The **chuppah** stands as a couple's first home, sheltering them and protecting them. It frames the couple and focuses our attention on the bride and groom as they commit to each other before the community.

The background of our **chuppah** is wedding white damask fabric. The crimson pomegranates, a symbol of fertility and good deeds, are appliquéd. The deep green grapevine twines around the three-dimensional grape clusters, symbols of sanctity and celebration, and winds around the pomegranates.

"**Kol sasson, Kol simchah, Kol chatan, Kol kallah**" is embroidered in gold lettering on the balance around the **chuppah**. It means "The sound of Joy, the sound of Gladness, the voice of the Groom and the voice of the Bride", and is a portion of one of the seven blessings (**Sheva B'rachot**) recited under the **chuppah**.

The **chuppah** is an original design, hand-made by over a dozen members of the Pomegranate Guild working together for more than two years.

Our **chuppah** is 7 feet high and 60" square. The rental fee of $340 includes delivery and set-up. A deposit of $190 will reserve the **chuppah** for you on your special day.

To reserve the **chuppah** or for further information, call Laura Rosenspan 781-784-2668 or email her: LRQuilts@aol.com
