# THE FEELINGS OF THE JEWISH COMMUNITY

by Rabbi Alon Levkovitz

Four years ago, Sarah Halimi, a retired French doctor and schoolteacher, was brutally beaten and thrown out of her apartment's window in Paris by her neighbor. All the medical team could do was to declare her dead.

Halimi was the only Jewish resident in her building, and the assailant shouted "Allahu Akbar" during the attack and afterward declared "I killed the Satan," and yet, for several months, the authorities and some of the media outlets refused to label the killing as antisemitic. Only as a result of strong criticism from public figures including President Macron did the government eventually acknowledge an antisemitic motivation for the killing.

But the shock came when the court declared the assailant to be not criminally responsible, ruling that, "He was undergoing a psychotic episode due to cannabis consumption." Yes, you got it right. The killer was not mentally ill (as most of us would agree that someone whose judgment is impaired by insanity is not legally responsible for their actions) but was a jihadist who used marijuana to summon up the courage to carry out a terrorist act. And because he was high, the court decided he was not responsible for his actions. The decision was appealed to the Supreme Court, who recently upheld the lower court's ruling.

President Macron, who was personally appalled by the judges' decision, promised to change the French law to prevent such absurd rulings in the future, and perhaps even call it the "Sarah Halimi Law". Yet, I cannot help but wonder, what if Sarah Halimi was not a Jewish woman? Would the courts have reached the same decision? Of course, I cannot be certain, but it is revealing that even those in France

who understand that justice was not done still talk about "the feelings of the Jewish community," as if it is a Jewish problem rather than relevant to the whole French nation.

Let me leave you with a final thought, as you process this story: Recently in France, a man threw his dog from a fourth floor window and was sentenced to a year in prison. The man who murdered a Jewish woman will face no consequences.

Rabbi Hon Levkovitz

# A MESSAGE FROM THE PRESIDENT

by Lindsay Hirsch

Time passes more quickly than any of us realize. It is almost four years ago to the day when my children stepped foot in The One School for their first day of camp at our preschool. On May 26, they graduated with their classmates (in full cap and gown—cuteness overload) surrounded by their family, friends, and Temple family. It feels as though they should still be in the "baby" class. Yet, here we are getting ready to begin a new journey with Temple Beth Am. In the fall they will begin at HaMakom for Religious School. It marks a point at which investing in their education is a choice.

As President, I am proud that my children will be part of HaMakom and hope that the incoming class of Kindergarten students will be filled with both families from The One School and far beyond. As my children transition to another new normal in a year of pivoting, I know they will be thrilled to run through the doors and begin a continuation of their Jewish education. Each congregant at our synagogue has a voice to speak on behalf of the wonderful programs and educational opportunities at TBA. Join me this summer in promoting the educational environment we nourish and the future that it is guiding. Tell your family and neighbors why Jewish education is a priority now, despite the fact that this is a time of year when many of us take a break.

As the summer has arrived and we go in a variety of directions for vacations, new schools, new phases of our lives, and new adventures, I know that Temple Beth Am will continue to move forward. The members of the Board, our professional team, clergy, and

volunteers have begun preparing for the High Holy Days, which will be here in the blink of an eye. Next year will provide new opportunities for each of us to engage with Temple Beth Am activities and services. Be on the lookout in your inbox and mailbox about all of the exciting things coming next year! (Also in your mailboxes in a few days will be your VFC cards to renew your membership for the 2021-2022 fiscal year, which begins July 1—please return these at your earliest convenience.)

Please stay in touch throughout the summer and don't hesitate to reach out if you need support. There is something magical about summer. Seeing it through the eyes of each of you makes our congregation that much stronger. Join us at Shabbat Services and share your summer adventures with us.

I hope all of you have a wonderful few months. Enjoy the long summer days and extended hours of light.

### GOING UP NORTH FOR THE SUMMER MONTHS?

Please give the office a call and let us know when you are planning on leaving and when you plan to come back. We would also like your up north address and phone number so we can keep in touch.

For the most up-to-date information on events and programming, please check your Tuesday email and the Status Update page on our website: www.templebetham.com/statusupdate

# A MESSAGE FROM THE PAST-PRESIDENT

### by Bruce Cohen

It is my honor this month to again be writing an article for *The Scribe* on behalf of the Temple Board of Directors. Over the past 16 months while we all have been going through the COVID-19 pandemic, the Board of Directors has been busy meeting over Zoom to help do our part to keep the Temple running smoothly. Some of you have asked us what that entails, and we thought it would be a great idea to let you know.

First, last February/March 2020 when I was still Temple President, we mobilized to do things as silly as talking to Rabbi Alon about cutting his well-deserved sabbatical short and coming home from Europe. Realize that he had just started his sabbatical at the end of February and only had been gone two weeks at that point. Believe it or not, as a Temple president at the time and not an expert on COVID-19, I spoke to board members to get their opinions before making the decision. I think Rabbi, Gali, and the family made a wise choice in consultation with your board.

We, as a Board of Directors, have set up committees to ensure strict policies and procedures throughout the Temple that we have adhered to during this crisis which have paid off by keeping our congregants, students, staff, and clergy safe and healthy.

Our Finance Committee has been meeting throughout this time even more than usual to make sure we are financially sound, and to make sure we didn't have to lay off any Temple staff, as well as cutting costs where we had to. Keep in mind it was very important to keep certain services, programs, Shabbat Services, B'nei Mitzvahs, etc. on track, and sometimes we had to think outside the box to make it happen.

Our Security Committee, Nominating Committee, and others have been meeting on an as-needed basis to make sure we are following our bylaws.

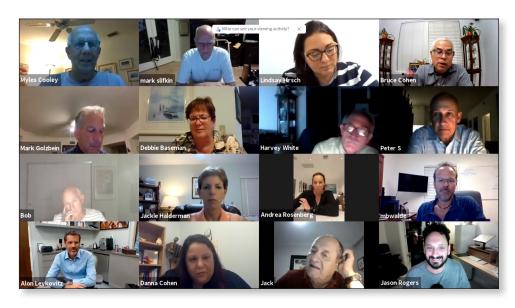

As far as the Board of Directors and Executive Committee, each meet on a monthly basis and some months even more. The Board of Directors works with Rabbi and our Executive Director Danna Cohen to ensure they have everything needed to run the Temple smoothly, and we can continue well into the future.

I want to thank **Temple President Lindsay Hirsch** for her leadership
and to all the other 16 board
members and parliamentarian for
their hard work especially during
this unusual year. Our board, clergy,
and staff have risen to the many
challenges over this past year.

Thank you and happy summer.

new recreational opportunity.

"June Is Bustin' Out All Over," says
the happiest of "Carousel's" songs,
and that is just what Sisterhood
intends for its membership. We will
have REAL face-to-face get-togethers,
educational talks on Zoom, and a

continuation of the summer summer

We are resuming...drum roll please... our third Tuesday Lunch Outs! We will be lunching on Tuesday, June 15 at noon at The Farmer's Table at the North Palm Beach Country Club on US Route 1 in North Palm Beach. You must call or email Carole Levine at 561.339.3909 or jptrcaro@comcast. net to make your reservation. As in the past, if you celebrate your birthday in June, lunch is your gift from Sisterhood....enjoy. (We will be eating either outside or in an area that is open to the patio.)

Our speaker on June 8 at 7:00pm via Zoom is Lanelle Meidan, whose presentation is entitled "Going Red: A Movement for Women's Health." We will send you the Zoom link a week or so before the presentation.

The recreational experience that we will be starting beginning June 22 at 9:00am is "Walking the Beach." We will be meeting on the **fourth** Tuesday of each month in front of the Lazy Loggerhead Cafe and proceed down to the water's edge for a fun walk toward the only motel that is on the beach side. So, if you miss the 9:00am start, you can always catch up with us. I suggest wearing swim shoes so you do not get your good sneakers wet. After the walk, we will go to brunch, on a dutch treat basis. My suggestion is the Juno Beach Cafe as there are plenty of outside tables. Please call or email Lois Remick to join the walk at 561.691.0275 or lorem55400@gmail.com. We will be

continuing the walk throughout the summer months, and, if a "winner event," into the Fall and Winter (the only thing stopping us is rain).

Very important news. Please check your mailbox in June for your Sisterhood Membership renewal letter. This past Covid year, we had many new members and renewed members. Our programming kept Sisterhood members in touch with each other and many members commented on how happy they were about the programs and events. Your membership is integral to the success of Sisterhood in the lives of our members and that of our Temple.

July will see us lunching at Seasons 52 on Tuesday, July 20 at noon. Please call or email Carole Levine to make your reservation. If you have never been to Seasons 52, it is on 11611 Ellison Wilson Road in Palm Beach Gardens, off of PGA Blvd.

There will be no Sisterhood Board Meeting in July, nor any specific Zoom programming. There will be a **Walk on the Beach on Tuesday, July 27**, so please contact Lois to affirm attendance.

As for August, and you will receive an August *Scribe*, we have a special Zoom treat called "If Knishes Could Talk" hosted by our Board Member, Marcy Brody. This movie discusses how New Yorkers acquired their distinctive accent. This Zoom feature will be presented on Tuesday, August 16 at 7:00pm. Marcy will send out the Zoom address a week or two prior to the presentation. (I do not know about you, but my husband and I will be eating knishes during the presentation!)

The Board would like to thank

Gali Levkovitz for hosting the May
Board meeting and preparing an
outstanding lunch. Really, Gali, you
spoil us...and we love you for it!

A few reminders: Please turn in your filled Tzedakah cans as the money goes to support camp scholarships for the children of Temple Beth Am members, and yes, camp is open this summer. For those members who have been attending either the Monday night or Thursday morning Zoom Coffee hours, we will be taking a hiatus from both for the summer months. However, here's an idea! If you enjoyed chatting with a Sisterhood member, invite her to have coffee. Remember, that is how we interacted before Covid.

Have a safe and happy summer!

Sisterhood members enjoy lunch together on May 5 in DuBois Park.

# MEN'S CLUB HAPPENINGS

by Jack Tenenbaum

Because the situation is fluid, we adapt. We are now holding some events in-person, while others, particularly those that may have a demand for attendance, are Livestreamed or held via Zoom. We request that those attending in person events have completed the COVID-19 vaccination protocol.

On April 28, the Men's Club, in collaboration with Next Generations, sponsored our annual Holocaust Memorial **Program** via Livestream and on Facebook. The event focused on the impact of the Holocaust on 2nd and 3rd generations. It was an extremely important and informative program. Over 600 people viewed this program via Livestream and on Facebook. If you missed it, you can view the recording at www.livestream.com/ templebethamjupiter (scroll down to Past Events).

Our Men's Club Members Social Hour via Zoom is going on hiatus for the summer. We will start that activity again in the fall.

On Wednesday, May 12 we held our first in-person Membership Meeting in over a year, at Carmine's Restaurant on Military Trail at 5:00pm. At that meeting, elections for three Board members were held.

The Board of Directors of the Men's Club, effective July 1, 2021 are:

Bob Hochman
Barry Ogrin
Scott Reber
Harvey Silverman
Jack Tenenbaum
John Weisman
Mel Wolfe

On Wednesday, May 19, from 5:00pm to 7:00pm, the Men's Club sponsored a picnic at the Large Pavilion, Ocean Cay Park (Marcinski Road and A1A). About 50 people attended this fun event.

In June, we restart our monthly Summer Dining events, open to the entire congregation, at outdoor venues and request that only fully vaccinated persons attend. This month's event will take place on the outdoor patio of The Cooper Restaurant on June 22 at 6:00pm (see below for details). We will continue our Summer Dining events in July and August. Watch your TBA weekly emails for more information.

We appreciate your feedback. Your comments and suggestions are always welcome. Please email them to the Men's Club at tbamensclub2@gmail.com.

# "SUMMER DINNER OUT" sponsored by TBA Men's Club Tuesday, June 22 at 6:00pm

Please RSVP to tbamensclub2@gmail.com so we can reserve a seat for you at the dinner tables. Separate checks; pay only for what you order. The event is open to the entire congregation and Men's Club requests that only fully vaccinated persons attend. Please note this event is limited to 30 persons due to space restrictions.

The Cooper Restaurant is located at 4610 PGA Boulevard, Suite 100 in Palm Beach Gardens.

# HAMAKOM HAPPENINGS

### by Alissa Frankel, Education Director

Every year the 6th grade students host a Tzedakah Fair. Their teacher, Ms. Emily, guides the students through activities to define and reflect on why we give tzedakah, and leads discussions about prioritizing different issues. Then students choose which organizations they would like to research and collect tzedakah for, based on what they have learned. Each student presents their organization to the rest of the school and then students can choose which organizations they would like to give their own tzedakah money to. They researched and created PowerPoint presentations that included the organization's mission statement, ways to donate or volunteer, and why they chose this cause. This year looked a little different (as students presented virtually), so to share a little of their hard work, I summarized each of the organizations they chose and why they chose them.

**Hughie and Selma Black Foundation:** Ryann chose this foundation because it is run by her summer home, Pine Forest Sleepaway Camp. She wrote "I love camp and I want all kids to have the amazing camp experience that I am fortunate enough to have." *For more information: pineforestcamp.com* 

**Feeding America:** Ariela chose this organization because, "In the wake of the COVID-19 pandemic, unemployment and food insecurity soared. More than 42 million people may face hunger...people need help, and we are the people who can help them." *For more information: feedingamerica.org* 

**Red Panda Network:** Madeline chose this organization because red pandas are endangered due to habitat loss, illegal pet trade, and poaching. Red Panda Network is committed to the conservation of wild red pandas and their habitat through education and empowerment of local communities. *For more information: redpandanetwork.org* 

**World Resources Institute:** Jesse chose this organization because the World Resources Institute works on six goals that the world must achieve this decade in order to secure a sustainable future—climate, energy, food, forests, water, cities, and transport. *For more information: www.wri.org* 

**St. Jude Children's Hospital:** Sydney chose this organization because, "It's important for every child to have the opportunity to live like a kid and have as much fun as possible and spreading awareness of how to help is one of the ways that can help impact these children." *For more information: stjude.com* 

**American Cancer Society:** Sarah chose this organization because cancer has affected her family a few times and she wants to help get rid of cancer. American Cancer Society is a nationwide voluntary health organization dedicated to eliminating cancer. *For more information: cancer.org* 

**The Pet Cottage:** Aden chose this organization because he loves animals and likes helping them. He feels good when he knows he can help an animal's life through adoption. The Pet Cottage provides lifelong care through sanctuary residency or forever guardianship. *For more information: thepetcottage.org* 

**Palm Beach County Food Bank:** Ryan chose this organization because the food banks help alleviate hunger in Palm Beach County by providing residents in need with food, and we should all be treated with compassion and kindness during difficult times. *For more information: pbcfoodbank.org* 

**Friends of the Earth:** Dara chose this organization because more people need to help keep our environment clean. Friends of the Earth is a network of grassroots groups in 77 countries fighting for clean energy and solutions to global warming. *For more information: foei.org* 

**Loggerhead Marine Life Center:** Ella chose this organization because she loves sea animals and the beach. Due to littering and pollution, the sea turtles need our help and Loggerhead helps take care of injured sea turtles and keep our beaches clean. *For more information: marinelife.org* 

# YOUTH GROUP NEWS

### by Elana Beame, Youth Engagement Director

On June 4, Temple Beth Am will honor our graduating high school seniors at a special Shabbat Service. Some of our seniors have been a part of the TBA community since preschool. Check out some quotes below from a few of our seniors about what the TBA community and their involvement in our JAMTY Youth Group means to them.

"I am very proud to say that my parents and I have been active in the Temple Beth Am community, which has been my second home since I was six months old. For the last four years I have been able to continue to be an active member in this community through my involvement in JAMTY. I was given the amazing opportunity to serve as the Membership and Communications Vice President on the JAMTY board. Throughout my time at Temple Beth Am and in JAMTY I have created so many amazing friendships that will last forever and have expanded many of my leadership skills throughout my time on the board. I am going to miss everyone so much, but I can't wait to see what the future holds for JAMTY!"

— Zoe Denmark, University of Central Florida

"I didn't have the chance to officially join JAMTY until my senior year, but I have been very fortunate to have been attending events since my sophomore year of high school and am currently serving as Programming Vice President on the JAMTY Board. This experience has taught me so much about my leadership skills, allowed me to make amazing friendships, and connect more with my Jewish identity. I hope JAMTY continues to be a safe space and fun environment for students for many years!"

— Hillary Mauser, Florida State University

"Temple Beth Am has been my second home since my sister went to preschool in the trailers. It has given me a rare gift: a loving family that has taught me compassion and a passion for Judaism. I will always be part of this community, especially JAMTY, and will use the leadership skills it's brought out in me as I leap headfirst into my next adventure."

— Rebecca Steidle, Florida State University

# THE ONE SCHOOL NEWS FOR JUNE/JULY

by Patty McCaulley, Early Childhood Director

The One School at Temple Beth Am was grateful to be able to offer an in-person preschool graduation for our Shining Stars 2021 graduating classes. Among the 35 children who received their diplomas, most had attended our Early Childhood program since they were young toddlers.

I would like to recognize all of The One School teachers who provided them with an amazing educational foundation and contributed to their Kindergarten readiness. Our preschool graduation marked a milestone celebration for our One School families amid the unprecedented pandemic circumstances endured in the past year. # **BOOK CLUB**

### by Edie Wolf

In May, we had a thoughtprovoking discussion about *Inheritance* by Dani Shapiro at our Zoom Book Club meeting.

Our next get together (via Zoom) will be on Monday, June 7 at 10:30am. At that time, we will discuss THE INVENTION OF WINGS by Sue Monk Kidd:

Hetty "Handful" Grimke, an urban slave in early nineteenth century Charleston, yearns for life beyond the suffocating walls that enclose her within the wealthy Grimke household. The Grimke's daughter, Sarah, has known from an early age

she is meant to do something large in the world, but she is hemmed in by the limits imposed on women.

Kidd's sweeping novel is set in motion on Sarah's eleventh birthday, when she is given ownership of ten year old Handful, who is to be her handmaid. We follow their remarkable journeys over the next thirty five years, as both strive for a life of their own, dramatically shaping each other's destinies and forming a complex relationship marked by guilt, defiance, estrangement and the uneasy ways of love.

I will send an email with the Zoom invitation a few days before the Book Club meeting. Please contact me at ediewolf@gmail.com or 443.223.9729 if you need any information.

# And on Monday, July 5 at 10:30am, we will discuss THE FOUR WINDS by Kristin Hannah:

From the number-one bestselling author of The Nightingale and The Great Alone comes a powerful American epic about love and heroism and hope, set during the Great Depression, a time when the country was in crisis and at war with itself, when millions were out of work and even the land seemed to have turned against them.

To Elsa Wolcott, deemed too old to marry in a time when marriage is a woman's only option, the future seems bleak. Until the night she meets Rafe Martinelli and decides to change the direction of her life. With her reputation in ruin, there is only one respectable choice: marriage to a man she barely knows. In this uncertain and perilous time, Elsa—like so many of her neighbors—must make an agonizing choice: fight for the land she loves or leave it behind and go west, to California, in search of a better life for her family.

I will send an email with the Zoom invitation a few days before the Book Club meeting. Please contact me at ediewolf@gmail.com or 443.223.9729 with any questions or comments.

\* Denotes memorial plaque.

### How can you honor your deceased loved one?

By placing your loved one's name on the Memorial Board in the Memorial Hallway entering the Sanctuary.

When you do this, a light on their plaque will be lit on their Yahrzeit (anniversary of their death) and their name will be included in the Shabbat announcements. Their light will also be lit on Yom Kippur and their name will always be included in the Yizkor Book during the High Holy Days.

Even when you are gone, your loved one will not be forgotten. Plaques are \$500.

Call the Temple at 561.747.1109 to place your order.
