

Yizkor reflections

May the memories of our loved ones inspire us
To seek in our lives those qualities of mind and heart
Which we recall with special gratitude.

May we help to bring closer to fulfillment
Their highest ideals and noblest strivings.

May the memories of our loved ones deepen our loyalty
To that which cannot die –
Our faith, our love, and devotion to our heritage.

As we ponder life's transience and frailty,
Help us, O God, to use each precious moment wisely,
To fill each day with all the compassion and kindness
Which You have placed within our reach.

Thus will the memories of our loved ones abide among us
As a source of undying inspiration and enduring blessing.

II SHAVUOT

Saturday, May 30, 2020

There are stars whose light reaches the earth only after they themselves have disintegrated and are no more. And there are men and women whose scintillating memory lights the world after they have passed from it. These lights, which shine in the darkest night, are those which illumine the path for us.

- Hannah Senesh

We Remember Them

At the rising of the sun and at its going down,
we remember them.

*At the blowing of the wind and in the chill of winter,
we remember them.*

At the opening of the buds and in the rebirth of spring,
we remember them.

*At the shining of the sun and in the warmth of summer,
we remember them.*

At the rustling of the leaves and in the beauty of autumn,
we remember them.

*At the beginning of the year and at its end,
we remember them.*

As long as we live, they too will live,
for they are now a part of us,
as we remember them.

*When we are weary and in need of strength,
we remember them.*

When we are lost and sick at heart,
we remember them.

*When we have joy we crave to share,
we remember them.*

When we have decisions that are difficult to make,
we remember them.

*When we have achievements that are based on theirs,
we remember them.*

As long as we live, they too will live;
For they are now a part of us,
as we remember them.

Sylvan Kamens and Jack Riemer

In Remembrance of a sibling

O heavenly Father, I fondly recall the happy years spent together with my brother/sister, sharing the love and traditions of our home and family. His/Her years on earth were too few for those who loved him/her. Though You have called him/her back to You, I shall ever hold sacred the memories of his/her kindness and sincerity, his/her love and devotion. O Lord, grant that the recollections of his/her life stimulate me to righteous living. I put my trust in You who is the source of all life and my strength in time of sorrow. Though a link has been severed from our family chain, help me, O God, to be more closely united with the dear ones who remain. May the soul of my beloved brother/sister be bound up in the bond of eternal life, together with the souls of all the righteous that are in Your keeping. Amen.

In Remembrance of a grandparent

O heavenly Father, I am grateful to You for all the precious memories of my grandfather's/grandmother's life and for all that s/he meant to my parents and me. May the example of his/her goodness and devotion live on as an incentive to kindly deeds and righteous living. I pray that his/her soul be bound up in the bond of eternal life, together with the souls of all the righteous that are in Your keeping. Amen.

In Remembrance of other relatives

O heavenly Father, I fondly recall the hours we shared in family fellowship. Help me to emulate all that was good, true and righteous in his/her life. In memory of my dear aunt/uncle/cousin, may I endeavor to live uprightly in accordance with Your teachings. May his/her soul be bound up in the bond of eternal life, together with the souls of all the righteous that are in Your keeping. Amen.

In Remembrance of a friend

Thank You, O heavenly Father, for the blessings You sent me through my companionship with _____. I recall the happy hours of fellowship and the common aims and endeavors we shared together. May I ever cherish the memory of _____'s loyalty, sincerity, devotion and understanding heart. Though I shall nevermore see his/her smile nor hear his/her voice nor delight in his/her friendship, may the ennobling influence of _____'s life ever remain with me. Grant that his/her soul be bound up in the bond of eternal life, together with all the souls that are united in You. Amen.

In Remembrance of a father/mother

Eternal God, the years of unselfish devotion of my beloved father/mother come vividly to mind. I recall all the sacrifices s/he made for my welfare and the many comforts with which s/he provided me. Ever untiring were his/her endeavors to direct me on the path of virtue and kindness, to enrich my mind and ennoble my heart. S/He rejoiced in my achievements. S/He guided me in all perplexities and strengthened me in trials and disappointments. The passing of years can never dim the blessed memories of his/her life.

O Creator of all, in whose keeping are the souls of both the living and the dead, grant that the memory of my father's/mother's life so inspire me that I shall put to noblest use my time and capabilities. May his/her example stir me loyally to uphold the heritage which s/he transmitted to me. May his/her soul be bound up in the bond of eternal life, together with the souls of all the righteous that are in Your keeping. Amen.

In Remembrance of a husband/wife

O heavenly Father, I fondly recall our sacred bonds formed in Your presence, the love and friendship s/he brought into my life, and all the hardships and pleasures, trials and triumphs, joys and sorrows we shared together. The delight of my life, s/he helped to dispel my fears, and in time of need, encouraged me and stood at my side. I pray, O Lord, that these precious memories of our happy years together, may ever be an abiding influence for good and an incentive to noble and sanctified living. Father of all, grant that the soul of my beloved be bound up in the bond of eternal life, together with the souls of all the righteous that are in Your keeping. Amen.

In Remembrance of a son/daughter

Almighty Father, I tenderly recall the joys that my beloved child afforded me during his/her lifetime. How I delighted in his/her physical and mental growth! How I planned for his/her future! Though few and brief were the years wherein I rejoiced with my beloved child, many indeed were the blessings s/he brought into our home. The passing of years can never fill the void in my heart, nor can time assuage the pain of my bereavement. Though s/he is no longer in our midst, his/her memory shall forever be enshrined in my heart.

O merciful God, Giver of life, You have recalled what is Your own, and have taken him/her into Your loving care and keeping. Though my heart still grieves, I have faith that You know what is best for Your children. Strengthened by that faith, and cherishing the sacred memory of my child, may I, who have known the joys of parenthood, bring love and cheer into the lives of others. I pray that the soul of my dearly beloved child may be bound up in the bond of eternal life, together with all the precious souls that are united in You, our Creator and Father. Amen.

Yizkor Book

This Yizkor Book records the names of our dear ones. We memorialize them because they were dear to us in life and remain precious to us even after death. This is our way of expressing undying love, as we today recall those whom we have loved in life and who live on in our hearts, our memories, our stories, and the patterns of our day. We always look for an ongoing sign of their presence in our lives. We talk about them and feel them in the depths of our hearts. We want others to know them as we have, to remember them, and to know that their lives will never be forgotten.

One generation gives way to another. Yet every generation has the power to exalt God, to enlarge Torah, and to provide for the heritage of generations yet unborn. Thus the ideals of our loved ones are kept forever alive.

We dedicate this book not merely to the past - but to the future!

*Remember that death will not tarry;
Do well unto your friend before you die;
And according to your ability
stretch out your hand
and give to him.*

- Ben Sira
