## RABBI'S MESSAGE

### צפית לישועה?

The גמרא (שבת לא.) tells us that after one hundred and twenty years when we will stand before the בית דין של מעלה we will be posed with the following questions : נשאת ונתת באמונה ; were you honest in your business dealings ? , עסקת בפרו ורבו , did you establish set times for learning? ; קבעת עתים לתורה ; צפית לישועה , did you anticipate and yearn for the coming of משיח?

One can certainly understand the importance of having lived an honest life for without it society could not survive. The supreme value of the study of Torah in our lives is self evident. The transmitting of the מסורה to future generations is the תכלית of our existence. Why however is it so critical to live with the hope for the arrival of משיח ? There are many מצות significant such as שמירת שבת that one would have thought would be worthy of inquiry well before the מצוה of ציפת לישועה. It is certainly one of the basic tenets of our אמונה but for it to be the fourth inquiry in examining a lifetime of commitment requires a deeper understanding of this מצוה.

Longing for the coming of משיח is not simply a hope for relief from all of our troubles. We yearn for a life of קדושה , for a life filled with purpose , for a world where we will merit to sense the שכינה in our midst. We pine for our instinctive desire to be דבק in ה' to realize its full potential.

Living life conscious of these goals will have a profound influence in how we daven , in how we talk , in how we act לחבירו and ultimately how successful we are in fulfilling our mission here in this world. This is why צפיה לישועה is so vital to our existence.

אנו מועד a Yom Tov , a day when we reaffirm and "celebrate" our most fervent and deepest connection with ה' in spite of the many challenges we face.

The beautiful expressions of this most deep seated feeling was quite evident in our קהילה at the culmination of תשעה באב during the התעוררות sung with such unabashed and open emotion and yearning. We are fortunate to have such a magnificent grouping of like minded people who seek to grow in עבודת אשרינו מה טוב חלקנו ! .השם

May we see the fulfillment of our greatest hopes this שבת נחמו with the arrival of משיח צדקנו במהרה.

בצפיה לישועה,  
צבי טייכמן
