Message from the Rabbi
By Rabbi Howard Siegel

In the early 1980’s, while Principal of the Solomon Schechter Day School of St. Louis, I became acquainted with Rabbi Bruce Diamond. Rabbi Diamond was renowned for his creative “off-the-wall” ideas for teaching Jewish life. He is currently the Rabbi of the Community Free Synagogue in Ft. Myers, a congregation that charges no dues nor requires tuition for religious school and adult learning. Reflecting on Jewish celebrations, Rabbi Diamond wrote the following article for a 1982 congregational newsletter. It inspired me then, as it does now:

“Many of us were probably the recipients of Valentine’s Day greetings. Even more of us have probably participated (I know I have!) in the centuries-old tradition of “Trick or Treat” on Halloween. There was a time when I bemoaned the absence of similar festivals in the Jewish tradition. Yet, upon reflection, it occurs to me that once again our tradition has come through for us!”

“It is a supremely erotic festival, a time when men and women are encouraged to stay home and enjoy each other. It is a time of music and delicacies, a time of lazy afternoon naps and romantic

spring and summertime walking hand-in-hand, when Scheherazade-like ancient oriental love poetry is chanted, so that each man might sense himself a Sultan in his own home, and each woman a Queen of Sheba. It is a time of Omar Khayyam’s rubaiyatic “Jug of wine, loaf of bread and thou” (with a nod in the direction of Martin Buber). “

“You have probably figured out by now which festival I am describing. Of course, it is the Shabbat properly celebrated, which dances circles around Valentine’s Day’s Hallmark cards and cellophane candy! Shabbat towers above pagan superficiality much in the same way that our soon-to-be celebration of Purim looms over and above the Druid Halloween and the Roman Mardi Gras.”

“These are the Days the Lord has made; let us rejoice and be glad therein!” – Psalms 118:24

We thank you for your efforts and dedication to Torah study. Todah Rabbah!
The waters can be calm or tumultuous depending on the winds, the very breaths of God which blow across them. Our prayers can renew us, fill us with hope, remind us of our sorrows, and offer us a connection to so much more than we can see or feel in the physical world, all depending on how we feel at the moment of our prayer.

Sometimes though, the very prayers themselves must change. As the world changes around us, our lives are constantly in transition. We are continuously passing from one state to another, one subject to another, or from one song into the next. The transitions may be familiar, and can be repetitive, but they are indeed constant.

Our spiritual lives work much the same way. We go from prayer to prayer, never really lingering on any one T’filah. The transitions are familiar and we may know what comes next, but the meanings are ever changing. Depending on what changes we have encountered in our lives during the week, these prayers and their themes can mean something different each time they are recited.

This is the true beauty of prayer. The words, the melodies, and the order may stay the same, but each time we say them, they can mean something different. At times our prayers can be uplifting and full of joy, and at times they can be somber, reminding of what we hope to feel rather than our existing frame of mind. Prayer is as fluid as the waters that fill our seas.

So, as the New Year of 2018 begins, even knowing that many changes are on the horizon, we can choose to remember that the transitions themselves are not what defines us. Rather it is how we choose, as individuals, as families, and as a people, to embrace and experience the transitions with which we are faced that will create a stable and confident future. May the year be filled with much good and much joy.

L’shalom,

By Avi Elias, President

To continue the theme of relationships, it is hard to write this column without taking a moment to reflect on our 40th Anniversary Gala weekend! Thank you to Bonnie Amsterdam-Miele, Sharon Cross, Lisa Teblum and their committee for all of the hard work and effort to make it possible to share the weekend with 240 of our closest family and friends in celebration of a wonderful milestone! It was a tremendous celebration of the blood, sweat and tears of so many families dedicated to creating and sustaining a Jewish Community in North Tampa. The realization of such a wonderful dream has set the stage for generations to come.

Last month, I wrote about relationships within our Tampa Jewish Community. This month, with Tu B’Shvat at the end of January, it seems appropriate to write about our relationship with Medinat Yisrael – the State of Israel. As Jews, whether we have visited Israel or not, we all have a connection to our homeland. While we may have differing opinions on the President’s recent recognition of Jerusalem as the capital of Israel and the moving of the U.S. Embassy, on some level it seems as though the Jewish Community is breathing a collective sigh of relief that the U.S. Government has recognized that which we have known in our hearts for a long time – Jerusalem is the capital of our Jewish Homeland.

Our connection to the State of Israel runs through our Jewish Community in so many ways. Thanks to a heartwarming presentation by Lynn Chernin on Rosh Hashanah, we had a record Israel Bonds drive! Out of the ruach brought to our shul by Rabbi Siegel, we have a congregational trip planned for the Spring! We had a wonderful Congregational turnout at the recent AIPAC event! We even have a link at the bottom of our website through which we can plant trees in Israel through the Jewish National Fund-JNF!

When you click on the JNF link at the bottom of our website, Kol Ami gets a commission for each tree purchased. So you can support Congregation Kol Ami AND Medinat Yisrael in just one click! If you already have a pre-paid tree account with JNF, by logging in after clicking the link at the bottom of our website, you can still support both organizations.

I hope you will join me in celebrating this Tu B’Shvat by planting trees in Israel by clicking on our link.

Security Spotlight
by Jon Zimmer
This month, we have started contacting many vendors to get quotes for the security projects we will be doing over the coming months for the Homeland Security Grant.

We have met with initial electrical and camera vendors and will continue to meet with additional ones to get to a minimum of three bids as is required per commodity.

We are very excited to begin this project and implement new and additional security projects that will help enhance our facility, in addition to the many items implemented over the past two years.

Stay tuned for updates in future ChaiLites.

If you have any information or suggestions to share regarding safety and security, or if you are interested in joining the Security Team, please feel free to contact Jon Zimmer at jonzimmer3@gmail.com.

Howard Kanter Kiddush Fund Luncheon

Please join us for our next Howard Kanter Kiddush Fund Luncheon on Saturday, January 13, 2018. These complimentary luncheons will be catered by Edibles by Ethel and will also be open to non-members in the greater Jewish Community.

Although members are not required to RSVP to attend, we do ask that any non-members who plan to attend contact the Kol Ami office at (813) 962-6338 to make reservations so we can prepare appropriately.

The Kiddush Fund, created by Kol Ami member, Howard Kanter (z”l), is now providing one Kiddush Luncheon per month on a Shabbat that does not have a Kiddush Luncheon sponsored by members or another committee of the synagogue.

Your extra donations (in addition to your usual contributions to Kol Ami) will help ensure this effort for years to come. Donors will be recognized in the Weekly Watch and Shabbat Shalom the week of the sponsored luncheon.

We hope to see you on January 13. Also, please be sure to mingle and introduce yourself to someone you don’t know at these wonderful opportunities to make new friends and enjoy fellowship with your Kol Ami family.

OUR LIBRARIAN: Hello! My name is MK and I'm your synagogue librarian. Bev Fink is the marvelous director of the Jay B. Fink Memorial Library. If you’re a member of Kol Ami, you’re already a member of the library! I have a Master’s Degree in Library and Information Science from San Jose State University, an American Library Association accredited program and have been an active member of the ALA since 2013. ALA has many roundtables and task forces, created to address specific issues. I’m personally a member of the Social Responsibilities Round Table (SRRT), the Gay, Lesbian, Bisexual and Transgender Round Table (GLBTRT) and the Young Adult Library Services Association (YALSA).

OUR COLLECTION: We currently have approximately 2,300 items; primarily books, but also DVDs and CDs. Recently the library was reorganized to better accommodate the browsing needs of members. Non-fiction has been separated into categories such as biographies, cookbooks, American Jewish history, general Jewish history, Israel, Holocaust, women and Judaism, etc. Adult fiction encompasses novels, short stories, plays, and poetry. We have an excellent collection of Torah and Talmud editions in different languages, along with a bevy of Biblical commentary. Our special collection is the Mark Jaffe Yiddish Collection, which focuses on Yiddish culture and Eastern European Jewish history.

The Jay B. Fink Memorial Library has memberships with both the Yiddish Book Center (https://www.yiddishbookcenter.org) and the Association of Jewish Libraries (http://jewishlibraries.org), and I strongly encourage all of you to check out their websites and the resources they offer.

I am particularly proud of our children’s and young adult sections, which I have worked hard to diversify and expand during my years here.

ACCESS: The library is currently open on Sundays from 9:00 a.m. to 12:30 p.m. and Wednesdays from 5:00 to 7:30 p.m., to coincide with the hours of Kol Yeladim. If congregants express more interest, I would be thrilled to have more hours. Right now, if I’m here and you want to check out a book, just come in and I can do it with two swipes. Currently, if you wish to check out books outside those hours, you can contact the front office during regular business hours and someone will let you in. If you remove a book, write down your name and the title so I can change the status in the system. Technically the check-out period is a month, but we understand if books are returned late and do not charge late fees.

The library catalog is online and accessible to anyone. Please simply go to the website http://opac.libraryworld.com/opac/index and type in “kolamitampa” as the username. No password is necessary. Unfortunately, currently it is not possible to reserve books through this catalog. I apologize for the inconvenience this may cause.

DONATIONS: We are always accepting donations of materials relating to Judaica, with the exception of siddurim. If you give us your name when you donate materials, we can send you a thank you letter at the end of the year. All donations are tax-deductible. Many members have chosen to donate over the years, and we are very grateful for their generosity. The vast majority of books come from donations at this point, as our budget is currently very limited.

KOL YELADIM RELIGIOUS SCHOOL: Currently, the library works with our religious school. Students come into the library on Sundays in rotating groups so each grade visits once a month. I do some teaching, depending on the group.

GOALS: I am currently working on a five-year plan that includes programming, working with Barnes & Noble as we did many years ago, synagogue-wide activities and more. But I can’t do that without help. If you’re interested in joining a library committee to help make that happen, please contact me personally at mkzvokel@gmail.com, or donate funds specifically for the library.

The Shape of Things to Come!

The year 2017 has been both challenging and amazing for the Brotherhood of Kol Ami. When we started this journey in April, 2017, we were not certain how things would work out. We were a new Board with not much expertise in creating/reviving an organization. Then we initiated the Beer Tasting Party, Color the Congregation, Night at the Trop, and Pub Night. The response from the men of the congregation has been great. We now have 129 paid members, 13 new members whose 1st year dues are complimentary and 8 senior members whose dues are complimentary for life. This surge in membership has permitted us to help fund Kol Ami’s “Guess Who’s Coming to Shabbas” program as well as to make a donation (along with Sisterhood) to the Gala in December. We instituted the first ever Brotherhood survey and are still analyzing and discussing the results. We had some great responses that will assist us in planning future fun events. As we enter 2018, I hope that more of you will step up and help us develop your Brotherhood. Your Board works hard, but we can’t do it all. If you would volunteer to do just one little thing for just one activity, we could have a fantastic fun-packed year.

Our first 2nd Sunday Lecture & Brunch was a resounding success. Over 60 men and women attended. None of this would have been possible without our great chefs Michael Binder, Charlie Chagaeres, Dan Berman, Steve Freedman, Steve Glassberg, and Herman Greenberg. We also want to give Kudos to our mashgiach, Sue Dvorchik, without whom we truly would have been ducks out of water.

On December 8-10, the Federation of Jewish Men’s Clubs held its first ever West Coast of Florida Shabbaton and Leadership Training Weekend. Men (and women) from Kol Ami, Beth Am and Beth Shalom attended Friday night services at Kol Ami. Then on to the Dvorchik’s home for dinner and more conversation. Saturday were services, Kiddush lunch and more meet and greet at Congregation Beth Shalom in Clearwater. On Saturday evening, close to 75 Jewish men, women and children from across the area gathered together to eat, drink and root for the Lightning. Sunday, we were at Congregation B’nai Israel for morning minyan, brunch, a short program and Leadership Training. The latter was conducted over a deli lunch sponsored

On Sunday, December 3rd, David Gollins talked to about 30 congregants about Alzheimer’s disease. David’s wife, Leslee, active in Kol Ami’s Sisterhood, was an avid tennis player and a mother of two sons when she was diagnosed with early-onset Alzheimer’s in 2005. David was cast into the role of caretaker, and he and his sons have learned to navigate the confusing system of emotional and financial upheaval that comes along with this illness. David calls it “the long goodbye,” as the caretakers find themselves in the situation of first having to place limits on activities which might not be appropriate any longer, and eventually not being recognized by their loved ones. David discussed the process that has led him to where he is today, a former board member of the local Alzheimer’s Association and helping other families navigate through this disease.

David discussed with the group the painful experience of being a caretaker, the financial and legal challenges facing the patient and families, and the resources currently available for those affected and their families. In addition, David discussed therapy, research studies, and future funding for both of these modalities.

The Adult and Family Education Committee thanks David for sharing his and Leslee’s story. For all of us who were there this morning, thank you for your honest outpouring of both facts and emotions.

Join us as we celebrate Shabbat at several exciting programs throughout the year filled with guitar-playing, singing, dancing, friendship and delicious food!

Everyone is welcome! These programs are recommended for families with children ages 15 months through 2nd grade. Watch your emails for details about each of these special events!
Hanukkah might be over, but we can reflect on the light that our Kol Yeladim students bring us every week! The kids had a great time at our Wednesday Hanukkah party. We saw some new faces and some familiar ones too. The latkes were delicious and the dreidels never stopped spinning. It was great to see all the students join together to celebrate as a community.

Our 7th graders made a beautiful quilt for our Congregational 40th Anniversary Gala live auction. It was bought for $800 but it is a priceless piece of Congregational history! These wonderful B’nei Mitzvah students also went on a Mitzvah Trip to the Bal-domero Lopez State Veterans Nursing Home to make a Minyan and lead a weekday service.

We also want to welcome Marc Sanders to our team. He began substitute teaching in December and we liked him so much that we hired him full-time! He will be working with all grade levels so be sure to say hello when you are dropping off or picking up your children.

January is a busy month! Students will return from winter break, Wednesday, January 10, 2018. We will have report cards ready to go home by January 14, 2018. Please be sure to join us for our monthly Jr. Congregation services led by our own Debbie Newhouse.

8th & 9th Grades
The 8th and 9th grades will be instructed by Jennifer Halls. We will engage the students through discussions that will bring Pirkei Avot, the ethics of our fathers, and Torah to the forefront of their lives. We will also include some young adult Jewish book studies and writings from a Jewish perspective. This class will meet at Kol Ami on Sunday mornings, 10:00 - 11:00 a.m., on these dates: Jan. 21, Feb. 4, Mar. 4, and Apr. 8.

Confirmation (10th Grade)
Confirmation will be instructed by Rabbi Siegel. The Kol Ami Confirmation program is designed to help our students gain new perspectives of themselves and others. This is the age at which teens are seeking individuality and starting to make personal choices about essential issues. Through a variety of approaches, our teens have an opportunity to grow as Jews and to view Judaism as a continuous resource to them. Topics addressed are those which are of current concern to the students and which will become more relevant as they begin their college careers. Some topics might be:
- Substance Abuse and Self-Esteem
- Jewish Life on Campus
- Israel and Me
- Social Justice
- To Be a Jew in the World

As a culminating event, the Confirmation Class will lead a very special Shabbat service on Saturday, May 19, 2018.

Second semester this class will meet Sunday mornings, 11:30 a.m. - 12:30 p.m. on these dates: Jan. 21, Feb. 4, Mar. 4, Mar. 25, Apr. 8, Apr. 22, and May 19.

It is important to note that Confirmation marks the culmination of years of study. Students who wish to be Confirmed must complete the 8th and 9th grade classes of The Academy.

Brunch with the Rabbi (11th & 12th Grades)
The 11th and 12th grades will be instructed by Rabbi Siegel. We will be using a curriculum based on Jewish “middot” utilizing Jewish texts, short films, interesting narratives, and classroom discussion. High school can be filled with confusing and difficult events and even more difficult decisions. Our Academy program will help to bring Jewish values and perspectives to light which will help to guide them through these times. This brunch will take place on Sunday, once each month, 10:00 - 11:00 a.m., on these dates: Jan. 21, Feb. 4, Mar. 4, and Apr. 8.

Note that dates and times are subject to change.

Chaverim had a blast jumping around with their friends in Boneem and reaching new heights at Altitude Trampoline Gymnasium. They are looking forward to their Disco and Tzedakah Dance Party at the Glazer JCC on January 7th!

Boneem also had fun jumping around on trampolines, playing Gladiator, trampoline basketball, trampoline dodgeball, and swinging/jumping into foampits at Altitude. They are looking forward to exploring Tu B’Shvat in January by having an ice cream seder with our friends at Rodeph Sholom on January 28th.

May the Kadima Force Be with You!

Kadima celebrated Hanukkah in a very unique way, orchestrated by the Kadima Board and Youth Advisor, Abby Salem. The Kadima Board members decided the best way to celebrate their Festival of Lights was to theme their party displaying the ultimate light vs. dark tale: Star Wars. Like all successful Jewish gatherings, Kadimaniks indulged in great food and drinks such as Vaderade, Jedi Juice, Yoda Soda, Luke Sky-water, Droidtastic Donuts and enticing latkes from the dark side. While the food was fabulous, the real fun started with activities such as Jedi Dreidel Ice Breakers, Pin the Tail on the Chewbacca, and the ultimate Escape From the Death Star Scavenger Hunt where they had to race to solve a variety of puzzles and find clues to help them escape. By the end of the party, the lessons learned for certain were that the force was strong and that Kadima knows how to have an incredible Hanukkah party.

(Youth Groups cont’d on next page)
Kadima partied Star Wars style for Hanukkah, celebrating their own version of the Festival of Lights. They are looking forward to jumping to new heights on January 21st at Altitude, inspired by the joint Boneem and Chaverim event in December.

USY lit up their night with a Hanukkah Bonfire right here at Kol Ami. USYers enjoyed singing campfire and Hanukkah songs, making Havdallah, lighting the Hanukkiah, playing Truth or Dreidel, exchanging gifts through a White Elephant activity, and roasting kosher marshmallows, kosher veggie dogs, and making smores. We were also excited to have had 2 representatives from KAUSY attending USY International Convention in Chicago in late December. USY has a lot to look forward to next month including visiting our brothers and sisters at Rodeph Sholom for Rodeph Rocks on January 13th and Mid-Winter Convention in Ocala on Jan 26th-28th.

Jeremy Ehrenpreis
January 20, 2018 / 4 Shevat 5778

Jeremy Ehrenpreis will become a Bar Mitzvah on January 20. Jeremy is a 7th grader at Walker Middle School and Kol Ami’s religious school. A self-described smart, proud, and persistent person, Jeremy values trustworthiness and loyalty in his friends. He loves to read, play video games, and take apart and put back together all kinds of electronics. He is also an accomplished trombone player.

If he could meet one person in the world, past or present, Jeremy would want to meet the first homo sapiens to see how they compared to modern humans. Looking towards the future, Jeremy sees himself earning a PhD, possibly in Microbiology. But for now, Jeremy wishes he could just earn a place in the pantheon of competitive Pokémon players!

Family and friends from both coasts are coming to share in his big day, and his party will be at Carrollwood Country Club. Mazal tov to Jeremy!
