

## *Rabbinically Yours* By Rabbi Earl Kideckel

### ADAR I—ADAR II 2024

Have you thought about possibly hosting a dinner either at your home or helping to prepare meals for a program using the TEE kitchen or your own home? Now that we are once again up and running with dynamic programming that has so many wanting to participate both in planning and in participating, we have decided that it is time to once again run a kitchen seminar related to the requirements for kashruth and dietary

concerns. Please RSVP and join us on Tuesday, March 19<sup>th</sup> at 10 am at our Beth El office, where we will review the guidelines of not only the procedures, but what is our policy with regard to food items that may be used.

We have once again planned so many wonderful programs throughout the rest of the year. On March 10<sup>th</sup>, we will be joining together to dialogue with Stacey Gladstone Sobel on dealing with our own fears of anti-Semitism in the community. Stacey is the regional director for the Connecticut Region of the ADL. Minyan precedes at 9 am; followed by bagel breakfast provided by Artie and Barb, and the discussion. We have not had ADL in our area for quite some time, and it was my hope and that of the programming committee that by bringing Stacey here, we could rekindle that relationship, at a time when we all need it.

Purim is also down the road. Once again, we will be joining with the congregations of Southeastern CT to celebrate. This year, we as a community need to drown out the name of Haman more than ever, as we stand strong together with Israel and the hostages. Think about the fact that Haman and Hamas are almost similar in their English spelling. But in their actions, they are but one and the same. And while in Israel and around the world we may be thinking of tempering the celebrations, based on the war and the hostage situation (may they come home now!), let us not give in to Hamas' desire to destroy what is ours – the right to celebrate being Jewish and the right to defend ourselves from aggression and destruction at the hands of Haman, Hamas and their likes.

If Purim is at the end of this month, Passover is soon to follow. Many of the stores are already stocking their shelves, not realizing that this year is a Jewish leap year and Passover is near the end of April. We will once again be holding a virtual second night Passover seder from the Kideckel home.

## President's Message

Dear Beth El Congregants,

As Israel's war in Gaza progresses inexorably towards the goals of the defeat of Hamas and the return of all the remaining 134 hostages, I am still appalled that it seems as if the entire world is calling on Israel to institute an immediate cease-fire. And, of course, the world seems ready to reward the savage attack and massacre of Oct 7 with the ever-demanded "2 state solution". Whatever your feelings about Netanyahu, and I realize he is quite the controversial figure, both in Israel and abroad, I, for one, am extremely grateful and proud that the Israeli government is not bowing to world pressure to allow Hamas to escape with what they will consider total victory. As painful as this is for both the IDF and their families, as well as whatever innocent civilians there are in Gaza, it's glaringly obvious that this war needs to end with the destruction of Hamas, the return of the hostages and the ultimate deradicalization of Gaza, Judea and Samaria, before any discussion about a 2-state solution makes any sense whatsoever. Once again, I pray for a speedy end to this conflict with Israel achieving its goals. May Hashem protect our troops and the Jewish people everywhere.

As for our new synagogue structure, we are building on the good news that we received at the end of Jan when our application to the inland wetlands commission was approved. Over the month of Feb, we assembled the full submissions to the next two committees, the Design and Review Board and the Planning and Zoning Commission. These should be formally accepted by both committees at their respective meetings on Feb 27. Unfortunately, it's very difficult to predict how long these next approvals might take; we are hopeful that it will not require the full 65 days that they are entitled to, nor will it require any type of public hearing which could also inject a delay. In the meantime, our team has refocused attention on completing the detailed construction documents that are required to obtain bids from various contractors. Hopefully the bidding process can run in parallel to the issuing of the building permit (following approval by town P&Z). As always, please stay tuned for developments as they occur.

As for programming, just a quick reminder that back at the end of Jan we held a wildly successful Tu B' Shevat seder with Israeli wine (and foods) and a Tree of Life Art Project led by Henie Kurzman at Temple Emanu-El (TEE). In addition, by the time you receive this Bulletin we should have held our "Havdalah and Impossible Beef Chili Dinner" and sing-along, featuring music by Roz Etra, at the home of Judy and Kirk Engel, on Feb 24. Coming up on Mar 10, the Breakfast Club event that was postponed due to inclement weather last month will be occurring at the Waterford Community Center. This will be a morning minyan (9:00), followed by a lox and bagel breakfast, and then a presentation by Stacey Sobel, CT Regional Director at ADL, who will speak on *Stand Up to Antisemitism and Hate: What It Is and What We Can Do About It Together*. Finally, mark your calendars for an evening of Purim celebration on Saturday March 23. This will start with a community-wide Purim spiel with hamantaschen at TEE, followed by Havdalah and then the megillah reading. As always, I would like to express a big Todah Rabbah for all

*Rabbinically Yours*  
By Rabbi Earl Kideckel  
*Continued from Page 1*

More details will follow, but I just wanted to let you know so that you can plan accordingly.

In other good news, we have engaged Cantor Ruth Ross as our new High Holiday Hazzan. Cantor Ross is extremely personable and has a wonderful voice. She will be joining us starting in the spring for a few Shabbat services, simply to introduce herself to you, so that when she joins us for the High Holidays, you will feel that you already know her. Thank you to the committee who listened to the candidates and helped us so quickly in finding Cantor Ross.

Welcome also to our newest team member, Helen Lancaster, who together with Melanie now makes up our front office team. Please make her feel welcome, as she is already making us feel that way, whenever someone visits our office on Shaw St.

Once again, a shout out to our programming committee for all of the wonderful events that we are planning and have planned. Todah rabbah to Kirk and Judy Engel for all of your efforts in making the Havdalah and Dinner program successful. To Roz Etra, who at the last minute has lead services for us, we are so glad you are a part of our family. To Diane Maran, thank you for leading services while I was on vacation. And to Nadine Lipman, thank you for all of your efforts related to publicity in the Jewish Leader. There are many others who have and are stepping up to the plate, so todah rabbah to you all.

Finally, while we will continue to provide programming and services with Zoom links, we have come to the realization that we would like to see you in person. So please make every effort to consider joining us as Moses did with *Hashem* on Mt. Sinai – Panim el Panim, Face to Face.

*Simchat Purim*, best known in English as Happy Purim.

those who are involved in our programming, ranging from those who organize and plan (e.g., the Programming Committee), to those who help by volunteering their time (or their houses!!), to those who attend.

Finally, I'd like to fill you in on two new additions. It's with great pleasure that I announce a new addition to our office staff. As of Tuesday, Jan 30, we have been joined by Helen Lancaster in our office at 27 Shaw St. She will be taking over Merrill's half of the Office Manager position that she and Melanie have been job-sharing. Melanie will continue working Mondays, Wednesdays and alternating Fridays, while Helen will work Tuesdays, Thursdays and the other Fridays. The office will be open 8:00 - 3:00, as before.

Second, we have reached an agreement with Cantor Ruth Ross, of Warren, RI to lead us in High Holiday services for 5785. You can check her out on her website at <https://mostlypsalms.com/>. Once again, a big Todah Rabah to our cantorial search committee: Rabbi Kideckel, Jeff Dubins, Sandy Greenhouse, Kathleen McFadden, Sue Miller and Richie Simonson.

Please don't forget to call into the daily minyan and/or come to Shabbat services. You need this as much as the rest of the congregation does.

## Beth El Book Club

Next Book Club meeting:

*Sunday, April 7th at 8:15 p.m. via Zoom*

**Admiral Hyman Rickover: Engineer of Power**

by Marc Wortman

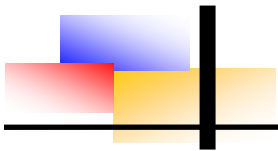

Known as the "Father of the Nuclear Navy," Admiral Hyman George Rickover (1899–1986) remains an almost mythical figure in the United States Navy. A brilliant engineer with a ferocious will and combative personality, he oversaw the invention of the world's first practical nuclear power reactor. As important as the transition from sail to steam, his development of nuclear-propelled submarines and ships transformed naval power and Cold War strategy. They still influence world affairs today.

His disdain for naval regulations, indifference to the chain of command, and harsh, insulting language earned him enemies in the navy, but his achievements won him powerful friends in Congress and the White House. A Jew born in a Polish shtetl, Rickover ultimately became the longest-serving U.S. military officer in history.

## Congregation Beth El welcomes Helen Lancaster

Helen comes to us after retirement from a twenty-year career as the Executive Assistant to the CEO at American Ambulance in Norwich. She also has prior experience in Office Management and some years ago worked as a Church Secretary at Niantic Community Church. Helen is an avid exerciser and, as a former runner, has done several full running marathons, along with a myriad of other races, including walking the Terri Brodeur Breast Cancer Foundation Marathon. She also enjoys reading, gourmet cooking, and recipe development in her free time. Helen was born in Louisville, Kentucky but lived all over the United States as part of a Navy family. As a young adult, she also lived in Zambia, Central Africa for four years before returning to the United States. Helen has two adult children, Jennifer and Anthony, and currently lives in New London with her husband Bob.

Helen is a State of Connecticut Notary Public and is willing to perform simple notary services to our congregation free of charge.

If you are in the area and want to stop by and introduce yourself, please feel free, although, as always, it's a good idea to call first (860-442-0418) in case they have to step out to the post office or other activity.

Thanks,

## Donations Needed!

Now, more than ever, the New London Soup Kitchen is in need of donations as they continue to make and distribute meals to those in need. Congregation Beth El is accepting donations of tuna fish, penne pasta, and cans of cream of mushroom soup for the monthly meal served at the New London Soup Kitchen.

Please contact the Beth El office to make arrangements to drop off your donations and Debra Daren will take them over to the Soup Kitchen for us.
