

## Entering Shabbat

By Maia Conrad

As we enter this sacred time of Shabbat  
May Adonai help us put aside  
Our stresses of daily life  
And absorb the calm of this holy moment.

As Shabbat begins,  
May Adonai revive our ability to feel  
The infinite potential this ceasing affords us  
To regather our scattered selves.

In the hallowed space Shabbat creates,  
May Adonai refresh our connections  
To our loved ones and community  
Expanding the threads which bind us together.

## L'chu N'ran'na

By Mah Tovv

L'chu n'ran'na, yai lai lai lai lai  
Ladonai, yai lai lai lai lai  
Naria, yai lai lai lai lai  
L'tzur yish'einu, yai lai lai lai lai  
Let us sing out to G-d, the Maker of all,  
Sure and strong.  
Let all of creation from mountain to sea  
Hear our song.  
For all of the wonder in all of G-d's light  
We rejoice.  
So, now let us listen with all of our hearts  
To G-d's voice.

## Shelter (Ufros Aleinu)

By Cantor Alyssa Rosenbaum

We need your strength tonight,  
As we do every night.  
Shelter us.  
Please grant us peace of mind,  
All worries far behind.  
Shelter us.  
||: Ufros aleinu sukkat sh'lomecha,  
Shelter us with your peace. :||  
Please guard this night of rest,  
Let it be one that's blessed.  
Shelter us.  
Let us lie down in peace,  
Let pain and violence cease.  
Shelter us.  
[Chorus]  
Amidst uncertainty,  
We need security.  
Please, shelter us.

## **Any Dream Will Do**

From Joseph and the Amazing Technicolor Dreamcoat

By Andrew Lloyd Webber

I closed my eyes, drew back the curtain  
To see for certain what I thought I knew.  
Far, far away, someone was weeping,  
But the world was sleeping.

Any dream will do.

I wore my coat with golden lining,  
Bright colors shining, wonderful and new.  
And in the east, the dawn was breaking,  
And the world was waking.

Any dream will do.

||: A crash of drums, a flash of light,  
My golden coat flew out of sight.  
The colors faded into darkness,  
I was left alone.

May I return to the beginning.

The light is dimming, and the dream is, too.

The world and I, we are still waiting,

Still hesitating,

Any dream will do. :||
