Message from the Rabbi
(continued from page 1)

a brain chemical (neurotransmitter) that affects mood. The reduced level of sunlight also disrupts your body’s internal clock and leads to feelings of depression.

Seasonal Affective Disorder is not new. Possibly, it affected even the first human, as learned from the following text found in the Talmud (Avodah Zara 8a):

“The Rabbis taught: When the first man saw the diminution of the day length (during the winter months) he said, “Woe is me, lest because of my misdeeds the world is becoming dark for me and will return to a state of null and voidness. And this is the punishment that will befall me from the heavens.” In the end, he engaged in eight days of fasting and prayer. He then saw the period of the solstice (Tevet) and following that saw that the days began to grow longer. He said, “Ah, this is the natural order of the world!” and he established it as a matter of practice that these eight days (surrounding the solstice) were festival days, and he celebrated these days for the sake of Heaven.”

Is it possible then, that Chanukah was celebrated as a festival of light well before the Maccabees? While the stories of miracles, the Maccabean victory, the fight against assimilation, and rededication of the Temple are important themes of Chanukah, the focus is light. This may be in the number of candles we kindle, the ways in which we embrace each other, or how we try to spread our light to the rest of the world. I encourage each of us this year though to look out for our friends who may be more affected by the season - who need the friendship, who need the shades open, the sun in their face, and brightness of the world shine around them.

Request from Rabbi Blatt

Please keep us informed of significant events in your family life. It is our desire to be of help and service to you in times of special need. It is especially important that we know of those in the hospital, and assisted living or nursing homes, so that we can visit and they may be included in a prayer for recovery at Shabbat Services.

To the Kol Ami community:

Thank you on behalf of my family for all of the support and kind donations in memory of my father, Marvin Blatt.

It brings great comfort to my mother and me that his memory inspired you to donate, which will be used for good in the Kol Ami community and other Jewish institutions.

With deep gratitude, Rabbi Marc Blatt
B’Yachad
By David Pearlman, President

Shalom Kol Ami!

December is always my most favorite month of the year. I’m guessing that’s because my birthday is on the 15th! This December will be no exception, and not because of my birthday. Our congregation has a chance to stand up for Kol Ami on December 7th for our Gala Fundraiser. My hope is that in January, we can look back and say that we took the renewed ruach of Kol Ami and converted it to dollars. If we did, then Mazel Tov to all, because with all this renewed energy, we want to continue and improve on ALL of our programming. Doing that will certainly add to the expense line of the budget. So I’m optimistic that we also added to the income line as well. I look forward to reporting back to you next month at how much fun we had AND how much FUNDS we have!

Changing gears, I’m happy to report that we are already beginning to do the work necessary for our Annual Congregational Meeting in February. It is going to be an action-packed agenda this year, as we not only discuss the state of our Kehilla, our budget, and our proposed slate of Trustees, we may also be presenting the first major changes to the Bylaws in at least 10 years. Stay tuned to our Board of Trustee recaps that we are sending out to keep you apprised of all of this, and mark February 24th on your calendar to join your fellow congregants and hear all of the great energy that’s happening here!

Next I’d like to recap a USCJ event I attended last month in Miami with Rabbi Blatt and Kalman Pila, our Ritual Chair. You will be hearing more about this in the next several months, but just to get it on everyone’s radar, the day was spent discussing and learning Jewish Community and Jewish Covenant. Specifically, what can, or do we want, to do to be more engaging with interfaith families in our Community, who may not be members of the Covenant? As I’m sure you can imagine, there will be a vast spectrum of thoughts and emotions on this topic. Our hope is to be able to have some dialogue on where we want to be as a Conservative Synagogue. I will commit to everyone that we will be transparent and open with this discussion, and no voice that wants to be heard will be left out. In return, as the dialogue begins, I ask you to be respectful of the opinions of others, as ultimately, we are all in this for the same reason, to make Kol Ami the best we can! Stay tuned for more details.

Finally, mark your calendars. We officially welcome Rabbi Blatt to Kol Ami with her Installation Weekend on January 24th-26th. More details to follow as we celebrate this wonderful milestone.... you guessed it, B’yachad.

B’yachad,
David Pearlman

A Letter from Harvey Mackler

Chaverim,
It is an honor and a privilege to be able to host the annual Am Yisraeil Chai series at Kol Ami. I am sure that those of you who attended on October 28 would agree that Ambassador Moses hit it out of the park.
If any of you would like to consider a donation to Beit Hatefusot, the Museum of the Jewish People, in honor of the Ambassador, of which the Ambassador is the International Chair, please do so at www.bh.org.

And if you did not get his book at the event, I do have some available. Please let me know at harvey@gempire.com.
I am already working on our speaker for 2020.
Am Yisraeil Chai,
Harvey

Howard Kanter Kiddush Fund Luncheon

Please join us for our next Howard Kanter Kiddush Fund Luncheon on Saturday, December 7. These complimentary luncheons are catered by Nosh Caterers and are also open to non-members in the greater Jewish Community.

Although members are not required to RSVP to attend, we do ask that any non-members who plan to attend contact the Kol Ami office at (813) 962-6338 to make reservations so we can prepare appropriately.

The Kiddush Fund, created by Kol Ami member Howard Kanter (z”l), provides one Kiddush Luncheon per month on a Shabbat that does not have a Kiddush Luncheon sponsored by members or another committee of the synagogue.

Your extra donations (in addition to your usual contributions to Kol Ami) help insure this effort for years to come.

We hope to see you on Saturday, December 7. Also, please be sure to mingle and introduce yourself to someone you don’t know at these wonderful opportunities to make new friends and enjoy fellowship with your Kol Ami family.

As a wise man used to say “The House Stands”… well, with a few leaks….

After 33 years, our well…yes, we have one… needed to have the tanks and controller box given some attention and/or replaced. After 22 years of keeping us in hot water, the 75-gallon water heater got our attention with a puddle where a puddle should not be. After much research into the type of water heater we should purchase, we purchased and installed a 75-gallon water heater in time for Shabbat and a Bat Mitzvah! Did you know that an instant-on tankless water heater is not halachically ok for Shabbat? The things you learn in this job…

The Home Security Grant has ended, and we were 3 cents under the allotted amount of $68,500. Reimbursement has been submitted to Homeland Security and we are awaiting our check.

The Lockdown and Fob System is active now and an Emergency Panic button has been installed. There are always new projects to work on at Kol Ami, and I am very thankful for my volunteers!!

Security Spotlight
By Jon Zimmer, Security Committee Chair

A hearty todah rabah to all our security volunteers for the month of November!

Jon Zimmer, Darren Kasenetz, Mario Rodriguez, Dan Ochman, Marc Tindell, and David Horwitz.

To be frank, writing a column about security every month isn’t always the most uplifting thing to read about in Chai-Lites. It’s not an uplifting message about the direction of the congregation, like our esteemed President, David Pearlman, gives us each month. It’s not wise words from the Torah, Talmud, or Pirkei Avot, like Rabbi Blatt beautifully writes. Oftentimes, I have the necessity of writing about unfortunate events in the Jewish community, how we can learn from them, and measures to take as it relates to security.

This month, instead of putting in an article about the recent rise of Jewish hate crimes in this great country we live in and how Jews by far make up the largest amount of religious hate crimes (nearly 60%), I decided to go in a more positive direction and put a spotlight on one of our beloved security volunteers, Jack Rudowsky.

Jack has been volunteering for security at Kol Ami for more than a decade. It’s natural to him, as his current “day job” (or more likely, night job) is doing security at Tampa Bay Rays, Tampa Bay Lightning, and other events throughout Tampa Bay. Jack is a big baseball fan, and as many of you know, played professionally! He has some great stories to tell. Jack is also a former commander of the Jewish War Veterans, having bravely served his country, and is still active in the Tampa chapter today. He is an author, having written a book titled Living with Loss.

Jack is married to his lovely wife, Rochelle, and you can often see them at Kol Ami’s various events and services. Next time you see the always smiling and cheerful Jack volunteering on a Friday night, make sure to thank him for volunteering, and ask him about what it was like playing for the St. Louis Browns.
Kol Ami Sisterhood
By Roberta Baer, Sisterhood President

“Bloom where your seeds are planted”

The 2019-2020 Kol Ami fiscal year is in full swing. If you are a member of Sisterhood, we thank you for your support. If you are not a member, please consider joining this year. Kol Ami Sisterhood wants you to bloom with them! Sisterhood brings together women of all ages and backgrounds to share in fun, exciting, and spiritually-inspired events. Kol Ami Sisterhood’s long-standing traditions have played a vital role in the life of the Kol Ami community. Sisterhood is continually looking for ways to engage women in all stages of their lives.

On November 17th, I had the pleasure to attend the Sherry Sukel (z”l) Memorial Torah Fund Day of Study at B’nai Torah Congregation in Boca Raton. The day was filled with group learning, lively discussion of Torah, a speech on the current state of Torah Fund, a presentation on future events and opportunities in Women’s League, and recognition awards to outstanding women. More than 120 women attended this event. I was honored to be among the Torah Fund Presidents who were acknowledged for their dedication and work on this wonderful program, and to be introduced as the Florida and Cuba Madricha for the National 2020 Convention that occurs every three years. It was a special pleasure to be joined by Ethel Pila and her lovely mother, Irene Sholk, who is a former Torah Fund President. It’s easy to see how Ethel inherited her Yiddishkeit and love for Torah. I am thrilled to have attended this lovely day.

Last month, Sisterhood worked repeatedly in the kitchen making sure our congregants didn’t go hungry. It was a busy month of holidays. Amanda Moonitz chaired her annual Art of Challah Baking event; We wanted everyone to have their own homemade turkey challahs for Thanksgiving Shabbat. Everyone enjoyed learning how to roll and form the dough into their own unique turkeys. Amanda does a wonderful job chairing this event, and we thank her for bringing her teaching skills into our Kol Ami program. Sisterhood hopes that everyone who participated enjoyed their Thanksgiving challahs.

On November 14th, our sister, Gwen Niehoff, was awarded the Kol Ami Woman of Distinction Award. Mazel Tov to her on this very well-deserved honor.

The Mah Jongg Learning and Fun event is on December 15. Please join our Mah Jongg maven, Sylvia Richman, as she teaches us how to play. If you are an experienced player, please come out and enjoy a game of Mah Jongg too.

Think about being more involved or becoming a member of Kol Ami Sisterhood. There are many opportunities to get involved. There is never a dull moment in Sisterhood; we are always planning and working on the next event. Plant your seeds in the many programs we offer and watch them grow. We are a wonderful group of women always looking to bloom.

Thank you.
Your big sister of Sisterhood, Roberta Baer

Meet a Sister of Sisterhood - Jody Sampson-Nair

I would like to introduce our sister, Jody Sampson-Nair. Jody has been a member of Kol Ami since 2007. She’s currently Chair of the Council of Chai, helps edit the ChaiLites each month, and is a member of the Ritual Committee. In the past, she has chaired the Ma’asim Tovim Committee, and served on both the Board of Trustees and the Kol Yeladim School Board. Jody is extremely passionate about Jewish continuity, Jewish youth development, and support for Israel. Jody is a scratch cook “only as necessary” and mostly cooks kosher Indian food for what she describes as her “HinJew” family. Her favorite forms of entertainment are going to comedy clubs and having guests over for a Shabbat meal. Jody is proud to be a Kol Ami sister because of all the important functions Sisterhood provides to our congregation. “It’s truly remarkable how much Sisterhood accomplishes, how close the sisters are, and how enthusiastic each sister is about what we do. Sisterhood members are the unsung heroines of Kol Ami.”

**Sisterhood Needle Workers**

Sisterhood Needle Workers meet weekly, every Tuesday at 1:30 p.m. in the Jaffe Board Room. It is open to everyone and provides crafters an opportunity to socialize, exchange information, and learn new techniques.

One of the current charity projects the group participates in is Warming the World, a local nonprofit organization that provides hats to newborns around the world. Hats can be knitted or crocheted; however, many of our group prefer to use a circular loom. Last year, the organization sent hats to six states (IL, TN, MS, AL, FL and MN), Puerto Rico, Ecuador, Brazil, Iceland, Guam, Burundi, Somaliland, the American Heart Association, several organizations that help mothers worldwide, and one organization that helps babies locally.

For information about the Sisterhood Needlework Group or contributing to Warming the World, contact Carol Tarica at carol.tarica@yahoo.com.

**Sisterhood’s Kitchen**

This month’s recipe features Jody Rappaport’s challah. She began making challah early in her marriage after learning from her mom. She tweaked the recipe along the way. She used to always make the dough in the bread machine, but in the past year she has found it very therapeutic to make it completely by hand. She also enjoys surfing YouTube for interesting braiding techniques. Enjoy!

By the look of the grocery and department stores, I guess it’s not too early to say “Season’s Greetings!” It seems everyone is very busy these days, especially as we move from our Jewish High Holidays season into the secular holiday season. I hope you all enjoyed a wonderful Thanksgiving feast with your families and friends (and perhaps some football too), and maybe now you are planning for winter break and hopefully some well-deserved time off or travel to see loved ones. Amidst all of the hustle and bustle that lies ahead, I hope that you are able to find a little time to join us for some fun and exciting Brotherhood events over the next few weeks.

Although this issue of the ChaiLites is coming out after the fact, I hope you were able to attend the Brotherhood Brunch & Lecture that took place on Sunday, November 17. We were very fortunate to welcome Mr. Eric Lynn, a former Senior Advisor to the Secretary of Defense, Special Advisor on the Middle East in the Policy Office of the Secretary of Defense, a lead advisor on Israel’s Iron Dome counter-rocket defense system, and a representative to the State Department’s Israeli-Palestinian negotiations team, among other important positions and roles. (Unfortunately, I was unable to hear Mr. Lynn’s presentation as I was in NC visiting my daughters.) I am confident that Mr. Lynn provided a fascinating inside look on the defense relationship between the United States and Israel. If you did attend, I hope you enjoyed and learned from this latest installment of our Brotherhood Brunch & Lecture series. Stay tuned for our next lecture program sometime early next year.

We are happy to announce the return of our Craft Beer Tasting and Brewery Tour, which we were finally able to squeeze into our social events calendar before the end of 2019. The last time we held one of these events, we had a lot of fun, enjoyed some great camaraderie (not to mention beer), and we got to know some of the members of the Men’s Club from Congregation Beth Shalom in Clearwater. We hope to have an equally good time on Wednesday, December 11th at 7pm at Wild Rover

Brodie Newhouse
December 14, 2019 / 16 Kislev 5780

Brodie Newhouse is a 7th grader at Stewart Middle Magnet School and Kol Yeladim. Brodie loves playing golf, swimming, drawing, writing, reading, Pokemon and roller coasters. One of his favorite things to do is to research roller coasters, from the drawing board (literally) to completion. In fact, Brodie plans to become an engineer specializing in designing roller coasters. An optimistic and creative person, Brodie says that if he could meet anyone, past or present, he would choose “Elon Musk, because he’s one of the world’s most famous engineers and has done amazing things with technology. Also, Walt Disney, for the amazing and inspiring ideas he had in his head.”

For his mitzvah project, Brodie is collecting large-print books to donate a large-print book library to a senior citizens facility. And to celebrate his big day, family and friends are coming from Michigan, New York, Pennsylvania, Delaware, Florida, California, Washington, Israel, and Scotland. The theme? Roller coasters! Mazel tov to Brodie!

Many children, seniors and families benefit from this holiday program.
Get your dreidels dry and ready, Hanukkah is almost here! November was a quiet month here at Kol Yeladim Religious School, but we are ready to have some fun events in December! Our 3rd-7th grade classes are ready for a little friendly competition. Each class will be creating their very own Hanukkiah to be judged by members of our synagogue. The classes can make it out of any materials they want but need to make sure that the Shamash is the tallest candle and the rest of the candles can all be seen without obstruction. They will be judged the night of our School Hanukkah Party on December 18th during Religious School. All ages are welcome. We will have tons of fun station activities including donut decorating, sand art, dreidel tournament, Hanukkah Melty Beads, Make Your Own Dreidel, singing and dancing, and of course, Lots of Latkes!!! Hope to see you there.

Wow! It’s hard to believe that High Holidays have come and gone and it’s already December! We finished off High Holidays with our USY Sukkot Sleepover and celebrated Parshat Noach with our super fluffy fun Parade of Pets and the Chaverim Afterparty.

With our energy reset and recharged, USY and Kadima took convention season by storm with USY Fall Subregional Convention in Winter Springs, FL, Kadima Convention in Jacksonville, FL, and USY Regional General Board Weekend right here at Congregation Kol Ami.

For Kadima Convention, we were able to sponsor six Kadima-niks to attend convention free of charge; for four of them, it was their first time attending a convention, and they had an absolute blast! Already we are being asked—“When is the next convention??”

Hosting RGBW was an amazing experience for our four USYers in attendance (Chapter President Joey Benjamin, Sub-Regional Vice President and Past Chapter President Ari Solomon, and our two Young Leaders/Freshmen Representatives, Itai Aarons and Armani Romay), all 72 out-of-town USYers in attendance, and the entirety of Congregation Kol Ami. I have received some amazing feedback.

(Youth Groups continued on next page)
about the host families, the food provided by Max Sherard – Nosh Caterers, and Congregation Kol Ami as a whole. Our young leaders and board members received valuable leadership training and made lots of new friends! Congregation Kol Ami is now officially “on the map” of USY HaNegev, and we are very excited to continue joint programming with chapters from all across the Southeastern United States.

This month, we are keeping the energy high with some very exciting Hanukkah Parties – The Super Sweet Hanukkah Party for Chaverim and Boneem and The Mystery of the Missing Latkes party for Kadima and USY.

It was such an amazing gift to be able to sponsor USYers and Kadima-niks to attend convention, and we hope to continue to sponsor many more youth members to attend conventions with our upcoming fundraiser, USY’s Hanukkah Bake Sale. The sales will directly benefit our youth, so that no one has to miss out on these amazing conventions due to financial concerns. The registration costs for a single convention typically range from $100 to $200, not including transportation costs. We are building lifelong friendships and community through our Kol Ami youth groups, and it is up to each of us, the Kol Ami family, to ensure that our youth are taken care of, provided for, and supported equally.

Kol Ami’s KAMEL Program

Sponsored by the Ma’asim Tovim (Good Deeds) Committee, the Kol Ami Medical Equipment Loan (KAMEL) Program pairs congregants who are willing to loan their currently unused medical equipment to other congregants who are in need of such equipment on either a short- or long-term basis.

If you have extra equipment (e.g., canes, walkers, wheelchairs, shower chairs, grab bars, etc.) you are willing to lend, or if you would like to borrow equipment, please contact Ma’asim Tovim Chair, Sue Dvorchik at susiedv1@gmail.com or contact the Kol Ami office at (813) 962-6338. We will try to make the “shidduch” (match) a success!
