# GIVING OTHERS A SECOND CHANCE

by Rabbi Alon Levkovitz

When we mess up, we expect others to give us a second chance (and even a third and a fourth), to treat us with compassion, forgiveness, and understanding. We are only human, aren't we? But, when the offense is done by others, we are often slow to forgive. We want to see justice.

I am writing this *Scribe* article from a room overlooking the beautiful San Francisco Bay. No, I am not at some fancy hotel, but in a large facility that is run by ex-convicts. **Delancey Street** is the country's leading residential self-help organization for former substance abusers, ex-convicts, homeless, and others who have hit bottom. Started in 1971 by a wonderful lady by the name of **Mimi Silbert** (she happens to be Chef Eric's cousin), Delancey Street has six residential education homes around the country and over 18,000 people have successfully graduated from the program. The residents at the San Francisco facility support themselves by operating a moving company, a successful restaurant, a very busy café, a catering hall, and more. There is no paid staff and the whole place is run by the residents themselves. All money is funneled

into the community, and each resident receives food, housing, clothing, education, entertainment, and all other services at no cost. The minimum stay is 2 years and the average stay is 4 years. The goal is for the residents to learn to lead a productive crime-free, drug-free life of purpose and integrity. Everyone learns a marketable skill and earns at least a high school equivalency degree. (Advanced education is available.)

Delancey Street takes applications from people in prison, in jail, or who walk in. While in the program, residents learn personal skills, how to break old habits, and how to get along with other people, particularly those different from them. Many have been homeless, so they are taught basic hygiene. Most have never had jobs, so they teach them basic work habits—showing up on time, listening to a boss, and getting along with coworkers. When ready, residents enter one of the vocational training schools where, with training from more experienced residents, they start at the bottom and work their way up.

The approach is unique but not new. The beliefs that brought about this wonderful organization are simple and rooted in our tradition: people can change and people deserve a second chance at life. In the first story in the Torah, God warns Adam and Eve that they will be punished by death if they eat from the forbidden tree. But after they do eat from the tree, God doesn't kill them. They are punished and then

given a path to rebuild their lives. This theme repeats itself countless times in our Bible. When the people of Israel violated the first and second commandments by making the golden calf, God wanted to destroy them, but Moses asked for forgiveness, "And God said: I have pardoned according to your plea".

I recently participated in calls and attended meetings of Florida clergy from all religions, denominations, and political affiliations to honestly discuss our commitment to the notion of second chance. Here in Florida, nearly 1.6 million people **who have served their time and paid their debts to society** are permanently excluded from voting. We all agreed that it goes against Judeo-Christian core beliefs. We therefore support Amendment 4 that would return the eligibility to vote to people **only after they have completed their full sentences, including parole, probation, and restitution**. The law specifically excludes those individuals who have committed murder or a felony of sexual offense. I implore you all to join my fellow Clergy from all around Florida and support this amendment. We need love and forgiveness for our community to thrive.

Rabbi Alon Levkovitz

# A MESSAGE FROM THE PRESIDENT

by Bruce Cohen

It's hard to believe our fiscal year (as well as our membership year) is coming to an end and our new one begins July 1. It seems a fitting time to bring up a discussion that none of us love having, but is an important one. This conversation used to be about dues. But over six years ago, we dispensed with the old way of collecting money like a country club or gym. We started asking you to make a voluntary contribution that meets your family's ability to donate and did away with the embarrassment of having to go in front of an Arrangements Committee if you were not able to meet our preset dues structure. We removed any financial barriers to being a member, and it allowed people to belong to Temple Beth Am regardless of their financial situation—something we are very proud of.

Congregants hailed this as a revolutionary new concept as we all learned the benefits of **Voluntary Financial Commitment (VFC)** for membership, but also wondered if it would work. For the most part we have found over the years that it has. A great many of you understood that when we calculate the sustaining amount for VFC, this is the amount of money we know it takes to continue to run our services and programs, keep the lights on, etc.

We have determined that the sustaining amount to run the Temple for the upcoming year is \$1,188 per adult member, and want to emphasize that the way our system works is that those who can afford to pay this sustaining amount, pay this amount. Those who can afford to pay more do so, so that those who simply are not in the position to pay this amount can still be part of our Congregation. This balance is what allows us to do VFC, to be inclusive, and to open our membership to anyone who wants a Temple home but otherwise couldn't afford it. VFC does not mean to just donate a very minimal amount of money regardless of your financial ability to contribute. As I said, this is not a fun discussion to have, but we want to make sure that everyone has an understanding of how VFC works, and to ask that if you can afford to bring your yearly contribution closer to this year's sustaining amount, or above where possible, it would be a mitzvah.

**Security** is an issue we have all become more concerned with over the last while, and we have been upgrading our systems each year. We have been working with Law Enforcement partners locally and federally to make sure we are keeping up with the Temple's needs. Much of the security that has been added at the Temple isn't something that the average eye notices, nor are some of these enhancements something we will talk about, but they are necessary to provide safety features that have been recommended by security experts. We have Security Committees continually looking into keeping our Synagogue safe and secure. This applies not just to the building and physical aspects of the Temple but also to cybersecurity to make sure your data is safe as well.

All of this costs a lot. For the first time since we introduced VFC, there will be a line item on your yearly VFC Pledge Card for an Annual Security Fee of \$100 per family. This is a fee and not part of your VFC, and will go specifically toward security needs.

Another topic I want to discuss is **credit card fees**. Did you know when you charge your VFC to a credit card it costs Temple Beth Am about 3%? For the 2017–18 fiscal year, we paid almost \$70,000 for all credit card fees. This year we want to try something new that many other congregations across the country have found to help offset these costs, and we are asking you to voluntarily opt in. We have included a line on your VFC Pledge Card to add a 3% donation to offset our costs incurred when you use your credit card. This applies only to VFC amounts. We also accept checks and ACH Debit (an automated recurring payment from your bank account) which doesn't cost you or the Synagogue any fees.

I want to thank you for your understanding with these issues. While it's much more fun to talk about a great event we just had, we also need to have the more difficult discussions about finances. The fact is that we are constantly assessing our financial situation and doing our best to balance that with the needs of our Temple. Our Board works very hard to create a budget that allows us to continue all the great activities and services that you, our Congregants, have told us you want, while keeping security at the forefront as we move ahead.

Thank you,

*Bruce Cohen*

# SISTERHOOD SCOOP

by Lois Remick

Whatever happened to the community Memorial Day Parades? Growing up in the “burbs” of Boston, in a city that was settled in mid-17th century, history and patriotism were as omnipresent as Kellogg’s Corn Flakes and Quaker Oats on the breakfast table. We celebrated the holiday with a parade where the oldest to the youngest war/conflict participants marched in full uniform. Both public and parochial high school bands played patriotic songs and marched with Gold Star Mothers and Red Cross Grey Ladies. Uniformed police and firefighters marched with National Guard Reservists. Political wags, and their hopeful replacements, rode in convertibles while their assistants handed out pamphlets that recorded promises to voters.

These parades were **NOT** a show of military strength. These parades were a celebration of a community steeped in the values of our American Constitution. This was the collected value system of those born in this country and those lucky enough to immigrate to the USA and become citizens.

On display was what I call “Americana”—something that could not be touched, *but could be felt*. Seeing the Stars and Stripes, and hearing Souza’s march of the same name, was as if a xylophone was playing upon my spine leaving a memorable after effect of chilling excitement.

Speaking of chilling after effects... this is not going to happen at least for 6 months as we head on into a *Florida summer*. Your Sisterhood will be sponsoring the following June, July, and August happenings:

## EVENTS IN JUNE:

**June 19:** Third Tuesday Lunch, noon, at Waterway Cafe in Palm Beach Gardens (Please RSVP to Carole Levine\*)

**Note that there will be no Open Board Meeting in June.**

## EVENTS IN JULY:

**July 3:** Open Board Meeting, 1:00pm, at TBA

**July 17:** Third Tuesday Lunch, noon, at Seasons 52 in Palm Beach Gardens (Please RSVP to Carole Levine\*)

**July 24:** Special Sisterhood Members Luncheon at Gali Levkovitz's home (see below for details)

## EVENTS IN AUGUST:

**August 7:** Open Board Meeting, 1:00pm at TBA

**August 14:** Sisterhood/Men’s Club Dinner and Trivia Night at Burger Bar, 4650 Donald Ross Village, Palm Beach Gardens. Dinner at 5:15pm, Trivia Game at 6:00pm Organize a team and play trivia with friends.

**August 21:** Third Tuesday Lunch, details to be announced.

To my fellow *Scribe* contributors, enjoy your month off, and to Carolyn, Margot, and Debbie, enjoy not having a deadline!

N.B. After an exhausting search for a local Memorial Day Parade to which I could take my visiting grandson, Max, I found one in Stuart.

## Sisterhood Members Luncheon

# MEN'S CLUB HAPPENINGS

by Harvey Silverman and Mel Wolfe

## Sunday, May 6: WHAT A DAY!

**The Men's Club Golf Tournament at Sandhill Crane Golf Club.** A rousing great time was had by all 56 golfers and 70 "lunchers". While no one walked away with the \$10,000 Hole-in-One prize, many players won awards for their performance. All the players and attendees were asking for next year's tournament date. None of this could have happened without the commitment and dedication of **Bob Hochman, Jerry Rosman**, and others. Special "THANKS!" importantly also goes to our 20 volunteers who "staffed" the tees and the greens, checked in our players, and collected for mulligans and the 50/50 Raffle handled by **David and Mary Elias**. Thank you to the players, the volunteers, and the Sandhill Crane Golf Club staff for making this the highlight of the year for our Men's Club. In addition to our tee sponsors, recognition goes to **Waste Management, our Grand Sponsor, as well as our Principal Sponsors Ed and Leah Frankel, Brian Cohn (MPS Parts), and Bruce Cohen (Nutrition World)**, without whom Bob could not have worked his magic.

Golfers heading out to the first tee at TBA's Charity Golf Tournament.

At 5:30pm sharp, June 21 brings one of our "Summer Dining Out" dinners, hosted by Barbara and Jerry Rosman at **Portobello Cucina Italiana Restaurant** at 351 South US Highway 1 in Jupiter. See ad on page 16 in this *Scribe* for RSVP and additional information.

On **July 17 at 6:00pm**, we will have another "Summer Dining Out" dinner hosted by **Mary and David Elias at Schooners Seafood Restaurant** at 1001 North Highway A1A in Jupiter (see ad on page 16 for details).

On Sunday, April 22 at TBA, Rabbi Alon "kicked off" our **Shofar Blowing Class** with a discussion of the history and meaning of the Shofar. TBA has purchased enough shofars for each class participant to have his/her own dedicated shofar which they will be able to purchase at a nominal cost, should they desire. Class participants will blow the shofar during the High Holy Days. There is still room for more shofar blowers. Please contact Harvey Silverman or call the Temple to advise of your interest in attending the class.

We are well into planning next year's schedule. The **League of Women Voters** has been booked for **October 21**. With at least 16 public questions on the ballot for November, do not miss this opportunity to become an informed voter.

We will also be seeking volunteers to assist with **High Holy Days** activities, as they start early this year. Keep reading *The Scribe* for information.

Our intent is to introduce some new and interesting activities for the Men's Club next year starting in October. We have formed several Committees to plan and manage this exciting schedule. Of course, we will still have our Sunday Breakfast Programs. More information will be forthcoming in *The Scribe* over the next few months. Plan to experience the satisfaction of volunteering with us.

Thus, as summer approaches, we must recognize all of the Men's Club volunteers who have participated in numerous TBA activities in the current fiscal year, including the recent assistance in the food preparation and serving for the Purim Carnival, and the Israeli Independence Day/Yom HaAtzmaut Service and dinner at the beach. Thanks to all.

Also remember that we will continue our **Summer Dining Out** program, so contact **Joe Meshil, Harvey Silverman, Barry Ogrin, David Elias, Jerry Rosman, Bob Hochman, or Mel Wolfe** if you are interested in joining us for dinner, or taking your meaningful other out with you for a wonderful dinner, at good restaurants at a reasonable cost during the summer months.

Stay in touch and have safe summer activities with your loved ones.

It is a unique blend of history and biography, exploring the leadership and personal relationships of President Franklin D. Roosevelt (FDR) and his wife, Eleanor. The book also explores how they, and their inner circle, managed crisis after crisis, from the Nazi invasion of Western Europe in May 1940 through FDR's death in April 1945.

**THE ONE MAN** by Andrew Gross  
— Poland. 1944. Alfred Mendl and his family are brought on a crowded train to a Nazi concentration camp after being caught trying to flee Paris with forged papers. His family is torn away from him on arrival, his life's work burned before his eyes. To the guards, he is just another prisoner, but in fact Mendl, a renowned physicist, holds knowledge that only two people in the world possess. And the other is already at work for the Nazi war machine. Four thousand miles away, in Washington, DC, Intelligence Lieutenant Nathan Blum routinely decodes messages from occupied Poland. Having escaped the Krakow ghetto as a teenager after the Nazis executed his family, Nathan longs to do more for his new country in the war. But never did he expect the proposal he receives from "Wild" Bill Donovan, head of the OSS: to sneak into the most guarded place on earth, a living hell, on a mission to find and escape with one man, the one man the Allies believe can ensure them victory in the war.

**MEETING:** Monday, August 6

**HEDY'S FOLLY: THE LIFE AND**  
**BREAKTHROUGH INVENTIONS**  
**OF HEDY LAMARR, THE MOST**  
**BEAUTIFUL WOMAN IN THE**  
**WORLD** by Richard Rhodes —

Beginning at a Hollywood dinner table, Hedy's Folly tells a wild story of innovation that culminates in U.S. patent number 2,292,387 for a "secret communication system." Along the way Rhodes weaves together Hollywood's golden era, the history of Vienna, 1920s Paris, weapons design, music, a tutorial on patent law and a brief treatise on transmission technology. Narrated with the rigor and charisma we've come to expect of Rhodes, it is a remarkable narrative adventure about spread-spectrum radio's genesis and unlikely amateur inventors collaborating to change the world.

# THE ONE SCHOOL NEWS FOR JUNE/JULY

by Patty McCaulley, Early Childhood Director

A little more than three years ago, The One School at Temple Beth Am was highly recommended to me as an outstanding early childhood program with which to seek employment. I was instantly drawn to an engaging children's Friday Morning Shabbat Service, and I have attended The One School's Morning Shabbat Service at Temple Beth Am ever since. My professional and personal requirement of seeking only **quality** early childhood education settings inspired me to continue my educational career at The One School at Temple Beth Am.

The beginning of my teaching and administrative experience began at the Jewish Community Center, serving for 14 years in the capacity of an Early Childhood Teacher, and thereafter, as the Infant Toddler Program Coordinator for the Children's Services Council of Palm Beach County. I have been professionally dedicated to both early childhood and elementary educational school programs. My career has included preschool and elementary teaching, preschool

and elementary After School Care Administration, several Early Childhood Director positions, as well as the role of an Assistant Elementary Principal.

It is my sincere pleasure and honor to accept the leadership role of The One School's Early Childhood Director. I am blessed to continue to embrace such an exceptional preschool program alongside an incredibly strong teaching and administrative staff. I also look forward to the opportunity of collaborating with my Temple Beth Am colleagues and lay board members.

I am very fortunate to have had the pleasure of sharing home-school relationships with so many of The One School families. Our early childhood program is more than just a preschool; it's a community of wonderful families and educators united in focusing on the best interests of our children. I look forward to establishing relationships with all the children and families attending The One School this summer and during the 2018-2019 school year.

## **Trike-a-Thon and Dance Party! (May 4, 2018)**

Thank you to everyone who participated in our Trike-a-Thon and Dance Party! Our friends from Children's Outreach were here to join us for all the fun. This school year, our One Schoolers had the opportunity to learn about the Jewish value of Gemilut Hasadim, or acts of loving kindness and Hachnasat Orchim, the value of welcoming guests. And boy, have they put these values into practice. We welcomed our friends with open arms, played together, and sent them home with some beautiful new play kitchen equipment for their schools. Four kitchens were sent to the two schools, with donations from Tzedakah, PTO, and our grant from Federation and Commission for Jewish Education. We have much to be proud of when it comes to our children, that's for sure!

The One School at Temple Beth Am's Hachnasat Orchim Program is funded by a grant provided by the Friedman Commission for Jewish Education (CJE) for use by synagogues and Jewish schools in the Palm Beaches. For information on how your synagogue or school can also benefit, please contact Lynne Lieberman, Senior Director at [l.lieberman@cjeb.org](mailto:l.lieberman@cjeb.org) or 561.209.2606.

## KVELL & TELL

Mazel Tov to our One School teacher **Michelle Eisler**, who was presented the "2018 Hiddush Award" for innovations in teaching and learning from the Friedman Commission for Jewish Education. This award recognizes a high-impact teacher who initiates positive changes in the learning environment and who uses innovative curriculum and teaching to transform the classroom and school. Michelle uses Temple Beth Am's garden and greenspace to empower children to grow and care for food, to value the wonders of nature, and to explore healthy living by interacting with the outdoors.

## Bar Mitzvah and Bat Mitzvah Announcements

### Bar Mitzvah of Corey Goldstick (June 2, 2018)

With great love and pride, we announce that our son, Corey Goldstick, will be called to the Torah as a Bar Mitzvah on June 2, 2018 at Temple Beth Am. Corey is a 7th grade Honor Roll student at Bak Middle School of the Arts where he is a communications major. Corey's passion is baseball and he is proud to play for the West Palm Beach Vipers Travel team. When Corey is not at school or on the baseball fields, he enjoys spending time with his family and closest friends, playing whiffle ball, basketball, and fishing, and he absolutely loves going to the beach. Corey spends his summers in Hayward, Wisconsin at Camp North Star with his buddies from all over the country.

For his mitzvah project, Corey started a Scholarship Fund for his baseball team. He did not want any child who had the talent and desire to play travel ball to be denied that opportunity because of the cost. Corey organized a raffle, collecting donations from local businesses, and then sold raffle tickets to members of the community. Corey's goal is to be able to partially subsidize the cost of a season for two players this fall.

We are so proud of Corey and are very excited to celebrate this milestone with him. A heartfelt and sincere thank you to Rabbi Alon, Brett Tancer, and Marcy Morris for helping Corey prepare for this special day.

Jackie and Larry Goldstick

### Bat Mitzvah of Jillian Rose (June 2, 2018)

It is with great joy that we announce the Bat Mitzvah of Jillian Rose on June 2, 2018. Jillian is a 7th grade student at Independence Middle School where she excels in the Pre-law Academy, plays keyboards, and is known for her passion for art. We are proud to be the family of such a kind, compassionate, bright young woman and we are grateful for all of the support and guidance provided by all at Temple Beth Am.

## *at St. George's Soup Kitchen by Lauren Weinstein and Eric Weiner*

SUMMERTIME!!!! Time for fun and vacations, but not for everybody! Please consider our less fortunate neighbors at St. George's Soup Kitchen in Rivera Beach. There will be no vacations for them..and they still need to have a good healthy meal.

We are in need of a few (10) volunteers for serving the dinner on Monday June 18 and Monday July 16 from 5:00pm to 6:30pm. That's just 2 nights for the whole summer. ANY HIGH SCHOOL STUDENT WHO NEEDS COMMUNITY SERVICE IS ENCOURAGED TO HELP OUT, TOO.

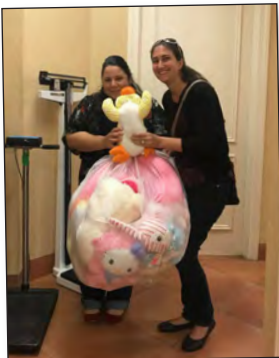

If you cannot volunteer your time, we are in need of boxes of penne pasta. Please drop them off at the Temple.

Thanks to all our April and May volunteers.

This will be my last month serving as coordinator at St. George's Soup Kitchen. I have been proud to be able to assist in this worthy cause and have appreciated all the friendships I have made while volunteering with this great group of people from Temple Beth Am.

**John Baldwin** (john@responsegenius.com) will be taking over for me, with **Eric Weiner** (eweiner@templebetham.com). From here on, please direct any questions and your availability to volunteer to John. Our current volunteers will be getting an email from John confirming your next time to serve.

**Our next Soup Kitchens will be Monday, June 18 and Monday, July 16 at 5:00pm at St. George's, 21 W. 22nd St., Riviera Beach.**

A generous donor gifted the Temple bags and bags of stuffed animals. They were divided up between MyClinic, St. George's Soup Kitchen, and Extended Hands in West Palm Beach.

# A NOTE FROM PAULA

I just wanted to thank everyone who attended my retirement party on Friday, May 4, and for all the well wishes from everybody.

Thank you to those who made the night so special for my family and me. I love my new birdhouse, with its detail and thoughtfulness presented to me by the Temple. Thank you to the Board and members of the PTO for the beautiful brick donated to the Temple in my honor. A beautiful sentiment was put on the brick that said, "She who plants a garden, believes in the future."

There are only two ways to live your life. One is as though nothing is a miracle; the other is as though everything is a miracle. To all the families of The One School and the Temple, thank you for all the miracles!

— Paula Deakter

## CEMETERY PLOTS

Did you know that **as a benefit of Temple membership**, you can purchase cemetery plots for yourself and your family at a significantly discounted price? Temple Beth Am has reserved a limited number of cemetery plots in the Garden of Abraham section at IJ Morris at Star of David Cemetery of the Palm Beaches off Northlake Blvd.

Today, if you were to purchase a plot directly from Star of David, the price will be \$4,995. **As a benefit of your Temple membership**, you can purchase cemetery plots for you and your family at a **discounted price of \$3,995**. Please note that **this price is for a plot only**.

Remember, **the number of plots is limited** so if you wish to take advantage of this benefit of membership and purchase a plot, please contact Margot in the Temple office at 561.747.1109 and she will gladly help you. Or, you can call Paula Butger directly at Star of David Cemetery of the Palm Beaches (she works with us) to see what plots are still available and to do pre-need planning, if desired. You can reach her on her cell at 561.252.7071 to set up an appointment.

## How can you honor your deceased loved one?

*By placing your loved one's name on the Memorial Board in the Memorial Hallway entering the Sanctuary.*

When you do this, a light on their plaque will be lit on their Yahrzeit (anniversary of their death) and their name will be read from the Bima.

Their light will also be lit on Yom Kippur and their name will always be included in the Yizkor Book during the High Holy Days.

Even when you are gone, your loved one will not be forgotten. Plaques are \$500.
