid, and inventing ways to get some alone time away from spouse and kids is an exercise in mental agility. As the saying goes, this too shall pass.

While some events are transitioning to in-person as well as still being online, such as limited attendance at Friday night Services, most activities remain online. Our Men's Club activities and events have been and will continue to be primarily online, but we have some in-person events as well.

**Twice a month, on the first and third Wednesday at 7:00pm, the Men's Club has its Members Social Hour via Zoom.** We have wide-ranging discussions, giving our members a chance to better know each other. *(See below for details.)*

**We have a informal morning leisurely walk at Riverbend Park in Jupiter on January 5 and January 19 from 10:00am-11:00am (weather-permitting and maintaining social distancing).**

We meet in the parking area on the left after entering the park. Please RSVP to Scott Reber at [scott.rebercpa@gmail.com](mailto:scott.rebercpa@gmail.com). Now that the temperature has dropped a bit, more of you will hopefully take advantage of this activity.

Our Speaker Series continues, via Zoom. On December 9, Ryan Duffy from U.S. Sugar Corporation spoke about the Florida sugar industry. It was very educational. **On January 13 at 7:00pm, Seth Honowitz will discuss the impact of the pandemic on the South Florida real estate market.** Please watch the Temple weekly e-mail for the Zoom link. *(See page 10 for details.)*

While the full return to in-person events and activities is some time in the future, we continue to offer our members and the entire TBA community events and activities as circumstances permit. We are constantly looking to improve our offerings. Therefore we continue to ask for your input and feedback on events and activities we hold, and those that we might hold.

Please continue to stay safe and stay well.

Feel free to call me at 240.687.4734 or email [TBAMensclub2@gmail.com](mailto:TBAMensclub2@gmail.com) with any questions, suggestions, or comments.

## MEN'S CLUB MEMBERS OPEN FORUM SOCIAL HOUR

**Wednesdays, January 6 and January 20 at 7:00pm**

For Men's Club members, via Zoom. We'll discuss items of interest and get to know other members better. Link will be provided to Men's Club members prior to January 6.

## Do you want to serve on our Board of Directors?

*What are the qualifications for being a Board Member?* You need to be a TBA member in good standing.

*What are the duties?* Attend monthly meetings, come to Services, work on a committee, usher during Services, give out B'nei Mitzvah gifts (except during the pandemic), vote on things like programs, contracts, committees, budgets, support, set strategies, and keep a watchful eye over the Temple.

*What is the election process?* 1) Let us know that you want to be considered to be on the Board of Directors. 2) Attend a 30-minute, confidential Nominating Committee interview. 3) If selected by the Nominating Committee and the Board, be balloted to the Congregation at the Annual Meeting. 4) Get elected, put on your official Board name tag, and start all that leading.

If you'd like to be considered for nomination (or if you have any questions), **please contact Bruce Cohen at 561.262.5598 or bcohen561@gmail.com.** Interviews will likely begin after the first of the year and close at the end of January. B'Shalom and thank you.

# YOUTH GROUP NEWS

*by Elana Beame, Youth Engagement Director*

We all have different parts of our jobs that we love and we also have parts of our jobs that are not written anywhere in a contract. One of the best and (in my opinion) most important parts of my job is to make sure everyone in the office is up to date on what silly national holiday it is every day!

Did you know that for practically every day of the year, there is some sort of a holiday or something we should celebrate? Some of them are more well known and serious, like Martin Luther King Jr. Day. And some of them are silly, like National French Fries Day, which falls on my birthday, July 13!

I am so committed to keeping everyone in the know that I have a calendar on my desk that tells me what every day's holiday is.

This month, January 4 is a very important national holiday for me...it's National Trivia Day!

I am a huge trivia nerd! I love bar trivia, general knowledge trivia, trivia game shows; you name it, I've played it!

Trivia is also a big part of my virtual Youth Group programs. Some of the most successful events of the year have been trivia based. The most popular theme I've done is Disney trivia. Our students love Kahoot

and simple competition games. This is also a really nice virtual program because it can be done individually, but is still enjoyed as a whole group.

Check out some of my other favorite holidays: National Pizza Day (February 9), National Grilled Cheese Sandwich Day (April 12), National Scavenger Hunt Day (May 24), National Donut Day (June 4), National Tell A Joke Day (August 16), and National Taco Day (October 4).

So on January 4, wherever you are, play a little trivia and think of me!

# THE ONE SCHOOL NEWS FOR JANUARY

by Patty McCaulley, Early Childhood Director

In a year of having a challenging dark side as 2020, words such as miracles, hope and light struck many of us as being emotionally significant to our hearts. During the holiday season of 2020, people of all faiths embraced the spirit of hope while lighting candles, displaying festive lights, and singing joyful songs.

The One School children participated in many Hanukkah activities and made special Hanukkah gifts for their families. How precious it is to see the joy of a holiday through the eyes of a child!

*"There always were two ways to live in a world that is often dark and full of tears. We can curse the darkness, or we can light a light, and as the Chassidim say, a little light drives out much darkness. May we all light up the World." Rabbi Jonathan Sacks z"l*

Best wishes for a Happy New Year and much happiness in 2021!

Happy New Year to all of our TOS and TBA families! December was a fantastic month for celebrating and fundraising. Our Annual Latke Sale was a giant success, so thank you to everyone who pre-ordered and “drove thru” our outdoor sale. We sold more cases than ever!

The PTO had a special treat for the teachers as an end-of-year holiday delight. Each teacher got a customized bundle of lovies

from “Sweet Loaf Challah”. A special thank you to Sweet Loaf for working so hard to make that happen.

This January we are asking all of our TOS families to participate in TBA’s **Mitzvah of the Month Book Drive**. (See page 15 for all the info.)

Check out our private Facebook group: “The One School at Temple Beth Am PTO”.

# MITZVAH OF THE MONTH: BOOK DRIVE

Let's start off the new year with a mitzvah for kids! We'll be collecting new and gently used books (everything from preschool to high school chapter books) during the month of January. All donations will be distributed to Palm Beach County schools. It's a great way to make space on your bookshelves and pass along books that your children have enjoyed and outgrown.

**How you can participate:** Drop off your book donations in the indicated bin under the TBA portico during business hours. General collection will run from Tuesday, January 5 to Friday, January 22. (TOS families, feel free to drop off books during your carpool lines. Religious School families can drop off donations during school through Sunday, January 24.)

**Thank you in advance for participating in this educational mitzvah!**

## BOOK CLUB

*by Edie Wolfe*

On Monday, December 7, the Book Club met via Zoom for a dynamic presentation of *The Third Daughter* by author Talia Carner. She explained how she researches and creates her books, and there was also an opportunity for participants to ask questions and offer comments. Thanks to Toby Morganstein and Marcy Brody for setting this up.

**Our next meeting will be via Zoom at 10:30am on Monday, January 4 when we will discuss THE SILENT PATIENT by Alex Michaelides:**

*Alicia Berenson's life is seemingly perfect. A famous painter married to an in-demand fashion photographer, she lives in a grand house in one of*

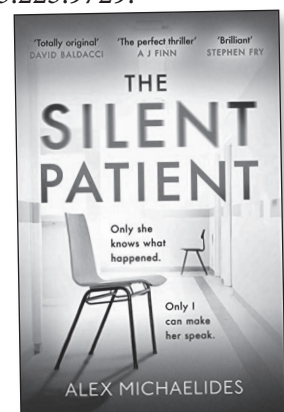

*London's most desirable areas. One evening her husband Gabriel returns home late from a fashion shoot, and Alicia shoots him five times in the face, and then never speaks another word.*

*Alicia's refusal to talk, or give any kind of explanation, turns a domestic tragedy into something far grander, a mystery that captures the public imagination and casts Alicia into notoriety. The price of her art skyrockets, and she, the silent patient, is hidden away from the tabloids and spotlight at the Grove, a secure forensic unit in North London.*

*Theo Faber is a criminal psychotherapist who has waited a long time for the opportunity to work with Alicia. His determination to get*

*her to talk and unravel the mystery of why she shot her husband takes him down a twisting path into his own motivations—a search for the truth that threatens to consume him.*

I will send out the Zoom link a week prior to the meeting. Please RSVP to me at [ediewolf@gmail.com](mailto:ediewolf@gmail.com) or 443.223.9729.

## *Bar Mitzvah and Bat Mitzvah Announcements*

### **Bar Mitzvah of Harris Glickman (January 9, 2021)**

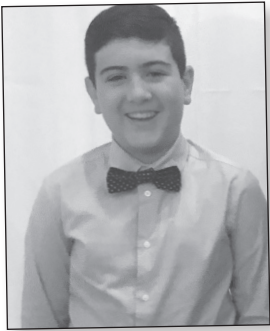

It is with great pride and joy we announce that our son, Harris Simon Glickman, will be called to the Torah to become a Bar Mitzvah on January 9, 2021 at Temple Beth Am.

Harris attends Jupiter Middle School, where he satisfies his inquisitive nature and excels academically. He is keenly interested in learning and takes great pride in participating in the Technology Academy.

Harris is a caring and compassionate young man who is willing to try new things. Whether a new food or sport, he likes to experience different things, although clearly happy with fan favorites of basketball, golf, gaming, and spending time with his older brother! Harris has shown over the past year his innate ability to adapt to different circumstances including a pandemic and multiple changes to preparing for this day.

We would like to thank Rabbi Alon Levkovitz, Rabbi Brett Tancer, and Cantorial Soloist Marcy Morris for preparing Harris for his Bar Mitzvah.

David & Rachel Glickman

### **Bar Mitzvah of Dylan Freishtat (January 9, 2021)**

It is with such love and happiness we announce that our son, Dylan Owen Freishtat, will be called to the Torah and become a Bar Mitzvah on January 9, 2021 at Temple Beth Am.

Dylan is a seventh grade student at The Weiss School and enjoys STEM-related classes and activities. He is also a member of the National Junior Honor Society. He loves to swim, hang out with his friends, and play video games. Dylan is a very sweet, smart boy who will, without a doubt, succeed in whatever path he decides to take. May his life be as sweet to him as he is to all who know him.

From the Temple we would like to thank Rabbi Brett Tancer and Rabbi Alon Levkovitz for their help. We want to give special thanks to Cantorial Soloist Marcy Morris for the extra help she gave, including flexibility. She helped Dylan to enjoy the process, which made it enjoyable for him.

Ethan & Erica Freishtat

## *Bar Mitzvah and Bat Mitzvah Announcements*

### **Bat Mitzvah of Daphne Rogers (January 16, 2021)**

We proudly announce the Bat Mitzvah of Daphne Rogers on Saturday, January 16, 2021 at Temple Beth Am.

Daphne is a seventh grader at Meyer Prep IB Program where she is able to indulge her love of Math, Science and Hebrew. She continues to amaze us with her curiosity and determination. She exhibits her grace and athleticism on aerial silks (30 feet off the ground), her intellect in her excellerated Math Club, and her desire to always learn more and push herself further.

We couldn't be prouder of her resolve in her religious studies, despite the challenges of celebrating a milestone during a pandemic, and doing so with optimism and focus.

While many of our family members can't travel to be with us, we know they share our same pride and admiration as Daphne is called to the Torah.

With love, Jason, Sarah, & Madeleine Rogers

### **Bar Mitzvah of Connor Andersen (January 30, 2021)**

With much pride and joy we are happy to announce that our son, Connor Phillip Andersen, will be called to the Torah to become a Bar Mitzvah on January 30, 2021. What makes this date even more special is that it is on his 13th birthday!!

Connor is a seventh grade student at Jupiter Middle School in the Technology program. Connor's favorite thing to do is spend time connecting with his friends after school on the Xbox. He has a passion for space and science and hopes to some day have a career in either of these fields.

We would like to thank everyone who has supported Connor, but especially Rabbi Alon Levkovitz, Rabbi Brett Tancer, and Cantorial Soloist Marcy Morris. Connor has done very well with his studies and we are all looking forward to this special day.
