Sisterhood wishes everyone a safe summer!

We have planned a wonderful year of Sisterhood events starting in September. We very much look forward to celebrating and socializing with everyone as soon as it is safe. Over the next couple of months, we will keep you informed about our events. If we are unable to be together at the temple, we will continue to host events through ZOOM. Please watch your email for upcoming Bingo games, book club gatherings, baking events and more. Best wishes from your Sisterhood Presidents Debra and Beth.

Mariella and Adrien Goodman

Mariella Rose and Adrien Harrison Goodman were called to the Torah as b'nai mitzvah on May 30, 2020.

Mariella is an honors student at Pioneer Middle School. She is an avid reader, and works as a media aide helping to organize her school library and provide book recommendations to other students. Mariella is also a gifted writer whose short story was recently selected to be entered in a county-wide writing contest.

When not at school, Mariella enjoys painting, ice skating, reading, playing piano and watching movies with her cats, Guinness, Kylie, and Honey, and her dog, Pepper. She is kind, considerate, and wise beyond her years, always ready to listen to others and help when needed.

Adrien is also an honors student at Pioneer Middle School. He is a trombonist for the school's wind ensemble band and received a prestigious award for his playing. He enjoys athletics and excels in a wide range of sports, including ice hockey, skateboarding, tennis and golf.

Adrien loves playing outside with his friends and is looking forward to post-quarantine frisbee and football catches. Adrien is kind, funny, an amazing friend and curious about the world around him.

Most of all, Mariella and Adrien are great siblings to each other. Although they sometimes disagree, their relationship is characterized by kindness, laughter and camaraderie. While they may not always see it, they are always there for one another.

In connection with their love of animals, Mariella and Adrien have volunteered at the F.R.I.E.N.D.S. Horse Rescue and Sanctuary in Southwest Ranches where they cleaned stables and attended to the horses. They also assisted at Feeding South Florida to help distribute food to those in need.

The Goodman family wishes to thank the teachers, staff and clergy at Beth Emet who helped prepare Mariella and Adrien for this special day. A special thank you also to Debra Dayan, who worked with them over the past few months to learn the service and their haftorah and Torah portions. Finally, the Goodmans would like to thank all of their family and friends--from as near as Miami to as far as Lyon, France--who tuned in remotely to cheer on Adrien and Mariella as they became b'nai mitzvah.

Joshua Bernstein

Joshua Wesley Bernstein will be called to the Torah as a Bar Mitzvah on Saturday, August 22, 2020. Joshua will be entering 8th grade at Indian Ridge Middle School where he maintains a straight A record in the gifted program and excels in both Jazz and Honors bands playing trumpet.

Joshua attended Temple Beth Emet Early Childhood Center, Beth Emet Elementary School and Merkaz Limud religious school. He continues to be active with youth group while preserving his special friendships within our TBE Jewish community. He enjoys spending his free time playing video games, watching YouTube and being with his family. When vacationing, his favorite places to visit are amusement parks riding roller coasters.

Joshua's Mitzvah Project was held on his 13th birthday, July 6, 2020 raising money for neuroscience research. Sadly, both his maternal great-grandmothers suffered from Alzheimer's disease. Joshua has always had an inherent interest in brain and biology mechanics and has high aspirations of becoming a neurosurgeon, so he was inspired to host an online Roblox tournament to raise money for the Max Planck Florida Institute for Neuroscience.

Joshua has always been a source of pride for our family. We have enjoyed and marveled at watching him become such a special person. He has been a wonderful older sibling to his brother, Brody, and sister, Bria. Joshua has grown up hearing stories from his great-grandfather about our family's struggles and resilience through the holocaust and has recognized the importance of this milestone in his Jewish faith.

(continued on pg. 7)

The Bernstein family would like to thank the amazing teachers and staff at Temple Beth Emet. We would like to offer a special thank you to Paula Bergman for mentoring Joshua throughout his Torah studies. Thank you also to Rabbi DeWoskin, Rabbi Greenspon and Cantor Jan for your guidance. You have all been such a special part of Joshua's journey of becoming a Bar Mitzvah.

Jordyn Zveibel

Jordyn Maddox Zveibil will be called to the Torah as a Bat Mitzvah on Saturday August 29, 2020. Jordyn is entering the eighth grade at Indian Ridge Middle School.

Jordyn entered the doors of Temple Beth Emet a month shy of her second birthday and quickly left her mark with her big personality, gorgeous smile, and compassionate heart. Over the last 11 years, Jordyn has chosen to be surrounded by the pure love that is infused in this beautiful community, graduating ECC, completing religious school, participating in teen travel, youth group and sharing countless moments of joy with the friends that she first encountered at TBE.

Jordyn is driven by a strong core belief of fair practice which has brought her to serve many people around the globe-providing nutritious meals, fresh clothes and sharing laughter, unifying all. For Jordyn's bat mitzvah, she is reaffirming her commitment to continue to add value in big and small ways every day.

Andrea and Jordyn Zveibil would like to thank ALL the teachers, administrators, counselors and the mitzvah monkey, who have all guided Jordyn into the strong, confident, bold young lady she is today. During this process of preparing for this special milestone, we especially appreciate Rabbi Dewoskin, Rabbi Greenspon, Cantor Jan and Jordyn's Bat Mitzvah tutor, Debra Dayan.

With the strength of the generations that came before us that allow for this moment, we celebrate!
