

SISTERHOOD

BETH OR'S SHINING LIGHT

Sisterhood is proud to be one of the beacons that illuminate the spiritual and social lives of our members, our congregation and our community. Through our programs and events, we provide many opportunities for the women of our beloved Beth Or - The House of Light - to bask in the glow of friendship, leadership, and service to others. We have opportunities that vary in levels of time and commitment. Sisterhood wants you to find something that is right for you, your lifestyle, and fosters connection with other like-minded women.

We look forward to offering a full calendar of programs and events. Check your Beth Or Spotlight, Chai Lights Email and the digital billboards for the dates and times of our:

- Cooking and Crafts Classes

Your Sisterhood Involvement Strengthens Beth Or and Our Jewish Community!

By paying annual dues, and purchasing items from the Tarshis Gift Shop, which is stocked and staffed by Sisterhood volunteers, you enable us to bring light to others by:

- Supporting students in our early childhood education center, religious school, and youth group programs.
- Sending holiday gifts and greetings from our clergy to congregants attending college.
- Maintaining an apartment where families can transition from homelessness to independence.
- Bringing warmth and comfort to congregants in hospitals, cancer treatment centers, and nursing homes through gifts of knitted caps, teddy bears, afghans and knotted blankets.
- Contact Sisterhood president **Kim Kaffey**, (ksk67@verizon.net) with questions about how to get connected.
